Zionists of today, all abled men bill for Justice to defend our innocent lives, for, they as Satanic liars steal from US as the ungodly. Real Jews don't murder innocent people to steal their rights to Life for money. Nothing worse than a Zionist nazi "jew" with money they never earned, but stole in the names of the suffering Peoples. Something Crazy Here

/ / Pakistan President General Pervez Musharraf has disclosed that Omar Sheikh, who kidnapped and murdered American journalist Daniel Pearl and is now facing death penalty, was actually the British secret Agency MI6 \ \ Mr Zubair was the lead investigator - Omar Sheikh was reported executed,

[JUST BEFORE BEING MURDERED] BBC had censored Bhutto's remarks in which she claimed that Omar Sheikh had murdered Osama bin Laden several years ago. - Man, imagine if she were questioned on what info she had based her conclusion, and had had the story that the BBC wouldn't have reported either. Again, CBC, CNN et al., are traitors pretending to be open for communicating the facts. just like the pro-child killer traitor George Norry, Ian Punnet, and the evil Art Bell.

Coast to Coast hosts are TRUE traitors to God as our dying America. They, like CNN, CBC, and the BBC state they read our emails, and receive our calls. Happy George Norry is truly a demonic evil force for enslavement of our species. Sure, he might tell you the NWO is out to get you, BUT, he will also tell you, you can't do anything about it. Bush and Cheney. No no no no! the "truthers" scream, that would require taking a stand for freedom against terror, a stand for justice as America - and Americans would rather die, than admit their cowardly dying nazi fascist savages for the Zionist Neocon. Look at the child killer Tatum, pronounced by CNN as a "Hero", yet, the bushite, (like Judge "mad dog" Mattis,) freely confesses without remorse to slaughtering defenseless innocent children at point blank range for his sadistically demonic pleasures. A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. George W. Bush "A country that hides something, is a country that is a.. afraid of being caught."

Telling US what?, that it is a crime to not commit a crime? It isn't only high treason against America the ungodly bushite are guilty of, but of a madness held by those truly Satanic..

Easier approach to getting officially "started", is if we consider the unmovable anchor issues as outstanding regarding the 911 questions ever yet, publicly stated in regards to how the event actually went down. Remember: Bush and Cheney worked diligently, directly after the terror trifecta occurring, to close current police investigations regarding the case of mass murder in Johnny's New York City. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared

Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blaming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life?

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of neutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America. check out youtube. These proud bushite child killers, can not be allowed to freely walk our Earth, after lawlessly murdering so many for nothing but to please the antichrist enemy of all humans Being. All the while chanting monotonously "whore yeah, whore yeah" Death to the bushite heroin pushers, death to those who war God's World indiscriminately with NATO, Sattler, Mattis, and Blount to escape the neocon zionists for the treasonous unholy crimes of 911 back in New York City, where thousands of whomever Americans, were murdered don't you know?

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=3Dm9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. While CNN, CBC, and FOXNEWS couldn't care less for those children love by our Humanity. Get me in the news my brothers and sisters, and I'll make the best of it. Just do it. Fear not for my life loves, fear for your life left

to silently die in contempt of Yourself.

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Stranger in a strange land,

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

"...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything. \ \

Just try telling that to 'why work to make life better'
CBC, CNN, or FOXNEWS censors. Look at me!! They refuse
to acknowledge my documented info as REALLY important
to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white

thieved loss of evidence to demand ourselves of some official

'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology,

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

ABCNEWS.com : FBI Called off Terror Investigations

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" =3D "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, plead
for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. American soldier: Your enemy is TRULY LIAR happy George Norry. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. Did you know, many bushite sing a song about killing innocent young girls for pleasure? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True

Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Al-Qaida =3D General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

-

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:

"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for

Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

See? KBR is now privately running hospital care for the dumfuk grunts, so, what would you expect but rat infestations? Oh, you never truly thought... what being a "Liberal" or "Conservative" victim is. Are you pro Liberty, or pro tyranny is the question riddled really.

Seriously, the propagandists responsible, need to REALLY, be put to death after found out through US public court proceeding. NO ONE would disagree that Iraq is a war crime, where more than a MILLION INNOCENT PEOPLE have been raped, tortured, or murdered by dumfuk bushite grunts. If YOU actually think about it, all of everyone would gladly kill an unholy bushite terrorist, before allowing it to murder families running for our lives as loving Church goers.

Death to our Enemies

REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a
justification.

3. Also, that mercury tainted vaccines are deadly stupid.
Mercury is scientifically understood, without question, (no
doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying
lives my friend. Please? Make the call, be a man to defend
our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children, then even, as in Fallujah, going house to house to murder every one, young and old as the truly Satanic. Just obeying lawless orders to thieve from Humanity as bushite for neocon zionist traitors of G-D doesn't fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Bill Sattler.

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

ARROWs flying Shuttle CAP mission

It is 10:19am EST (1519z).

"Arrow 01" flight (Eglin F-15Cs) have been up with Huntress on 252.0 all morning. They are flying the Shuttle Combat Air Patrol (CAP) and accepting various acft target tracks from Huntress.

Arrow 01 flight is up with Miami Ctr ATC on 269.3. They just announced they are en route from nav fix ATLAS to APOLO to hit the tanker.

"Tanker 21" has been refueling the ARROWs; they are also using 252.0 in comms with NORAD's "Huntress." Huntress just informed Tanker 21 that Tanker 21 will be replacing them and will be on station at 1530z (10:30am EST).

I live about 10 miles from Launch Pad 39A and will post information throughout the day on the continuing launch comms, on all of my Email groups listed below.

It is 11:13am EST (1613z).

F-15s ARROW 01 & ARROW 02 are getting ready to RTB to Eglin. Huntress informs them that they can RTB as soon as ARROW 03 completes AAR with Tanker. He also warns them firmly "You are not to do any low approaches at any airports during your RTB."

ARROW 03 has arrived from Eglin, is now on station in the CAP and about to AAR. He is in comms with Huntress on 252.0 and informs that he is a singleton, but that ARROW 04 should not be far behind. Also informs that "Timber is sweet" (i.e, has established the Link with Huntress). Huntress tells him to maintain 252.0 for boom comms as well as for comms with Huntress.

Tanker 22 has also arrived and is in comms with Huntress on the freq. He is orbiting in the AR Track and awaiting ARROW 03.

And US Coast Guard helos "Dolphin 1" and "Dolphin 2" have checked in with Huntress and are patrolling the Restricted Area at 3500 ft.

Miami Ctr on 269.3 is warning all the CAP acft that at 11:28pm, a wx balloon will be launched over the Cape. The NASA weather acft should be going up in about 15 minutes.

"He claims to be a follower of the Torah of Moses, but as far as I know the Torah prohibits oppression and prohibits injustice and prohibits stealing people's land and property."

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied?

Again, realize: George Norry, the indisputable pro-child killer, forbids Americans to understand: General Ahmad funded Atta. And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons? I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on... Remember: Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Or, one worth mentioning...

War, What's It Good For?

Warning the Demon G. W. Bush was given personally:

/ / "The attack will be spectacular and designed to inflict mass casualties against U.S. facilities or interests. Attack preparations have been made. Attack will occur with little or no warning." \ \

What did the demon do? Didn't warn anyone, and went on vacation, but really, according to official documents dated of those days, worked top secretly on his invasion of Afghanistan plan with Rice, and Rumsfeld for Enron. Pension thieves Enron. Does George Norry, the pro-child killing censor of cries for Justice care? You really think so? Ian Punnet, the sick nazi phuk who states he's seen the loose change videos, but still believes the towers fell as a natural consequence of two planes missing WTC7 entirely.. you think he cares to see American teen soldiers sent to their deaths irrationally for the bounties of wealthy evil neocon zionist liars? What does Art Bell care of INNOCENT Christians murdered by nazi israel for stolen loots paid for by the MADE uniformed tax paying American huckstered audience? Coast to Coast "Hosts" will go happying, instead of US, the innocent forsaken they leave forbidden open communications. Americans are understood by the entire human species, to be painfully ignorant as Chauvinistic know nothings, who rape and murder from our Humanity to benefit themselves dying from censorship, and look at where it's gotten everyone.. Bombing Our very own innocent families who dream of a better life for all though freedom, that only comes by the ways of Justice understood as measured. I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. And worth MY protection. NewsCorped America is not qualified to lead any group committed to understanding why we have laws to serve ALL people equitably for freedom. Certainly, we all could easily learn this though, through lively trial and error by public debate, if we had an open mike policy on a national level to talk directly with these trying times at the best of our capabilities of listening. I demand my calls for open debate against all neocon zionist enemies world wide be taken up seriously for the betterment of all peoples lives.

CIA hid torture tapes from 9/11 Commission
http://www.cageprisoners.com/articles.php?id=3D22947

Mark Mansfield of the CIA said in a statement quoted by AP that "The notion that the CIA wasn't cooperative or forthcoming with the 9/11 commission is just plain wrong. It is utterly without foundation" This is clearly absurd, as it is blatantly treasonous. "Without foundation?" Nobody minimally involved could form that conclusion, without bold faced lying. Likely done to get away selling more dope to American kids to get hooked up into life term prison sentences for slave labor camps. Guess what American politicians say IF ANYTHING? "requires further investigation." MARK MANSFIELD ADMITS TO DESTROYING EVIDENCE ON 911, AFTER BEING ASKED TO SUBMIT HUNDREDS OF HOURS OF ILLEGAL TORTURINGS OF INNOCENT PEOPLE TO DEATH FOR CONGRESS. TREASON WARRANTING DEATH ACCORDING TO REAGAN. But, who actually really cares in America for Freedom dying as bushite war monger tyranny anyway? In America, on their national radio program, the pro-child killer George Norry spews his poison almost everyday, and "Americans" can't even be bothered to lift their phones to speak in the defense of OUR forsaken families.  No, "Americans" like to rob from God and Humanity by suggesting to murder people indiscriminately will benefit themselves in the long run as THIEVING LIARS.  Not if Reapin' Johnny, has anything whatsoever to say about US and our love for God as Life.  Get me on the Coast to Coast radio program to Host for open line communications, to start this, Justice Will Be Done for Freedoms held indivisible Issue.  Al-Qaida =3D General Mahmoud Ahmad. God Rulez.

ISRAEL [THE UNGODLY] DOESN'T GIVE A DAMN
http://desertpeace.wordpress.com/2008/01/22/israel-doesnt-give-a-damn/

Kill a bushite for America why don't you as Anyone?

"The killing of innocent civilians is policy," veteran Mike Blake said. "It's unit policy and it's Army policy. It's not official policy, but it's what's happens on the ground everyday. It's what unit commanders individually encourage." Not true. We have plenty of examples of official policy such as no cause whatsoever for the war period, and FOXNEWS. Then of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten" Russell. Or Sattler's, that ordered the indiscriminate murder of more than two hundred thousand INNOCENT people of Fallujah. As just one example of many. Billing bushite is saving Humanity from the actual, for real, antichrist forces of demonic evil mentioned in every Bible. Bill a bushite enemy of America, for a bushite is minimally a thief, a thief that wars the innocent of Humanity to help 'escape' the zionist neocons for the crimes of 911. Well, a criminal willed the murder of another, and now it thinks it can't be arrested because it says for US to do so, would be anti-Jew. And no, I'm sure Johnny would word it in today's climate, arresting a murderer for murder. See? A true "Jewish State" would be one where all people were treated fairly, as the actions of a peoples who believed in God as holy an' righteous. Not thieving terrorists killing people to steal further from our good graces.

Good God Man

Coast to Coast radio hosts are traitors who forbid the American Patriot to know: General Ahmad funded Atta, and that we have video of iron flowing like water from the towers

The HPV vaccine is being used officially (according to official FDA documents) to kill American female children, and Americans refuse to hunt to bill happy George Norry for it. No, Americans murder their very own children to please the silence George Norry offers, as fictions to hide their cowardice to defend Christ and Man as their very own family dying criminally under continued mortal threat. While the pro-child killer george norry is happier than ever conning to kill more freedom in voiceless America. Support my call to host for open line communications. George Norry isn't qualified to silence our cries for Justice realized. Make the call, be a Human.

Again, CBC, CNN, and FOXNEWS with the coast to coast radio host celebs are enemies of God as the Human race. Reagan would have guaranteed, with his War Crimes Act, to have publicly executed Romney's buddy for the torture of innocent people Cofer Black freely confesses to have kidnapped. Yet, CNN whores America to ride on that torture is Reagan's best bud. Romney, who's demonically evil religion IS centered on Satan's temptations against Adam and Eve, forbids a belief that black people are not worthy the godly freedoms granted all sentient beings, all because Romney has magical 35 year old underwear it is waged. DUMB. No, CNN forbids such truth in dialog, but to say, a Ron Paul newsletter of near twenty years ago, suggests he hates blacks because the Federal Reserve is printing money for their own private profit at the loss of every American wage earner.. blahblahblah. Bushite are OPENLY selling tons of heroin, and cocaine, while bombing our communities indiscriminately. Not newsworthy. Gates has taken responsibility for dropping 47,500 lbs. of bombs in Baghdad to murder people indiscriminately in a city the bushite terrorist thieves OCCUPY as openly demonic. Gates will receive a death sentence by the will of US, as just another bush bitch zionist neocon war monger threatening

Humanity with more indiscriminate murdering. P2OG - designed to KILL America with naked neocon terrorism disguised as "Patriotic". Remember: near none in the entire Bush administration has been ever elected, yet, they bomb the innocent with lies for "Democracy." [The Innocent is ourselves for you beginners out there...]

KILL ANY OR ALL LOYAL BUSHITE ENEMIES FOR THIS:

/ / The AMSI statement continued: "The bombing entirely targeted homes of residents in the area and resulted in the deaths of dozens of innocent civilians, including women, children, and elderly people, in addition to wounding a comparable number." "This dastardly crime clearly demonstrates to the whole world the ugliness of those who committed it," the statement went on. "It shows that they are totally unconcerned about people's lives and do not care for the honor and esteem accorded to human beings in all divinely inspired religions." \ \

/ / Nazario separated a young Iraqi, [around the age of 10] known as "Number 2," from the group and led him into a bedroom where he [as loyal bushite enemy] shot him with his rifle. \ \

Calling all Lawyers, Judges, and Police Officers

We shall track down every bushite charged under all military "Judges", and publicly try them for execution as: aiming to and murdering, innocent people - to thieve from US all for ungodly zionist necon LIARS. While American gun owners from any number of gun groups will bill any and all bushite who grunt their satanic disapproval of freedom as Justice for All. We shall bring the perpetrators of 911 to Justice before Man, bar none. God is Risen - die bushite die.

Orders given to the bushite child killers of Haditha:

"anything that moves you kill and don't take any prisoners."

Nazi bushite lawyer's surmisal to war criminal "mad dog" Mattis: "If the defense version of events is true, dismissal of the charge is justified." No, they would be just as assuredly guilty of aiming to and murdering innocent people as enemy of Life bushite do with bogus dumfukker excuses. Killing bushite is saying to God, you really care. A bushite is an enemy of America who wars innocent Humanity for the escape of the zionist neocons for 911. traitors are the bushite soldiers - to everyone.

/ / no evidence has been publicly released that implicates the young men of the 1st Squad, 3rd Platoon, Kilo Company, 3rd Battalion, 1st Marine Regiment in any criminal activity arising out of events of November 19, 2005. Indeed, as there is none that exists, let those who say otherwise prove it. \ \

"None". See? a total dumfukker who's religion is lie to GOD about murdering helpless children, because the event is over as transpired. Yet, Gun Owners of America, WILL UNDERSTAND, this demon enemy of Humanity tells US openly, he gets off on indiscriminately murdering innocent people like those too, who committed 911 by zionist excuses such as: "shoot first and ask questions [answered by Coast to Coast radio hosts, CNN and CBC only] later." Or, a made up bushite enemy's pronouncement titled, "Rules of Engagement", an "official" excuse given to bushite who willingly shoot innocent women and children in the back, all because we were running from an explosion. Will you not join Johnny America and kill every last bushite judge or jury breathing who agrees such murderous conduct doesn't warrant an immediate death sentence during war time against TRUE EVIL?

In the documentary, "Why We Fight", bushite bombers are interviewed, who knowingly bombed, easily, more than a thousand defenseless innocent people of Humanity indiscriminately downtown in Baghdad as precision first strikers. See them smile and laugh at knowing after the fact of understanding, they only murdered innocent families as their ungodly sadistic fetish, while lifeless CNN with FOXNEWS is letting them get away with murdering so many of US as Love forsaken, then ask yourself, do you feel lucky? punk? "See the bushite, kill the bushite", the Son of Man always says. Kill an ungodly bushite enemy, and be loved by God and Man as just an ordinary everyday run of the mill, True American Patriot Warrior aligned with Christ, the Greatest bushite biller of all time! Death to the bushite thieves who war for the traitor neocon liars, death to the Enemies Of Justice for God and Humanity. Evidence is Everything. Bushites are ignorant liars of evil.

' 'The "heroin lifers" are a group of prisoners, who were arrested under a Louisiana state law that mandates a life in prison without parole for the sale of any amount of heroin or possession with intent to sell.' ' How can Louisiana be so unjust to promote soldiers to push dope as bushite dumfuk losers, while addicting the citizens into private prisons for excepting the freebees?

Bushite push the dope, and American kids go to jail for Life in cowardice by the millions not hearing... Make the call, be a Human.

Big News : Election Rigged!

http://mp3.wtprn.com/Albrecht/0801/20080117_Thu_Albrecht2.mp3

This is incredible for real - so incredible that I'M freaked out!

It's just crzy that a private company charges 24 cents for
each ballot re-counted... just think about that for a second
again.. Oh yeah, and there are no ballots, or records of such
events actually occurring. Johnny calls for paper ballots
without exceptions, along with immediate criminal
investigations. And let's let me take open line calls on the
coast to coast radio network of ideas for just causes. A fair
vote for freedom sounds right to begin our speech as heard
from for understanding - We demand paper ballots, along with the
911 perpetrators brought to Justice to end all wars by
peaceful resolution for freedom to triumph over bad guy
terrorists who lie like George Norry. Answers are all here.

for dealing in TONS of COCAINE shipped to America, to additionally, pump the prison market with life term prison sentences on simple grams bag possessions. TONS. Cocaine for Crackers.. WOW. American trivia: Did you know, there are nearing at 2,500,000 people in expensive prisons for private profit operations nation wide in the land of the free, and home of the brave? We gotta get a count of prisoners on life term prison stints for carrying the bushmob doper deals in a double cross, The "oops.. who me?" Top Secret Strategy - shhhh.. - the cia planes selling TONS of illegal dope, and Americans go to prison for being too weakly represented politically to defeat these criminals with just words. big bucks. We need an American People standing up for the defense of speaking freely, as a voice of universal liberation. With evidence as a prerequisite - we have near no critics of millions.. Why so great? We all could benefit by Justice enacted fairly actually ruling our strides towards a better future through international communications, where all peoples have rights equal as beings worthy the respect we deserve.. Yes, we are amazing. Can you hear me now? Could I convince yourself in investing in a worthwhile cause such as ours? Who knows how far this takes us into a better future where we respect ourselves as others. The freedom to be all you can be by not infringing on the rights of any other to do just the same. Now, you should give me a least some dollars for sharing that repeatedly with ourselves.. Do you have any idea on how great we are here my friends?? We could be all incredibly gifted if I do say so myself.. So how about it? Johnny for Presidential debate questioner, Nationally contesting the tally in Anytown USA - open for suggestions? What do you say pilgrim? Am I not Great?

Justice is Freedom

WE WANT our votes verified as fact.

This isn't about Ron Paul refusing to support a re-count to discover more than 0, ZERO, votes in one district, Bingo!, it is about YOU, as an American refusing to defend yourself from no measuring!, no measuring! what they will get away in blind tyranny as enslavement termed 'Freedom'. It is TRULY up to you to make a call to talk radio, it is truly coming down to You. Pick up our phones you bunch of good for somethings, and call for clarity on the justice is freedom angles. Johnny

Wizard has come for diplomatic talks on the thorny issues that confront our storied days absent our found leadership. LOOK, the election body is not requesting fairness for the American voter, as rigged. WE WANT our votes verified as fact. It is not the realm of any private company to "own" the rights to deny us, me and you, public accountability as fairness to all parties - sworn in. Representative Democracy. Doubtless Dealings for Dummies Doubting. We DEMAND: paper ballots.

Uphold Lawman Johnny for any paid Public position, for, I'm hungry for making a worth out of living. Otherwise, I'm going to have to leave for other matters of survival. If you spot me some change, I'll give you a thanks, and, it'll be just like you own shares. No special favors, but, I might just return your investment plus interest. So, join in with Johnny, and spot me some cash family. It'll go towards a good cause, us. Think of these words of art worth a dollar or two of your time here living. Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. Why We Fight

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now."
(seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill

SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida =3D General Mahmoud Ahmad. Bush, "The Puppet", needs to be executed for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News
http://abcnews.go.com/US/story?id=3D92662

/ / In the early 1960s, America's top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in U.S. cities to create public support for a war against Cuba. \ \ And Proud Vietnam Vets are TRUE fascist cowards, who'd kill our Families for stolen riches given to billionaire war mongers who, to this day, bask in our stolen lives living in Mansions, while homeless vets eat their own shit and die, worthless to the struggles against tyranny for God. Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

(EXAMPLE: So what? that BILLIONAIRE Mitt publicly supports torturing innocent people to death without Lawyers for our Judgment with his nazi bum chum traitor Cofer Black?. Not CNN newsworthy as a defense for the People of America. Or how about that Black People can't be Bishops as a moron Mormon?)

Soldiers of Ummah - unite US all to defend America from the evil bushite thieving liars - the enemies of Justice, the enemies of Life. Bill a bushite grunt to save innocent lives, and in that process, be truly loved by mankind through Peace.

/ / He said they [the innocent humans] are like dogs and if you allow them to believe at any point that they are more than a dog then you've lost control of them \ \ Who'll save the life of an innocent Dog from the savagery of the bushite enemy grunter though...

Something Crazy Here

/ / Pakistan President General Pervez Musharraf has disclosed that Omar Sheikh, who kidnapped and murdered American journalist Daniel Pearl and is now facing death penalty, was actually the British secret Agency MI6 \ \ Mr Zubair was the lead investigator - Omar Sheikh was reported executed,

[JUST BEFORE BEING MURDERED] BBC had censored Bhutto's remarks in which she claimed that Omar Sheikh had murdered Osama bin Laden several years ago. - Man, imagine if she were questioned on what info she had based her conclusion, and had had the story that the BBC wouldn't have reported either. Again, CBC, CNN et al., are traitors pretending to be open for communicating the facts. just like the pro-child killer traitor George Norry, Ian Punnet, and the evil Art Bell.

/ / Daniel Pearl was kidnapped in Karachi in 2002 and beheaded by Al Qaeda's number three, Khalid Sheikh Mohammed. Mr Zubair was the lead investigator \ \

Some were lined up and shot execution-style, police and hospital officials. Abu Musab al-Zarqawi, believed headquartered in Fallujah, claimed responsibility for the attacks on Haditha and Haqlaniyah. \ \ bushite murdered more than two hundred thousand innocent souls with a least nine two thousand pound bombs, killing firstly doctors and nurses, telling the People of Iraq, that Zarqawi (channel changer Kimmitt admits a total psychop) was a bad guy worth trying to kill. Reminder: Zarqawi would target his own children, and brag about it for rotten Rumsfeld! Evil is the deceived disguised. Bushite are cop killers as enemies of freedom for America. They refuse to enforce the public execution of those soldiers who kidnapped barefooted children and beat them to death on video tape. They refuse to bill Blackwater for raping American women. REFUSE, as zionist nazi enemies of Justice for Humanity. Kill a bushite to save the lives of the innocent a lawless bushite enemy targets for murder.

Dishonorable to the core of what it means to be a free man, they die in cowardice, too afraid to defend what's right as true. A liar, a thief, a murderer, that is what a bush whore nazi grunt who states life must die for as lawlessness. They war Humanity as bush whore slaves for the escape of the neocon liars for 911. (General Ahmad funded Atta) They support torture by silence, they support raping women by silence, they support robbing The Peoples by silence, and they support killing themselves for FOXNEWS to continue LYING to America about what it costs to be a bush bitch who chants routinely, "whore yeah, whore yeah" Death to the bushite, death to the enemies of freedom in Johnny's America to talk openly with the FACTS absent Coast to Coast hosts Demonic censorship of American voices as Liberty.

Coast to Coast hosts are TRUE traitors to God as our dying America. They, like CNN, CBC, and the BBC state they read our emails, and receive our calls. But like Art Bell, they just ignore our concerns to die for their continuing bounties of lawless tyranny through demonic proxy. Happy George Norry is truly a demonic evil force for enslavement of our species. Sure, he might tell you the NWO is out to get you, BUT, he will also tell you, you can't do anything about it. "Truthers" will near tell you the very same thing, again, absent the two indisputable pieces of evidence, that point MORE directly at who is personally responsible for closing criminal investigations; not bin Laden. Bush and Cheney. No no no no! the "truthers" scream, that would require taking a stand for freedom against terror, a stand for justice as America - and Americans would rather die, than admit their cowardly dying nazi fascist savages for the Zionist Neocon. Look at the child killer Tatum, pronounced by CNN as a "Hero", yet, the bushite, (like Judge "mad dog" Mattis,) freely confesses without remorse to slaughtering defenseless innocent children at point blank range for his sadistically demonic pleasures. And American Gun groups make little of no effort to identify the culprits, so all of everyone alive can know where these two true bushite enemies of Humanity can be found 'escaping'. Never. Tatum, the child killer will not live in our world as a "free" bushite, found "innocent" of the crimes he "freely" confesses to committing against Humanity and God. Kill a bushite, and be loved by America as True Liberator.

A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. Easier approach to getting officially "started", is if we consider the unmovable anchor issues as outstanding regarding the 911 questions ever yet, publicly stated in regards to how the event actually went down. Remember: Bush and Cheney worked diligently, directly after the terror trifecta occurring, to close current police investigations regarding the case of mass murder in Johnny's New York City. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blaming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of

Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

## Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America.
check out youtube. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

-

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions,

against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" =3D "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, plead
for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to

TREASONOUS neocon thieves freely rob from both undefended
American and Iraqi citizens, The neoconner, Mr. Bush closed
criminal investigations on 911 immediately after the event

occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. We Have A Problem Here

Look, Bush closed investigations on 911 immediately, then started firstly on Iraq, for war mongering thieves, with General Ahmad escaping un-accosted for the neocon enemies. Not relevant? Your Constitution is laying undefended, a National act that can not be done by any other terrorist group but those who claim your freedom rights denied by bushite command. Not treasonous? Look Condi, the demon 911 nazi witch PERSONALLY assisted in dropping more than seven million land-mines on Lebanon indiscriminately in Your terrorized dying names. Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida =3D General Mahmoud Ahmad

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children, then even, as in Fallujah, going house to house to murder every one, young and old as the truly Satanic. Just obeying lawless orders to thieve from Humanity as bushite for neocon zionist traitors of G-D doesn't fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Bill Sattler.

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

It's not possible to make a recommendation since you've not told us anything about the application.

What frequencies do you want to monitor?

How long is the cable?

Why do you think the RG-58/U needs to be replaced?

RG-6/U is just a generic designation. There are many variants including the ever popular but unnecessary quad shield. If you select a particular brand and type number, Belden 9116 for example, it will be possible to look up loss figures and do a comparison.

Besides being expensive LMR-400 is 10mm in diameter and not as easy to work with as RG-6 or RG-58.

thanks. I was doing some research at scannermaster and saw LMR-400 and RG-58, but didn't see RG-6. My current setup over 20 years old and living in Iowa I would imagine it is close to its lifespan. Plus, when I chose RG58 back then, I was under impression it was considered best cable for the job. Probabably is a 40' run to the antenna (which will also be replaced) which is about 30' high. Main interest here is mil air. I will be splitting it to work on a Pro-2004 and BC250D. Which I realize will introduce some loss. I am using a Radio shack amplifier to compensate for some of the loss.

Look at the Radio Reference page. It is often way behind, but it will give

Twenty year old cable is well past needing to be replaced. The loss for some cable types at 400 MHz and 40 feet length are listed below.

RG-6/U (Belden 9116) 1.5dB
RG-58A/U (Belden 8240) 3.4dB
LMR400 1.0dB

RG-6/U is the best choice as it is much cheaper than LMR400 and the 0.5 dB loss difference is entirely insignificant. Type 9913, RG-213, RG-8 etc. are all overkill and hard to work with due to large diameter. The fact that RG-6 is 75 Ohm cable will not have a noticeable effect on the performance even though the scanner is specified to use 50 Ohm cable. You might lose 0.25dB due to mismatch.

The amplifier should be placed as close to the antenna as possible for best performance. Cheap amps can actually ruin the performance if they cause overload or have a high noise figure. You might want to test with and without the amp to decide if it is worth keeping.

Are you actually looking to listen to some city?
```

Which one?

The page may have the current info for them. If not, you can often find people who are there who can help you out with current info. When my city went to a combination 800 trunked, and Apco25 the page did give me some help in setting up my first scanner, but they have long fallen behind. Do you understand the difference between the P25 and the Analog trunked systems, and why the P25 came about?

Are you trying to say any of the large cities that are going to the expense to set up a P25 are leaving it open for the people to listen to?

Which ones?

I know when the P25 first started to catch on they were open, but from what I keep hearing from people who live where they switch now, for the last couple years, they don't leave them open. There is from what I keep hearing, a lot of stuff on the P25 that is still open, but not the City Police that are switching.

<G>, Ok, sorry. I take it you have taken up selling digital scanners. Ok, to anyone who is living where the State, county, or City police are getting ready to go to the P25, buy a Digital scanner from Lumpy and you can still hear them.

Better?

Now for the rest, if you live where they already have a P25 system, and want to listen, a couple good ideas. First, if you do not actually know anyone who has one and can tell you its open, go to a Radio Shack or two. If they have one of their 96's set up ask to try it and see if you are hearing the system you wish to listen in on. If you can't confirm it, and want to chance it, buy one, and make sure you keep all the packaging. If you decide what you can hear is not worth it, they do still seem to sell well on Ebay, and you can get back a good portion of the money.

Another good idea is join the Radio Reference page. Send them a few bucks and you can access the whole site. I have seen a lot of the info is way behind, but many cities have a forum with constant messages, so you may find someone who can confirm, BEFORE you spend the money. The Digital scanners run over twice what a good trunking one does, or at least they still did last I checked. When they got the P25 here I almost bought one of the Uniden ones, but fortunately I held off till I could confirm that it would have done me no good. When I was trying to find out for sure I was seeing a lot of posts from other places and all of them were saying the same thing, that once the department spent the cash to go to a P25, it was encrypted, which made sense, other wise why bother. Now I'm sure all these people were lying, but before you spend $500.00 and up, on a digital scanner, you may want to check and make sure you can hear what you think you will be able to.

## The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives.  Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die.  Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida =3D General Mahmoud Ahmad, and we have video of iron flowing like water from the towers.  Evidence is Everything. Everyday, bushite nazi grunts indiscriminately murder our loved family members for lawless mercenary forces to further rape America, and TV news crews couldn't care less for our forsaken lives if they tried.  Fight back for life, fight back for God.  We want Bush and Cheney arrested immediately without bail for closing criminal investigations on 911 immediately after the terrorist event of no questions occurring.  Be a man.

http://www.nytimes.com/2008/02/09/us/09gitmo.html?_r=3D1&hp&oref=3Dslogin

Or, CNN will smile while watching innocent people executed for The crimes of 911, solely on the fact that you were un-mercilessly tortured By Cofer Black.  Accept CNN's refusal to provide evidence to form America's Criminal conclusions, and you will be done for through self contempt.  Be a man, hunt to bill a bushite betrayer to God and America.  Support My demands for the facts to be presented through our media circles.

NOTE TO ALEX: George W. Bush, "The Puppet" is an Evil deciever.

[Again, the "Top Secret" Secret Service warrant was disclosed years ago, to let all Canadian officers KNOW, the true intent of the ungodly bushite enemy.]

/ / Here is what it further said in the warrant, that up until now was considered top secret.  (without the warrant staying secret, the darkness can't stand the light of scrutiny, and I would be freed from the restraints of a bogus warrant to go on shouting for TRUE Justice by DEMANDING the arrest, trial, and subsequent execution of those responsible for the crimes of nine/eleven - bush, rumsfeld, Ahmad, and condoleezza rice. With cheney and myers running a close second.)

[...]

ORDER

-snpd-

AND UPON being satisfied that the ends of justice would most probably be subverted by access to and disclosure of information filed in the Information to Obtain the Search Warrant filed in support of the application to prohibit access and disclosure;

[Good guy police officers might get the public recognition they deserve in other words right?]

the Search Warrant;

AND UPON being satisfied that access to and disclosure to information filed in support of the Search Warrant referred to above might be used for an improper purpose;

[getting back stolen VLT revenues you mean?]

AND UPON being satisfied that it would be in the best interests of the administration of justice that access to and disclosure of information filed in support of the application for the Search Warrant referred to above should be prohibited to the public;

[What?, don't want US public to know bush, rumsfeld, and condi committed nine/eleven with General Ahmad? Well, now I can see why all the hush hush.]

AND UPON being satisfied that access to and disclosure of information filed 'in support of the Search Warrant referred to above might well pose a substantial threat to the interests of effective law enforcement;

[following crimes scene leads at real murder scenes not good enough for our police agencies? - US people backing up ourselves with as something worth reckoning a better future with?]

AND UPON being satisfied that access to and disclosure of information filed in support of the Search Warrant referred to above would compromise the nature and extent of an ongoing investigation;

[Well, it's only been years now. Let US ask you, have YOU called the news desks of CBC or CNN, about bush's prior plan also? Are sandwich boards, posters, and placards, a police union willing to truly get behind as the untold Justice struggle for our suffering Humanity?]

AND UPON being satisfied that access to and disclosure of information filed in support of the Search Warrant referred to above could conceivably compromise the health interests of a person;

[What about the health concerns of the hundreds of thousands of innocent people bush has since ordered murdered, along with the millions of others who will suffer the consequences of radio-active contaminations for the next few eons?  National news coverage is not what I fear, I fear that no one on this lonely planet cares to hear the cries of my Humanity for mercy, or holds love for God as worth fighting for.

-snpd-

So, what now? Please don't leave ourselves undefended from the criminal dictums of the demon anti-Christ, Our Mr. bush Jr. Demon bush is not America, America is America. \ \

## GLORY OF THE CORPS - A Real Man Speaks for Freedom

The more good than bad Alex Jones says George Norry, (who has Alex on once every six months or a year to say the NWO can't be stopped, never mentioning liquefied iron flowing like water from the towers, Ahmad, or that bush and Cheney are bad guys for officially closing criminal investigations [obstruction]) is heroic, I say, George Norry is an enemy to all Humans being. Again, the demon knows of Ahmad, but FORBIDS American soldiers from understanding what a defender of America should know to defend ourselves Judicially for real freedom. Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that=12s the only way to blindly defeat terrorists.. (evil =3D good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence. Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives. Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade. He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that? See something here my friends behind these great works of wonder? Demand open communications regarding our demands for the arrest of those truly responsible for the crimes of mass murder in America on 911 back in New York city.

## These Be Commis

http://rss.nfowars.net/20080207_Thu_Alex.mp3

Hey Man!  Alex's guest, Larry Nichols, who claims to have MURDERED countless innocent American citizens, of which some he almost names!, he did simply for dope money paid to him by partners of President Clinton - Larry alleges.  !  It appears Larry here confesses to MURDERING innocent American women who it is claimed, were raped by President Clinton, just one victim among many other AMERICANS!!  [major problem here Peoples, because the woman mentioned was actually murdered as

Larry states, and breaking in her home Larry confesses to doing himself, but seems unlikely raped by Mr. Clinton, for why take such re-occurring risks as Clinton for expensive flings, when cheap whores come for a dime bag, never mind all the prostitutes.. without needing Larry risking in the room to clean up the goofed mess.. again, but perhaps /\/ the far gone criminally insane Clinton is someone we never knew, then attempted to change his evil ways for Larry through Christ - but - where's the evidence?] Truly foolish Larry and Alex claim, sTraNgLy, Bush is not a bad guy to get up into a huff about, to save American soldier's lives however, but =2E.ooohhh.. President Clinton is bad for ordering the murder of INNOCENT Americans Larry Nicols himself admits committing. We need someone to seriously call our cops here, perhaps Larry could.. Murder is still against the law. Bush too, CLEARLY, needs to go to trial for mass murder of thousands in New York City. No matter what Alex figures "Liberals" think. For, we all know what "Right wingers" think, not much... I challenge without question: "right wingers" are stupider in every respect if open debates are allotted a fair space to speak openly. Thus, Alex and the repuglicons state they want freedom, but not totally where weakness is trounced by wiser men with greater plans. Example: a person accused of a criminal offense without evidence is innocent. Bush is Guilty of treason, along with all the neocons responsible for lying to government.

The Man,

Johnny America

I am Challenging America to a Presidential Debate

Look, where is American supporters to demand a fair election? All in with the idiot libertarians who state all government is to be left un-accountable as bad themselves perhaps? Ask a libertarian, "are traffic lights an effective way to improve traffic congestion"? Or ask, =13did you know buying in bulk is cheaper=14? Then take in the hilarity of them flashing "tilt!", as the ball in play is drained from their game as loser'ing.

"He claims to be a follower of the Torah of Moses, but as far as I know the Torah prohibits oppression and prohibits injustice and prohibits stealing people=12s land and property."

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied?

Again, realize:  George Norry, the indisputable pro-child killer, forbids Americans to understand:  General Ahmad funded Atta.  And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons?  I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on...  Remember:  Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why? Their chauvinistically contemptible egos. For example: we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues. See? I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood. Or, one worth mentioning...

## War, What's It Good For?

Warning the Demon G. W. Bush was given personally:

/ / "The attack will be spectacular and designed to inflict mass casualties against U.S.  facilities or interests.  Attack preparations have been made.  Attack will occur with little or no warning." \ \

What did the demon do?  Didn't warn anyone, and went on vacation, but really, according to official documents dated of those days, worked top secretly on his invasion of Afghanistan plan with Rice, and Rumsfeld for Enron.  Pension thieves Enron.  Does George Norry, the pro-child killing censor of cries for Justice care?  You really think so?  Ian Punnet, the sick nazi phuk who states he's seen the loose change videos, but still believes the towers fell as a natural consequence of two planes missing WTC7 entirely..  you think he cares to see American teen soldiers sent to their deaths irrationally for the bounties of wealthy evil neocon zionist liars?  What does Art Bell care of INNOCENT Christians murdered by nazi israel for stolen loots paid for by the MADE uniformed tax paying American huckstered audience?  Coast to Coast "Hosts" will go happying, instead of US, the innocent forsaken they leave forbidden open communications.  Americans are understood by the entire human species, to be painfully ignorant as Chauvinistic know nothings, who rape and murder from our Humanity to benefit themselves dying from censorship, and look at where it's gotten everyone..  Bombing Our very own innocent families who dream of a better life for all though freedom, that only comes by the ways of Justice understood as measured. I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment.  A person accused of a criminal offense without any evidence is innocent.  And worth MY protection.  NewsCorped America is not qualified to lead any group committed to understanding why we have laws to serve ALL people equitably for freedom. Certainly, we all could easily learn this though, through lively trial and error by public debate, if we had an open mike policy on a national level to talk directly with these trying times at the best of our capabilities of listening.  I demand my calls for open debate against all neocon zionist enemies world wide be taken up seriously for the betterment of all peoples lives.

CIA hid torture tapes from 9/11 Commission
http://www.cageprisoners.com/articles.php?id=3D22947

Mark Mansfield of the CIA said in a statement quoted by AP that "The notion that the CIA wasn't cooperative or forthcoming with the 9/11 commission is just plain wrong. It is utterly without foundation" This is clearly absurd, as it is blatantly treasonous. "Without foundation?" Nobody minimally involved could form that conclusion, without bold faced lying. Likely done to get away selling more dope to American kids to get hooked up into life term prison sentences for slave labor camps. Guess what American politicians say IF ANYTHING? "requires further investigation." MARK MANSFIELD ADMITS TO DESTROYING EVIDENCE ON 911, AFTER BEING ASKED TO SUBMIT HUNDREDS OF HOURS OF ILLEGAL TORTURINGS OF INNOCENT PEOPLE TO DEATH FOR CONGRESS. TREASON WARRANTING DEATH ACCORDING TO REAGAN. But, who actually really cares in America for Freedom dying as bushite war monger tyranny anyway? In America, on their national radio program, the pro-child killer George Norry spews his poison almost everyday, and "Americans" can't even be bothered to lift their phones to speak in the defense of OUR forsaken families. No, "Americans" like to rob from God and Humanity by suggesting to murder people indiscriminately will benefit themselves in the long run as THIEVING LIARS. Not if Reapin' Johnny, has anything whatsoever to say about US and our love for God as Life. Get me on the Coast to Coast radio program to Host for open line communications, to start this, Justice Will Be Done for Freedoms held indivisible Issue. Al-Qaida =3D General Mahmoud Ahmad. God Rulez.

ISRAEL [THE UNGODLY] DOESN=12T GIVE A DAMN
http://desertpeace.wordpress.com/2008/01/22/israel-doesnt-give-a-damn/

Kill a bushite for America why don't you as Anyone?

"The killing of innocent civilians is policy," veteran Mike Blake said. "It's unit policy and it's Army policy. It's not official policy, but it's what's happens on the ground everyday. It's what unit commanders individually encourage." Not true. We have plenty of examples of official policy such as no cause whatsoever for the war period, and FOXNEWS. Then of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten" Russell. Or Sattler's, that ordered the indiscriminate murder of more than two hundred thousand INNOCENT people of Fallujah. As just one example of many. Billing bushite is saving Humanity from the actual, for real, antichrist forces of demonic evil mentioned in every Bible. Bill a bushite enemy of America, for a bushite is minimally a thief, a thief that wars the innocent of Humanity to help 'escape' the zionist neocons for the crimes of 911. Al-Qaida =3D General Mahmoud Ahmad. And there is a mountain of molted iron under where the towers fell. Die bushite die.

Well, a criminal willed the murder of another, and now it thinks it can't be arrested because it says for US to do so, would be anti-Jew. And no, I'm sure Johnny would word it in today's climate, arresting a murderer for murder. See? A true "Jewish State" would be one where all people were treated fairly, as the actions of a peoples who believed in God as holy an' righteous. Not thieving terrorists killing people to steal further from our good graces.

Good God Man

Coast to Coast radio hosts are traitors who forbid the American Patriot to know: General Ahmad funded Atta, and that we have video of iron flowing like water from the towers

The HPV vaccine is being used officially (according to official FDA documents) to kill American female children, and Americans refuse to hunt to bill happy George Norry for it. No, Americans murder their very own children to please the silence George Norry offers, as fictions to hide their cowardice to defend Christ and Man as their very own family dying criminally under continued mortal threat. While the pro-child killer george norry is happier than ever conning to kill more freedom in voiceless America. Support my call to host for open line communications. George Norry isn't qualified to silence our cries for Justice realized. Make the call, be a Human.

Again, CBC, CNN, and FOXNEWS with the coast to coast radio host celebs are enemies of God as the Human race. Reagan would have guaranteed, with his War Crimes Act, to have publicly executed Romney's buddy for the torture of innocent people Cofer Black freely confesses to have kidnapped. Yet, CNN whores America to ride on that torture is Reagan's best bud. Romney, who's demonically evil religion IS centered on Satan's temptations against Adam and Eve, forbids a belief that black people are not worthy the godly freedoms granted all sentient beings, all because Romney has magical 35 year old underwear it is waged. DUMB. No, CNN forbids such truth in dialog, but to say, a Ron Paul newsletter of near twenty years ago, suggests he hates blacks because the Federal Reserve is printing money for their own private profit at the loss of every American wage earner.. blahblahblah. Bushite are OPENLY selling tons of heroin, and cocaine, while bombing our communities indiscriminately. Not newsworthy. Gates has taken responsibility for dropping 47,500 lbs. of bombs in Baghdad to murder people indiscriminately in a city the bushite terrorist thieves OCCUPY as openly demonic. Gates will receive a death sentence by the will of US, as just another bush bitch zionist neocon war monger threatening Humanity with more indiscriminate murdering. P2OG - designed to KILL America with naked neocon terrorism disguised as "Patriotic". Remember: near none in the entire Bush administration has been ever elected, yet, they bomb the innocent with lies for "Democracy." [The Innocent is ourselves for you beginners out there...]

KILL ANY OR ALL LOYAL BUSHITE ENEMIES FOR THIS:

/ / The AMSI statement continued: "The bombing entirely targeted homes of residents in the area and resulted in the deaths of dozens of innocent civilians, including women, children, and elderly people, in addition to wounding a comparable number." "This dastardly crime clearly demonstrates to the whole world the ugliness of those who committed it," the statement went on. "It shows that they are totally unconcerned about people's lives and do not care for the honor and esteem accorded to human beings in all divinely inspired religions." \ \

/ / Nazario separated a young Iraqi, [around the age of 10] known as =13Number 2,=14 from the group and led him into a bedroom where he [as loyal bushite enemy] shot him with his rifle. \ \

Calling all Lawyers, Judges, and Police Officers

We shall track down every bushite charged under all military "Judges", and publicly try them for execution as: aiming to and murdering, innocent people - to thieve from US all for ungodly zionist necon LIARS. While American gun owners from any number of gun groups will bill any and all bushite who grunt their satanic disapproval of freedom as Justice for All. We shall bring the perpetrators of 911 to Justice before Man, bar none. God is Risen - die bushite die.

Orders given to the bushite child killers of Haditha:

"anything that moves you kill and don=12t take any prisoners."

Nazi bushite lawyer's surmisal to war criminal "mad dog" Mattis: "If the defense version of events is true, dismissal of the charge is justified." No, they would be just as assuredly guilty of aiming to and murdering innocent people as enemy of Life bushite do with bogus dumfukker excuses. Killing bushite is saying to God, you really care. A bushite is an enemy of America who wars innocent Humanity for the escape of the zionist neocons for 911. traitors are the bushite soldiers - to everyone.

/ / no evidence has been publicly released that implicates the young men of the 1st Squad, 3rd Platoon, Kilo Company, 3rd Battalion, 1st Marine Regiment in any criminal activity arising out of events of November 19, 2005. Indeed, as there is none that exists, let those who say otherwise prove it. \ \

"None". See? a total dumfukker who's religion is lie to GOD about murdering helpless children, because the event is over as transpired. Yet, Gun Owners of America, WILL UNDERSTAND, this demon enemy of Humanity tells US openly, he gets off on indiscriminately murdering innocent people like those too, who committed 911 by zionist excuses such as: "shoot first and ask questions [answered by Coast to Coast radio hosts, CNN and CBC only] later." Or, a made up bushite enemy's pronouncement titled, "Rules of Engagement", an "official" excuse given to bushite who willingly shoot innocent women and children in the back, all because we were running from an explosion. Will you not join Johnny America and kill every last bushite judge or jury breathing who agrees such murderous conduct doesn't warrant an immediate death sentence during war time against TRUE EVIL?

In the documentary, "Why We Fight", bushite bombers are interviewed, who knowingly bombed, easily, more than a thousand defenseless innocent people of Humanity indiscriminately downtown in Baghdad as precision first strikers. See them smile and laugh at knowing after the fact of understanding, they only murdered innocent families as their ungodly sadistic fetish, while lifeless CNN with FOXNEWS is letting them get away with murdering so many of US as Love forsaken, then ask yourself, do you feel lucky? punk? "See the bushite, kill the bushite", the Son of Man always says. Kill an ungodly bushite enemy, and be loved by God and Man as just an ordinary everyday run of the mill, True American Patriot Warrior aligned with Christ, the Greatest bushite biller of all time! Death to the bushite thieves who war for the traitor neocon liars, death to the Enemies Of Justice for God and Humanity. Evidence is Everything. Bushites are ignorant liars of evil.

' 'The "heroin lifers" are a group of prisoners, who were arrested under a Louisiana state law that mandates a life in prison without parole for the sale of any amount of heroin or possession with intent to sell.' ' How can Louisiana be so unjust to promote soldiers to push dope as bushite dumfuk losers, while addicting the citizens into private prisons for excepting the freebees?

Bushite push the dope, and American kids go to jail for Life in cowardice by the millions not hearing... Make the call, be a Human.

This is incredible for real - so incredible that I'M freaked out!

It's just crzy that a private company charges 24 cents for each ballot re-counted... just think about that for a second again.. Oh yeah, and there are no ballots, or records of such events actually occurring. Johnny calls for paper ballots without exceptions, along with immediate criminal investigations. And let's let me take open line calls on the coast to coast radio network of ideas for just causes. A fair vote for freedom sounds right to begin our speech as heard from for understanding - We demand paper ballots, along with the 911 perpetrators brought to Justice to end all wars by peaceful resolution for freedom to triumph over bad guy terrorists who lie like George Norry. American trivia: Did you know, there are nearing at 2,500,000 people in expensive prisons for private profit operations nation wide in the land of the free, and home of the brave? We gotta get a count of prisoners on life term prison stints for carrying the bushmob doper deals in a double cross, The "oops.. who me?" Top Secret Strategy - shhhh.. - the cia planes selling TONS of illegal dope, and Americans go to prison for being too weakly represented politically to defeat these criminals with just words. big bucks. We need an American People standing up for the defense of speaking freely, as a voice of universal liberation. With evidence as a prerequisite - we have near no critics of millions.. Why so great? We all could benefit by Justice enacted fairly actually ruling our strides towards a better future through international communications, where all peoples have rights equal as beings worthy the respect we deserve.. Yes, we are amazing. Can you hear me now? Could I convince yourself in investing in a worthwhile cause such as ours? Who knows how far this takes us into a better future where we respect ourselves as others. The freedom to be all you can be by not infringing on the rights of any other to do just the same. Now, you should give me a least some dollars for sharing that repeatedly with ourselves.. Do you have any idea on how great we are here my friends?? We could be all incredibly gifted if I do say so myself.. So how about it? Johnny for Presidential debate questioner, Nationally contesting the tally in Anytown USA - open for suggestions? What do you say pilgrim? Am I not Great?

Justice is Freedom

WE WANT our votes verified as fact.

This isn't about Ron Paul refusing to support a re-count to discover more than 0, ZERO, votes in one district, Bingo!, it is about YOU, as an American refusing to defend yourself from no measuring!, no measuring! what they will get away in blind tyranny as enslavement termed 'Freedom'. It is TRULY up to you to make a call to talk radio, it is truly coming down to You. Pick up our phones you bunch of good for somethings, and call for clarity on the justice is freedom angles. Johnny Wizard has come for diplomatic talks on the thorny issues that confront our storied days absent our found leadership. LOOK, the election body is not requesting fairness for the American voter, as rigged. WE WANT our votes verified as fact. It is not the realm of any private company to "own" the rights to deny us, me and you, public accountability as fairness to all parties - sworn in. Representative Democracy. Doubtless Dealings for Dummies Doubting. We DEMAND: paper ballots.

Uphold Lawman Johnny for any paid Public position, for, I'm hungry for making a worth out of living. Otherwise, I'm going to have to leave for other matters of survival. If you spot me some change, I'll give you a thanks, and, it'll be just like you own shares. No special favors, but, I might just return your investment plus interest. So, join in with Johnny, and spot me some cash family. It'll go towards a good cause, us. Think of these words of art worth a dollar or two of your time here living. As for you BILLIONIARE bankers out there... buddies.. Help me up kids, your old man here is in need of some assistance in the form of a desperate cash infusion.

Why We Fight

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now." (seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida =3D General Mahmoud Ahmad. Bush, "The Puppet", needs to be executed for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News

Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

(EXAMPLE: So what? that BILLIONAIRE Mitt publicly supports torturing innocent people to death without Lawyers for our Judgment with his nazi bum chum traitor Cofer Black?. Not CNN newsworthy as a defense for the People of America. Or how about that Black People can't be Bishops as a moron Mormon?)

Soldiers of Ummah - unite US all to defend America from the evil bushite thieving liars - the enemies of Justice, the enemies of Life. Bill a bushite grunt to save innocent lives, and in that process, be truly loved by mankind through Peace.

King of Earth - Son to God. For a true Jew, as God wills through Law, loves all People to be free to live for happiness: be We Catholic, Hindu, or Atheist. Zionists of today, all abled men bill for Justice to defend our innocent lives, for, they as Satanic liars steal from US as the ungodly. Real Jews don't murder innocent people to steal their rights to Life for money. Nothing worse than a Zionist nazi "jew" with money they never earned, but stole in the names of the suffering Peoples. We, the Jew of Jews now kill 'lawless' bushite daily for the pleasures of all Humanity. Something Crazy Here

/ / Pakistan President General Pervez Musharraf has disclosed that Omar Sheikh, who kidnapped and murdered American journalist Daniel Pearl and is now facing death penalty, was actually the British secret Agency MI6 \ \ Mr Zubair was the lead investigator - Omar Sheikh was reported executed,

[JUST BEFORE BEING MURDERED] BBC had censored Bhutto's remarks in which she claimed that Omar Sheikh had murdered Osama bin Laden several years ago. - Man, imagine if she were questioned on what info she had based her conclusion, and had had the story that the BBC wouldn't have reported either. Again, CBC, CNN et al., are traitors pretending to be open for communicating the facts. just like the pro-child killer traitor George Norry, Ian Punnet, and the evil Art Bell.

A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. Easier approach to getting officially "started", is if we consider the unmovable anchor issues as outstanding regarding the 911 questions ever yet, publicly stated in regards to how the event actually went down. Remember: Bush and Cheney worked diligently, directly after the terror trifecta occurring, to close current police investigations regarding the case of mass murder in Johnny's New York City. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. ## The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blaming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

## Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

## Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology,

We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU

refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. 911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like

all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

/ / Why did the Army, within three hours, return to tell neighbors that this was the work of "insurgents" apparently without any investigation? \ \

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a
justification.

3. Also, that mercury tainted vaccines are deadly stupid.
Mercury is scientifically understood, without question, (no
doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying
lives my friend. Please? Make the call, be a man to defend
our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

Be a Man, Take a Stand

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Life thanks all honorable men who Bill on sight, the bushite God betrayers who bomb people in Iraq indiscriminately to please the neocon zionist enemies responsible personally for the crimes of 911. To save the lives of innocent families is the result of killing a 'lawless' bushite that has no care to defend America in war time. They war for the antichrist enemy of Humanity, to torture and thieve, as enemies to Justice is as freedom to be. Be a man, take a stand.

Reagan "Our government has no power, except that granted it, by the People."

/ / He ordered Sergeant Vela to fire, and Sergeant Vela complied immediately, Sergeant Hensley said. \ \ SEE? The enemy bushite is an enemy of every innocent man, woman, and child of Earth. The Son of Man begs you to Bill the bushite to defend our GOD.

See?, demons exist!

More settlers videos: "We killed Jesus, we are proud of it!"
http://www.uruknet.de/?p=3Dm30420&hd=3D&size=3D1&l=3De

Now, see.. wouldn't YOU hate those that hate GOD as ourselves? No, AMERICA is GIVING these NAZI monsters MORE billions in 'free' cash to murder and thieve more from Creation. Just like an ungodly bushite does, when it murders for blind obedience to the unelected zionist neocons who truly committed 911.

## The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives.  Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die.  Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida =3D General Mahmoud Ahmad, and we have video of iron flowing like water from the towers.  Evidence is Everything. Everyday, bushite nazi grunts indiscriminately murder our loved family members for lawless mercenary forces to further rape America, and TV news crews couldn't care less for our forsaken lives if they tried.  Fight back for life, fight back for God.  We want Bush and Cheney arrested immediately without bail for closing criminal investigations on 911 immediately after the terrorist event of no questions occurring.  Be a man.

http://www.nytimes.com/2008/02/09/us/09gitmo.html?_r=3D1&hp&oref=3Dslogin

Or, CNN will smile while watching innocent people executed for The crimes of 911, solely on the fact that you were un-mercilessly tortured By Cofer Black. Accept CNN's refusal to provide evidence to form America's Criminal conclusions, and you will be done for through self contempt. Be a man, hunt to bill a bushite betrayer to God and America. Support My demands for the facts to be presented through our media circles.

"the Pentagon is seeking executions of innocent torture victims who allege they did every last terrorist act of the last 50 years" This "The Pentagon" person must be tried publicly for execution. ANY politician, soldier, or cop who disagrees will by hunted by US, the surviving Human species, Death to the bushite, death to the enemies of GOD as Justice.

GLORY OF THE CORPS - A Real Man Speaks for Freedom

The more good than bad Alex Jones says George Norry, (who has Alex on once every six months or a year to say the NWO can't be stopped, never mentioning liquefied iron flowing like water from the towers, Ahmad, or that bush and Cheney are bad guys for officially closing criminal investigations [obstruction]) is heroic, I say, George Norry is an enemy to all Humans being. Again, the demon knows of Ahmad, but FORBIDS American soldiers from understanding what a defender of America should know to defend ourselves Judicially for real freedom. Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding. But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15? George Norry didn't ask.. Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that's the only way to blindly defeat terrorists.. (evil =3D good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence.  Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives.  Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade.  He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that?  See something here my friends behind these great words of wonder?  Demand open communications regarding our demands for the arrest of those truly responsible for the crimes of mass murder in America on 911 back in New York city.

These Be Commis

http://rss.nfowars.net/20080207_Thu_Alex.mp3

Hey Man!  Alex's guest, Larry Nichols, who claims to have MURDERED countless innocent American citizens, of which some he almost names!, he did simply for dope money paid to him by partners of President Clinton - Larry alleges.  !  It appears Larry here confesses to MURDERING innocent American women who it is claimed, were raped by President Clinton, just one victim among many other AMERICANS!!  [major problem here Peoples, because the woman mentioned was actually murdered as Larry states, and breaking in her home Larry confesses to doing himself, but seems unlikely raped by Mr.  Clinton, for why take such re-occurring risks as Clinton for expensive flings, when cheap whores come for a dime bag, never mind all the prostitutes..  without needing Larry risking in the room to clean up the goofed mess..  again, but perhaps /\/ the far gone criminally insane Clinton is someone we never knew, then attempted to change his evil ways for Larry through Christ - but - where's the evidence?] Truly foolish Larry and Alex claim, sTraNgLy, Bush is not a bad guy to get up into a huff about, to save American soldier's lives however, but =2E.ooohhh.. President Clinton is bad for ordering the murder of INNOCENT Americans Larry Nicols himself admits committing. We need someone to seriously call our cops here, perhaps Larry could.. Murder is still against the law. Bush too, CLEARLY, needs to go to trial for mass murder of thousands in New York City. No matter what Alex figures "Liberals" think. For, we all know what "Right wingers" think, not much... I challenge without question: "right wingers" are stupider in every respect if open debates are allotted a fair space to speak openly. Thus, Alex and the repuglicons state they want freedom, but not totally where weakness is trounced by wiser men with greater plans. Example: a person accused of a criminal offense without evidence is innocent. Bush is Guilty of treason, along with all the neocons responsible for lying to government.

Ask a libertarian, "are traffic lights an effective way to improve traffic congestion"? Or ask, "did you know buying in bulk is cheaper"? Then take in the hilarity of them flashing "tilt!", as the ball in play is drained from their game as loser'ing.

"He claims to be a follower of the Torah of Moses, but as far as I know the Torah prohibits oppression and prohibits injustice and prohibits stealing people=12s land and property."

Again, demonic zionists are ENEMIES of the Jewish faith. They lie to cheat at murder for money. Money paid for by American tax payers to murder innocent Christians, Jews, and Arabs. The pictures of zionist offspring, signing their nazi family name to cluster dud land mines, were FIRST used against Jewish northern communities in Lebanon! Not CNN newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied?

Again, realize:  George Norry, the indisputable pro-child killer, forbids Americans to understand:  General Ahmad funded Atta.  And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons?  I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on...  Remember:  Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why?  Their chauvinistically contemptible egos. For example:  we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues.  See? CIA hid torture tapes from 9/11 Commission
http://www.cageprisoners.com/articles.php?id=3D22947

Mark Mansfield of the CIA said in a statement quoted by AP that "The notion that the CIA wasn't cooperative or forthcoming with the 9/11 commission is just plain wrong.  It is utterly without foundation" This is clearly absurd, as it is blatantly treasonous.  "Without foundation?" Nobody minimally involved could form that conclusion, without bold faced lying.  Likely done to get away selling more dope to American kids to get hooked up into life term prison sentences for slave labor camps.  Guess what American politicians say IF ANYTHING?  "requires further investigation." MARK MANSFIELD ADMITS TO DESTROYING EVIDENCE ON 911, AFTER BEING ASKED TO SUBMIT HUNDREDS OF HOURS OF ILLEGAL TORTURINGS OF INNOCENT PEOPLE TO DEATH FOR CONGRESS.  TREASON WARRANTING DEATH ACCORDING TO REAGAN.  But, who actually really cares in America for Freedom dying as bushite war monger tyranny anyway?  In America, on their national radio program, the pro-child killer George Norry spews his poison almost everyday, and "Americans" can't even be bothered to lift their phones to speak in the defense of OUR forsaken families.  No, "Americans" like to rob from God and Humanity by suggesting to murder people indiscriminately will benefit themselves in the long run as THIEVING LIARS.  Not if Reapin' Johnny, has anything whatsoever to say about US and our love for God as Life.  Get me on the Coast to Coast radio program to Host for open line communications, to start this, Justice Will Be Done for Freedoms held indivisible Issue.  Al-Qaida =3D General Mahmoud Ahmad. ISRAEL [THE UNGODLY] DOESN=12T GIVE A DAMN http://desertpeace.wordpress.com/2008/01/22/israel-doesnt-give-a-damn/

Kill a bushite for America why don't you as Anyone?

"The killing of innocent civilians is policy," veteran Mike
Blake said. "It's unit policy and it's Army policy. It's not
official policy, but it's what's happens on the ground
everyday. It's what unit commanders individually encourage."
Not true. We have plenty of examples of official policy such
as no cause whatsoever for the war period, and FOXNEWS. Then
of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten"
Russell. Or Sattler's, that ordered the indiscriminate murder
of more than two hundred thousand INNOCENT people of Fallujah.
As just one example of many. Billing bushite is saving
Humanity from the actual, for real, antichrist forces of
demonic evil mentioned in every Bible. Bill a bushite enemy
of America, for a bushite is minimally a thief, a thief that
wars the innocent of Humanity to help 'escape' the zionist
neocons for the crimes of 911. Al-Qaida =3D General Mahmoud

Well, a criminal willed the murder of another, and now it
thinks it can't be arrested because it says for US to do so,
would be anti-Jew. And no, I'm sure Johnny would word it in
today's climate, arresting a murderer for murder. See? A

holy an' righteous. Not thieving terrorists killing people to

Again, CBC, CNN, and FOXNEWS with the coast to coast radio host celebs are enemies of God as the Human race. Reagan would have guaranteed, with his War Crimes Act, to have publicly executed Romney's buddy for the torture of innocent people Cofer Black freely confesses to have kidnapped. Yet, CNN whores America to ride on that torture is Reagan's best bud. Romney, who's demonically evil religion IS centered on Satan's temptations against Adam and Eve, forbids a belief that black people are not worthy the godly freedoms granted all sentient beings, all because Romney has magical 35 year old underwear it is waged. DUMB. No, CNN forbids such truth in dialog, but to say, a Ron Paul newsletter of near twenty years ago, suggests he hates blacks because the Federal Reserve is printing money for their own private profit at the loss of every American wage earner.. blahblahblah. Bushite are OPENLY selling tons of heroin, and cocaine, while bombing our communities indiscriminately. Not newsworthy. Gates has taken responsibility for dropping 47,500 lbs. of bombs in Baghdad to murder people indiscriminately in a city the bushite terrorist thieves OCCUPY as openly demonic. Gates will receive a death sentence by the will of US, as just another bush bitch zionist neocon war monger threatening Humanity with more indiscriminate murdering. P2OG - designed to KILL America with naked neocon terrorism disguised as "Patriotic". Remember: near none in the entire Bush administration has been ever elected, yet, they bomb the innocent with lies for "Democracy." [The Innocent is ourselves for you beginners out there...]

KILL ANY OR ALL LOYAL BUSHITE ENEMIES FOR THIS:

/ / The AMSI statement continued: "The bombing entirely targeted homes of residents in the area and resulted in the deaths of dozens of innocent civilians, including women, children, and elderly people, in addition to wounding a comparable number." We shall track down every bushite charged under all military "Judges", and publicly try them for execution as: aiming to and murdering, innocent people - to thieve from US all for ungodly zionist necon LIARS. While American gun owners from any number of gun groups will bill any and all bushite who grunt their satanic disapproval of freedom as Justice for All. We shall bring the perpetrators of 911 to Justice before Man, bar none. God is Risen - die bushite die.

Orders given to the bushite child killers of Haditha:

"anything that moves you kill and don't take any prisoners."

Nazi bushite lawyer's surmisal to war criminal "mad dog" Mattis: "If the defense version of events is true, dismissal of the charge is justified." No, they would be just as assuredly guilty of aiming to and murdering innocent people as enemy of Life bushite do with bogus dumfukker excuses. Killing bushite is saying to God, you really care. A bushite is an enemy of America who wars innocent Humanity for the escape of the zionist neocons for 911. traitors are the bushite soldiers - to everyone.

/ / no evidence has been publicly released that implicates the young men of the 1st Squad, 3rd Platoon, Kilo Company, 3rd Battalion, 1st Marine Regiment in any criminal activity arising out of events of November 19, 2005. Indeed, as there is none that exists, let those who say otherwise prove it. \ \

"None". See? a total dumfukker who's religion is lie to GOD about murdering helpless children, because the event is over as transpired. Yet, Gun Owners of America, WILL UNDERSTAND, this demon enemy of Humanity tells US openly, he gets off on indiscriminately murdering innocent people like those too, who committed 911 by zionist excuses such as: "shoot first and ask questions [answered by Coast to Coast radio hosts, CNN and CBC only] later." Or, a made up bushite enemy's pronouncement titled, "Rules of Engagement", an "official" excuse given to bushite who willingly shoot innocent women and children in the back, all because we were running from an explosion. Will you not join Johnny America and kill every last bushite judge or jury breathing who agrees such murderous conduct doesn't warrant an immediate death sentence during war time against TRUE EVIL?

In the documentary, "Why We Fight", bushite bombers are interviewed, who knowingly bombed, easily, more than a thousand defenseless innocent people of Humanity indiscriminately downtown in Baghdad as precision first strikers. See them smile and laugh at knowing after the fact of understanding, they only murdered innocent families as their ungodly sadistic fetish, while lifeless CNN with FOXNEWS is letting them get away with murdering so many of US as Love forsaken, then ask yourself, do you feel lucky? punk? "See the bushite, kill the bushite", the Son of Man always says. Kill an ungodly bushite enemy, and be loved by God and Man as just an ordinary everyday run of the mill, True American Patriot Warrior aligned with Christ, the Greatest bushite biller of all time! Death to the bushite thieves who war for the traitor neocon liars, death to the Enemies Of Justice for God and Humanity. Evidence is Everything. Bushites are ignorant liars of evil.

Why We Fight

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now." (seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man.

Al-Qaida =3D General Mahmoud Ahmad. Bush, "The Puppet", needs to be executed for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News
http://abcnews.go.com/US/story?id=3D92662

/ / In the early 1960s, America's top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in U.S. cities to create public support for a war against Cuba. \ \ And Proud Vietnam Vets are TRUE fascist cowards, who'd kill our Families for stolen riches given to billionaire war mongers who, to this day, bask in our stolen lives living in Mansions, while homeless vets eat their own shit and die, worthless to the struggles against tyranny for God. Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

(EXAMPLE: So what? that BILLIONAIRE Mitt publicly supports torturing innocent people to death without Lawyers for our Judgment with his nazi bum chum traitor Cofer Black?. Not CNN newsworthy as a defense for the People of America. Or how about that Black People can't be Bishops as a moron Mormon?)

Soldiers of Ummah - unite US all to defend America from the evil bushite thieving liars - the enemies of Justice, the enemies of Life. Bill a bushite grunt to save innocent lives, and in that process, be truly loved by mankind through Peace.

We were asking for a re-count before the count was even measured. If mathematically, 2 plus 1 doesn't equal 3, we are doomed. Zionists of today, all abled men bill for Justice to defend our innocent lives, for, they as Satanic liars steal from US as the ungodly. Real Jews don't murder innocent people to steal their rights to Life for money. Nothing worse than a Zionist nazi "jew" with money they never earned, but stole in the names of the suffering Peoples. Something Crazy Here

/ / Pakistan President General Pervez Musharraf has disclosed that Omar Sheikh, who kidnapped and murdered American journalist Daniel Pearl and is now facing death penalty, was actually the British secret Agency MI6 \ \ Mr Zubair was the lead investigator - Omar Sheikh was reported executed,

[JUST BEFORE BEING MURDERED] BBC had censored Bhutto's remarks in which she claimed that Omar Sheikh had murdered Osama bin Laden several years ago. - Man, imagine if she were questioned on what info she had based her conclusion, and had had the story that the BBC wouldn't have reported either.

Again, CBC, CNN et al., are traitors pretending to be open for communicating the facts. just like the pro-child killer traitor George Norry, Ian Punnet, and the evil Art Bell.

/ / Daniel Pearl was kidnapped in Karachi in 2002 and beheaded by Al Qaeda's number three, Khalid Sheikh Mohammed. Mr Zubair was the lead investigator \ \

A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. Again, even if bush were "just a puppet, just a puppet!!", his criminal action would just as assuredly, warrant his immediate arrest for high treason. Ask any Judge. then a Jury for Your verdict on the entire criminal spectacle of mass murderers escaping the Justice of a New America.

ABCNEWS.com : FBI Called off Terror Investigations

`You Will Not Open Criminal Investigations'

George W. Bush "A country that hides something, is a country that is a.. afraid of being caught."

These naked LIAR enemies who bank to thieve more from Iraq, Afghanistan and America, must be brought down by Humanity's ultimate triumph over tyranny through Law. A just law, where those accused without any evidence are Innocent, and WORTHY yOur defenses.

'A military judge ruled last week that Watada cannot base his defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime? It isn't only high treason against America the ungodly bushite are guilty of, but of a madness held by those truly Satanic..

Easier approach to getting officially "started", is if we consider the unmovable anchor issues as outstanding regarding the 911 questions ever yet, publicly stated in regards to how the event actually went down. Remember: Bush and Cheney worked diligently, directly after the terror trifecta occurring, to close current police investigations regarding the case of mass murder in Johnny's New York City. Suspicious? you say no, treason that is!, the treason of naked blind tyranny against freedom to be ourselves.

Pick up a phone and call someone to care about this sacrifice of liberty to tyranny for the Bushmob version of 'paradise' by FEMA. We want accountability. Arrests most specifically. Listen, I want to participate in the Presidential Debates. Get me in there.. come on.. I'm taking over the World. John Brain's the name, and fooling the game. Who's in? You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

## The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blaming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life?

## A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

## Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of neutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

## Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

## Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious.

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=3Dm9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

The Ground Truth
http://www.informationclearinghouse.info/article15319.htm

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond words. While CNN, CBC, and FOXNEWS couldn't care less for those children love by our Humanity. Get me in the news my brothers and sisters, and I'll make the best of it. Just do it. Fear not for my life loves, fear for your life left to silently die in contempt of Yourself.

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

Supporters of Evil

/ / Withdraw your support entirely from those who perpetrate and make excuses for evil. \ \

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have

never failed for defense, but, for the treasonous actions of a
Bill O'Really, who recently reported internationally that the
majority of Americans support torture, because it means....
blahblahblah -- Bill Bill. For, it warrants the death
sentence in America. Still. Bushite are the enemies of US
all my friends, enemies of US all.

Look, there is no evidence.. .. ! So, they can not truly believe their therefore false allegations. But as demonic liars, they intend to murder the innocent as enemies to G-D to thieve further from our precious resources. All because Americans refuse to demand open challenge through international debate with Johnny against neoconner TRAITOR George Norry. Again, no soldiers appose me publicly speaking, Look for yourself. While George is all into murdering innocent children for cash profit, knowing honorable but deeply ignorant American teen soldiers WILL die as evil doers in collateral for HIS personal contempt. George Norry is a traitor to freedom to be a Patriot American. Death to the neocon GOD betrayers who con to escape the war criminals responsible for 911 through the censorship of our voices for accountability. Death to the bushite, death to the enemies of Man. Death to the torturers of innocent people, death to the enemies of Christ in America. Thank you to the fathers, brothers, and sons who have helped die off more than a hundred and fifty per week as 'suicides'. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. Please, bill a bushite like "mad dog" Mattis to save an America where innocents are defended from the enemies of Justice. The enemies of God. Hey! without evidence, we all could be down for abuse as innocent doers for evil Bush.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness.

"...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology,

We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

"Al-Qaida" =3D "General Mahmoud Ahmad"

Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. 911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

"Are we Man or

We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

/ / KBR's Tiger Team stayed at the five-star Kuwait Kempinski Hotel, where its members ran up a bill of more than $1 million. This outraged the army, whose troops were sleeping in tents at a cost of $1.39 a day. The army asked the Tiger Team to move into tents. It refused. \ \

See? KBR is now privately running hospital care for the dumfuk grunts, so, what would you expect but rat infestations? Oh, you never truly thought... what being a "Liberal" or

"Conservative" victim is. Are you pro Liberty, or pro tyranny is the question riddled really.

/ / Wash. Post parroted White House claim that Iraq war was authorized by U.N. Security Council \ \

Seriously, the propagandists responsible, need to REALLY, be put to death after found out through US public court proceeding. NO ONE would disagree that Iraq is a war crime, where more than a MILLION INNOCENT PEOPLE have been raped, tortured, or murdered by dumfuk bushite grunts. If YOU actually think about it, all of everyone would gladly kill an unholy bushite terrorist, before allowing it to murder families running for our lives as loving Church goers.

Death to our Enemies

My friends, People are dying because the, Israel=3DJew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings.

REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all

19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

McCain speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED.

-

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children,

-

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

Be a Man, Take a Stand

'47,500 lbs. of bombs were dropped by bushite on innocent people'

Life thanks all honorable men who Bill on sight, the bushite God betrayers who bomb people in Iraq indiscriminately to please the neocon zionist enemies responsible personally for the crimes of 911. To save the lives of innocent families is the result of killing a 'lawless' bushite that has no care to defend America in war time. They war for the antichrist enemy of Humanity, to torture and thieve, as enemies to Justice is as freedom to be. Be a man, take a stand.

Reagan "Our government has no power, except that granted it, by the People."

/ / He ordered Sergeant Vela to fire, and Sergeant Vela complied immediately, Sergeant Hensley said. \ \ SEE? The enemy bushite is an enemy of every innocent man, woman, and child of Earth. The Son of Man begs you to Bill the bushite to defend our GOD.

See?, demons exist!

Now, see.. wouldn't YOU hate those that hate GOD as ourselves? No, AMERICA is GIVING these NAZI monsters MORE billions in 'free' cash to murder and thieve more from Creation. Just like an ungodly bushite does, when it murders for blind obedience to the unelected zionist neocons who truly committed 911.

## The Corporate Bush Whores

The Corporate Bush whores, who lie to die our naive sons and daughters for stolen profits given to those personally who committed 911 must pay with public trials for their contempt of the value of our forsaken lives.  Those in the air force responsible for indiscriminate bombings to murder our innocent families, and those that torture innocent people to death, must be tracked down by every living Man, and executed through public trial for a love as God that will never die.  Death to the bushite liars, death to the enemies of Justice for any. Al-Qaida =3D General Mahmoud Ahmad, and we have video of iron flowing like water from the towers.  Evidence is Everything. Everyday, bushite nazi grunts indiscriminately murder our loved family members for lawless mercenary forces to further rape America, and TV news crews couldn't care less for our forsaken lives if they tried.  Fight back for life, fight back for God.  We want Bush and Cheney arrested immediately without bail for closing criminal investigations on 911 immediately after the terrorist event of no questions occurring.  Be a man.

http://www.nytimes.com/2008/02/09/us/09gitmo.html?_r=3D1&hp&oref=3Dslogin

Or, CNN will smile while watching innocent people executed for The crimes of 911, solely on the fact that you were un-mercilessly tortured By Cofer Black.  Accept CNN's refusal to provide evidence to form America's Criminal conclusions, and you will be done for through self contempt.  Be a man, hunt to bill a bushite betrayer to God and America.  Support My demands for the facts to be presented through our media circles.

"the Pentagon is seeking executions of innocent torture victims who allege they did every last terrorist act of the last 50 years" This "The Pentagon" person must be tried publicly for execution. ANY politician, soldier, or cop who disagrees will by hunted by US, the surviving Human species, Death to the bushite, death to the enemies of GOD as Justice.

GLORY OF THE CORPS - A Real Man Speaks for Freedom

The more good than bad Alex Jones says George Norry, (who has Alex on once every six months or a year to say the NWO can't be stopped, never mentioning liquefied iron flowing like water from the towers, Ahmad, or that bush and Cheney are bad guys for officially closing criminal investigations [obstruction]) is heroic, I say, George Norry is an enemy to all Humans being.  Again, the demon knows of Ahmad, but FORBIDS American soldiers from understanding what a defender of America should know to defend ourselves Judicially for real freedom.  Coast to Coast hosts wont take our calls, but they did take several demons on Wednesday, one in particular who figured he could be a "god" too, by supporting the indiscriminate murder of Iraqis to defend the evil zionist neocons in hiding.  But, what did GOD in Iraq have to do with the bushite responsible for the DEATHS of 911?, or the DEATHS of all Arabs in around the naive age of 15?  George Norry didn't ask..  Another demon witch allowed on our air said at great lengths, she appreciated that the demon antichrist Bush lies continuously to dying soldiers because that's the only way to blindly defeat terrorists.. (evil =3D good) George speaks nothing but happy silences in trusting warmly with dying US all for ignorance as belligerent criminal negligence.  Again, the demon enemy of God refuses US to open communications on any relevant subject involving the sacrifice of American lives.  Staying happy, he figures that's all it will ever take to defeat Americans lost in doubt on his contempt for all Peoples lives, is to simply forbid knowledge from escaping his charade.  He told US previously, he'd go ballistic against any soldier who refused a criminal order. So, when marines are asked, as reported, if they'd murder their own parents without reason for the glory of the Corps., would George Norry shoot "them" as traitors for asking simply now why would WE do that?  See something here my friends behind these great words of wonder?  Demand open communications regarding our demands for the arrest of those truly responsible for the crimes of mass murder in America on 911 back in New York city.

Alex's guest, Larry Nichols, who claims to have MURDERED countless innocent American citizens, of which some he almost names!, he did simply for dope money paid to him by partners of President Clinton - Larry alleges.  !  It appears Larry here confesses to MURDERING innocent American women who it is claimed, were raped by President Clinton, just one victim among many other AMERICANS!!  [major problem here Peoples, because the woman mentioned was actually murdered as Larry states, and breaking in her home Larry confesses to doing himself, but seems unlikely raped by Mr.  Clinton, for why take such re-occurring risks as Clinton for expensive flings, when cheap whores come for a dime bag, never mind all the prostitutes..  without needing Larry risking in the room to clean up the goofed mess..  again, but perhaps /\/ the far gone criminally insane Clinton is someone we never knew, then attempted to change his evil ways for Larry through Christ - but - where's the evidence?] Truly foolish Larry and Alex claim, sTraNgLy, Bush is not a bad guy to get up into a huff about, to save American soldier's lives however, but =2E.ooohhh..  President Clinton is bad for ordering the murder of INNOCENT Americans Larry Nicols himself admits committing. We need someone to seriously call our cops here, perhaps Larry could..  Murder is still against the law.  Bush too, CLEARLY, needs to go to trial for mass murder of thousands in New York City.  No matter what Alex figures "Liberals" think.  For, we all know what "Right wingers" think, not much...  I challenge without question:  "right wingers" are stupider in every respect if open debates are allotted a fair space to speak openly.  Thus, Alex and the repuglicons state they want freedom, but not totally where weakness is trounced by wiser men with greater plans. Example: a person accused of a criminal offense without evidence is innocent. Bush is Guilty of treason, along with all the neocons responsible for lying to government.

Look, where is American supporters to demand a fair election? All in with the idiot libertarians who state all government is to be left un-accountable as bad themselves perhaps? Ask a libertarian, "are traffic lights an effective way to improve traffic congestion"? Or ask, "did you know buying in bulk is cheaper"? Then take in the hilarity of them flashing "tilt!", as the ball in play is drained from their game as loser'ing.

"He claims to be a follower of the Torah of Moses, but as
far as I know the Torah prohibits oppression and prohibits
injustice and prohibits stealing people=12s land and property."

Again, demonic zionists are ENEMIES of the Jewish faith.
They lie to cheat at murder for money. Money paid for by
American tax payers to murder innocent Christians, Jews, and
Arabs. The pictures of zionist offspring, signing their nazi
family name to cluster dud land mines, were FIRST used
against Jewish northern communities in Lebanon! Not CNN

newsworthy.. Why? Because Condi, unelected demon witch, sent herself, SEVEN MILLION land mines to be strewn over 170 towns and villages to murder OUR children indiscriminately for decades. Sent after a truce had been called, and an end to the zionist nazi conflict was at hand. CNN, CBC, and FOXNEWS crews are not working to defend our interests as God's, but to support zionist censorship on mass murder committed by the ungodly bushmob demon liars. Bill a bushite terrorist for freedom to be America. Bushite bomb our families indiscriminately, while claiming as traitors to LIFE, BlackWater is 'lawless' to rape America further without defensive Judicial reaction. Do you think bush bitch George Norry will allow Your America to understand this as important? Will you willingly go to die as crime victim for the still happying as wealthly, George Norry?, or will you speak in defense of your own world left denied?

Again, realize:  George Norry, the indisputable pro-child killer, forbids Americans to understand:  General Ahmad funded Atta.  And that iron flowing like water on video tape exists. The demon states the antichrist ["not Bush", the demon lying capital false accuser, who immediately closed outstanding criminal investigations on 911 while claiming to be a Christian, and all those who appose with independent thought, evil terrorists] is actually the guy who states he's of GOD! Where demons?  I, The son of Man, CREATOR, demand America prove their great love for Freedom, a "truth" they promote as practiced, to continue hiding the lies committed by treasonous neocons responsible for 911, and so on...  Remember:  Coast to Coast hosts don't mention no specific individuals responsible for the terrorist acts of 911 learned from official investigations done by the honorable in the FBI, and a great many others, no, why?  Their chauvinistically contemptible egos. For example:  we're hugely more wise on health care, and they'd rather DIE AMERICA, before allowing us to speak in challenge to their irrationalisms, that truly cost everyone more money by staying dumb on the issues.  See?  I support open debate, while national bushite broadcasters boast of happy times to see US suffer for more pled ignorance hiding sadists, like the coast to coast radio host, George Norry, who's into murdering innocent people in war for no better good, or reason understood.  Or, one worth mentioning...

Ian Punnet, the sick nazi phuk who states he's seen the loose change videos, but still believes the towers fell as a natural consequence of two planes missing WTC7 entirely.. you think he cares to see American teen soldiers sent to their deaths irrationally for the bounties of wealthy evil neocon zionist liars? What does Art Bell care of INNOCENT Christians murdered by nazi israel for stolen loots paid for by the MADE uniformed tax paying American huckstered audience? Coast to Coast "Hosts" will go happying, instead of US, the innocent forsaken they leave forbidden open communications. Americans are understood by the entire human species, to be painfully ignorant as Chauvinistic know nothings, who rape and murder from our Humanity to benefit themselves dying from censorship, and look at where it's gotten everyone.. Bombing Our very own innocent families who dream of a better life for all though freedom, that only comes by the ways of Justice understood as measured. I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. And worth MY protection. NewsCorped America is not qualified to lead any group committed to understanding why we have laws to serve ALL people equitably for freedom. Certainly, we all could easily learn this though, through lively trial and error by public debate, if we had an open mike policy on a national level to talk directly with these trying times at the best of our capabilities of listening. I demand my calls for open debate against all neocon zionist enemies world wide be taken up seriously for the betterment of all peoples lives.

CIA hid torture tapes from 9/11 Commission
http://www.cageprisoners.com/articles.php?id=3D22947

Mark Mansfield of the CIA said in a statement quoted by AP that "The notion that the CIA wasn't cooperative or forthcoming with the 9/11 commission is just plain wrong. It is utterly without foundation" This is clearly absurd, as it is blatantly treasonous. "Without foundation?" Nobody minimally involved could form that conclusion, without bold faced lying. Likely done to get away selling more dope to American kids to get hooked up into life term prison sentences for slave labor camps. Guess what American politicians say IF ANYTHING? "requires further investigation." MARK MANSFIELD ADMITS TO DESTROYING EVIDENCE ON 911, AFTER BEING ASKED TO SUBMIT HUNDREDS OF HOURS OF ILLEGAL TORTURINGS OF INNOCENT PEOPLE TO DEATH FOR CONGRESS. TREASON WARRANTING DEATH ACCORDING TO REAGAN. But, who actually really cares in America for Freedom dying as bushite war monger tyranny anyway? In America, on their national radio program, the pro-child killer George Norry spews his poison almost everyday, and "Americans" can't even be bothered to lift their phones to speak in the defense of OUR forsaken families. No, "Americans" like to rob from God and Humanity by suggesting to murder people indiscriminately will benefit themselves in the long run as THIEVING LIARS. Not if Reapin' Johnny, has anything whatsoever to say about US and our love for God as Life. Kill a bushite for America why don't you as Anyone?

"The killing of innocent civilians is policy," veteran Mike Blake said. "It's unit policy and it's Army policy. It's not official policy, but it's what's happens on the ground everyday. It's what unit commanders individually encourage." Not true. We have plenty of examples of official policy such as no cause whatsoever for the war period, and FOXNEWS. Then of course, "mad Dog" Mattis, "bush bitch" Blount, "rotten" Russell. Or Sattler's, that ordered the indiscriminate murder of more than two hundred thousand INNOCENT people of Fallujah.

As just one example of many. Billing bushite is saving Humanity from the actual, for real, antichrist forces of demonic evil mentioned in every Bible. Bill a bushite enemy of America, for a bushite is minimally a thief, a thief that wars the innocent of Humanity to help 'escape' the zionist neocons for the crimes of 911. Well, a criminal willed the murder of another, and now it thinks it can't be arrested because it says for US to do so, would be anti-Jew. And no, I'm sure Johnny would word it in today's climate, arresting a murderer for murder. See? A true "Jewish State" would be one where all people were treated fairly, as the actions of a peoples who believed in God as holy an' righteous. Not thieving terrorists killing people to steal further from our good graces.

Again, CBC, CNN, and FOXNEWS with the coast to coast radio host celebs are enemies of God as the Human race. Reagan would have guaranteed, with his War Crimes Act, to have publicly executed Romney's buddy for the torture of innocent people Cofer Black freely confesses to have kidnapped. Yet, CNN whores America to ride on that torture is Reagan's best bud. Romney, who's demonically evil religion IS centered on Satan's temptations against Adam and Eve, forbids a belief that black people are not worthy the godly freedoms granted all sentient beings, all because Romney has magical 35 year old underwear it is waged. DUMB. No, CNN forbids such truth in dialog, but to say, a Ron Paul newsletter of near twenty years ago, suggests he hates blacks because the Federal Reserve is printing money for their own private profit at the loss of every American wage earner.. blahblahblah. Bushite are OPENLY selling tons of heroin, and cocaine, while bombing our communities indiscriminately. Not newsworthy. Gates has taken responsibility for dropping 47,500 lbs. of bombs in Baghdad to murder people indiscriminately in a city the bushite terrorist thieves OCCUPY as openly demonic. Gates will receive a death sentence by the will of US, as just another bush bitch zionist neocon war monger threatening Humanity with more indiscriminate murdering. P2OG - designed to KILL America with naked neocon terrorism disguised as "Patriotic". Remember: near none in the entire Bush administration has been ever elected, yet, they bomb the innocent with lies for "Democracy." [The Innocent is ourselves for you beginners out there...]

KILL ANY OR ALL LOYAL BUSHITE ENEMIES FOR THIS:

/ / The AMSI statement continued: "The bombing entirely targeted homes of residents in the area and resulted in the deaths of dozens of innocent civilians, including women, children, and elderly people, in addition to wounding a comparable number." We shall track down every bushite charged under all military "Judges", and publicly try them for execution as: aiming to and murdering, innocent people - to thieve from US all for ungodly zionist necon LIARS. While American gun owners from any number of gun groups will bill any and all bushite who grunt their satanic disapproval of freedom as Justice for All. We shall bring the perpetrators of 911 to Justice before Man, bar none. God is Risen - die bushite die.

"anything that moves you kill and don't take any prisoners."

Nazi bushite lawyer's surmisal to war criminal "mad dog" Mattis: "If the defense version of events is true, dismissal of the charge is justified." No, they would be just as assuredly guilty of aiming to and murdering innocent people as enemy of Life bushite do with bogus dumfukker excuses. Killing bushite is saying to God, you really care. A bushite is an enemy of America who wars innocent Humanity for the escape of the zionist neocons for 911. traitors are the bushite soldiers - to everyone.

/ / no evidence has been publicly released that implicates the young men of the 1st Squad, 3rd Platoon, Kilo Company, 3rd Battalion, 1st Marine Regiment in any criminal activity arising out of events of November 19, 2005. Indeed, as there is none that exists, let those who say otherwise prove it. \ \

"None". See? a total dumfukker who's religion is lie to GOD about murdering helpless children, because the event is over as transpired. Yet, Gun Owners of America, WILL UNDERSTAND, this demon enemy of Humanity tells US openly, he gets off on indiscriminately murdering innocent people like those too, who committed 911 by zionist excuses such as: "shoot first and ask questions [answered by Coast to Coast radio hosts, CNN and CBC only] later." Or, a made up bushite enemy's pronouncement titled, "Rules of Engagement", an "official" excuse given to bushite who willingly shoot innocent women and children in the back, all because we were running from an explosion. Will you not join Johnny America and kill every last bushite judge or jury breathing who agrees such murderous conduct doesn't warrant an immediate death sentence during war time against TRUE EVIL?

In the documentary, "Why We Fight", bushite bombers are interviewed, who knowingly bombed, easily, more than a thousand defenseless innocent people of Humanity indiscriminately downtown in Baghdad as precision first strikers. See them smile and laugh at knowing after the fact of understanding, they only murdered innocent families as their ungodly sadistic fetish, while lifeless CNN with FOXNEWS is letting them get away with murdering so many of US as Love forsaken, then ask yourself, do you feel lucky? punk? "See the bushite, kill the bushite", the Son of Man always says. Kill an ungodly bushite enemy, and be loved by God and Man as just an ordinary everyday run of the mill, True American Patriot Warrior aligned with Christ, the Greatest bushite biller of all time! Death to the bushite thieves who war for the traitor neocon liars, death to the Enemies Of Justice for God and Humanity. Evidence is Everything. Bushites are ignorant liars of evil.

' 'The "heroin lifers" are a group of prisoners, who were arrested under a Louisiana state law that mandates a life in prison without parole for the sale of any amount of heroin or possession with intent to sell.' Big News : Election Rigged!

http://mp3.wtprn.com/Albrecht/0801/20080117_Thu_Albrecht2.mp3

This is incredible for real - so incredible that I'M freaked out!

It's just crzy that a private company charges 24 cents for each ballot re-counted... just think about that for a second again.. Oh yeah, and there are no ballots, or records of such events actually occurring. Johnny calls for paper ballots without exceptions, along with immediate criminal investigations. And let's let me take open line calls on the coast to coast radio network of ideas for just causes. A fair vote for freedom sounds right to begin our speech as heard from for understanding - We demand paper ballots, along with the 911 perpetrators brought to Justice to end all wars by peaceful resolution for freedom to triumph over bad guy terrorists who lie like George Norry. Answers are all here.

/ / Two American-registered drug planes busted in Mexico carrying four and 5.5 tons of cocaine are just the "tip of the iceberg" in a blockbuster aviation deal which sold 50 American-registered aircraft to the Sinaloa Cartel

[..] the FBI executed a search warrant at the house of the No. 3 official in the Central Intelligence Agency, Kyle =13Dusty Foggo, soon to go on trial for corruption with accomplice Brent Wilkes. \ \

for dealing in TONS of COCAINE shipped to America, to additionally, pump the prison market with life term prison sentences on simple grams bag possessions. TONS. Cocaine for Crackers.. WOW. American trivia: Did you know, there are nearing at 2,500,000 people in expensive prisons for private profit operations nation wide in the land of the free, and home of the brave? We gotta get a count of prisoners on life term prison stints for carrying the bushmob doper deals in a double cross, The "oops.. who me?" Top Secret Strategy - shhhh.. - the cia planes selling TONS of illegal dope, and Americans go to prison for being too weakly represented politically to defeat these criminals with just words. big bucks. We need an American People standing up for the defense of speaking freely, as a voice of universal liberation. With evidence as a prerequisite - we have near no critics of millions.. Why so great? We all could benefit by Justice enacted fairly actually ruling our strides towards a better future through international communications, where all peoples have rights equal as beings worthy the respect we deserve.. Yes, we are amazing. Can you hear me now? Could I convince yourself in investing in a worthwhile cause such as ours? Who knows how far this takes us into a better future where we respect ourselves as others. The freedom to be all you can be by not infringing on the rights of any other to do just the same. Now, you should give me a least some dollars for sharing that repeatedly with ourselves.. Do you have any idea on how great we are here my friends?? We could be all incredibly gifted if I do say so myself.. So how about it? Johnny for Presidential debate questioner, Nationally contesting the tally in Anytown USA - open for suggestions? What do you say pilgrim? Am I not Great?

Justice is Freedom

WE WANT our votes verified as fact.

This isn't about Ron Paul refusing to support a re-count to discover more than 0, ZERO, votes in one district, Bingo!, it is about YOU, as an American refusing to defend yourself from no measuring!, no measuring! what they will get away in blind tyranny as enslavement termed 'Freedom'. It is TRULY up to you to make a call to talk radio, it is truly coming down to You. Pick up our phones you bunch of good for somethings, and call for clarity on the justice is freedom angles. Johnny Wizard has come for diplomatic talks on the thorny issues that confront our storied days absent our found leadership. LOOK, the election body is not requesting fairness for the American voter, as rigged. WE WANT our votes verified as fact. It is not the realm of any private company to "own" the rights to deny us, me and you, public accountability as fairness to all parties - sworn in. Representative Democracy. Doubtless Dealings for Dummies Doubting. We DEMAND: paper ballots.

Uphold Lawman Johnny for any paid Public position, for, I'm hungry for making a worth out of living. Otherwise, I'm going to have to leave for other matters of survival. If you spot me some change, I'll give you a thanks, and, it'll be just like you own shares. No special favors, but, I might just return your investment plus interest. So, join in with Johnny, and spot me some cash family. It'll go towards a good cause, us. Think of these words of art worth a dollar or two of your time here living. As for you BILLIONIARE bankers out there... buddies.. Help me up kids, your old man here is in need of some assistance in the form of a desperate cash infusion.

Then, we shall begin our international media empire headed up by the President and CEO of Shareware Earth Co., The Great,

King Johnny Wizard!

Fifth Fleet commander Vice Admiral Kevin Cosgriff denied that his ships had been close to firing on the Iranians. So did destroyer commander Jeffery James. \ \

Remember, these bushite are trying to con leaderless America into a another needless conflict, where we die for their growing riches as war mongering privateers of this, our 'popular will' contesting as defeated already.. Johnny America for Presidential Election Questions! Or, go back to dying needlessly then as dunfukked "Bushite", you losered.

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. We, as Americans, are appalled at the fact neocons have been able to steal our authority for so long to take America DYING into a needless, causeless war, but for to criminally plunder at the expense of anyone's innocent son or daughter.

Why We Fight

Bushite are using Satanic Rituals While Torturing the Innocent

http://media.switchpod.com/users/democracynow/ftp/dn2008-0111-1.mp3

Bushite enemy to Innocent prisoners "Satan is your God now." (seen on many bushite tanks "666" Praising Satan while chanting, "whore yeah, whore yeah", while raping, thieving, and murdering as antichrist enemies of EVERYONE - including GOD, if can you believe what is witnessed before all.)

Bushite ENEMY interrogators use Satanic ceremonies ordered by Maj. Gen. Geoffrey D. Miller, during the torture of INNOCENT People to death they kidnapped, all because American religious males refuse, "Christians", so far, refuse to kill SATANIC bushite on sight for true freedom and Liberty. Do not except the excuses of bushite nazis, that being openly Satanic for Bush's Skull and Bones, and the Bohemian Grove, is to war for Freedom and Democracy in the New american Century. The Son of Man States to all religious PEOPLES: Kill a bushite to defend God in America. If necessary, You, as a dying America, shall give every last drop of Christian blood you have to bill the unarrested Satanic General Miller and his praising DEMONIC ilk for their murderous treasons against GOD and Man. (Atheists included die too with these routine indiscriminate bombings don't you know anything.) All because America still refuses to demand Justice for 911. Make the call, be a man. Al-Qaida =3D General Mahmoud Ahmad. Bush, "The Puppet", needs to be executed for 911, putting mercury in American vaccines, torture, Afghanistan, Iraq, and the Military Commissions Act.

U.S. Military Wanted to Provoke War With Cuba
ABC News
http://abcnews.go.com/US/story?id=3D92662

/ / In the early 1960s, America's top military leaders reportedly drafted plans to kill innocent people and commit acts of terrorism in U.S. cities to create public support for a war against Cuba. \ \ And Proud Vietnam Vets are TRUE fascist cowards, who'd kill our Families for stolen riches given to billionaire war mongers who, to this day, bask in our stolen lives living in Mansions, while homeless vets eat their own shit and die, worthless to the struggles against tyranny for God. Still cowardly as evil is always ignorant. More committed to colonies for the French like Haiti, than Freedom for the Human beings granted the rights to Liberty.

Joker to the Thief

We laugh with Jon Stewart regarding the seven Christians set up by the bushite to be al-kinda, to be put to death, or serve life term prison sentences as the Innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Christian Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

(EXAMPLE: So what? that BILLIONAIRE Mitt publicly supports torturing innocent people to death without Lawyers for our Judgment with his nazi bum chum traitor Cofer Black?. Not CNN newsworthy as a defense for the People of America. Or how about that Black People can't be Bishops as a moron Mormon?)

Soldiers of Ummah - unite US all to defend America from the evil bushite thieving liars - the enemies of Justice, the enemies of Life. Bill a bushite grunt to save innocent lives, and in that process, be truly loved by mankind through Peace.

/ / He said they [the innocent humans] are like dogs and if you allow them to believe at any point that they are more than a dog then you've lost control of them \ \ Who'll save the life of an innocent Dog from the savagery of the bushite enemy grunter though...

They said, "oops".. defend the Boston Globe no matter what any person or persons say. If the Editor disagrees, love him anyway - if the paperboy shrugs, take the moment to explain - DEMOCRATIC ELECTIONS ARE CRITICAL. So says Johnny the Dictator. (realize: the tabulations haven't even been formally released, and CNN, CBC, and FOXNEWS told US who won before ANYONE was granted the opportunity to force such MEASURED conclusions. We were asking for a re-count before the count was even measured. If mathematically, 2 plus 1 doesn't equal 3, we are doomed. I want to participate in the President's Debate for Freedom's cause - Liberty and Justice for All. Paper ballots, paper ballots, arrests, arrests. Otherwise, we shall be politically entertained by McMcCain! Help us! help us! No funny.. 100 years of dying Humanity as murder victims sound laughable? Something Crazy Here

/ / Pakistan President General Pervez Musharraf has disclosed that Omar Sheikh, who kidnapped and murdered American journalist Daniel Pearl and is now facing death penalty, was actually the British secret Agency MI6 \ \ Mr Zubair was the lead investigator - Omar Sheikh was reported executed,

[JUST BEFORE BEING MURDERED] BBC had censored Bhutto's remarks in which she claimed that Omar Sheikh had murdered Osama bin Laden several years ago. - Man, imagine if she were questioned on what info she had based her conclusion, and had had the story that the BBC wouldn't have reported either. Again, CBC, CNN et al., are traitors pretending to be open for communicating the facts. just like the pro-child killer traitor George Norry, Ian Punnet, and the evil Art Bell.

/ / Daniel Pearl was kidnapped in Karachi in 2002 and beheaded by Al Qaeda's number three, Khalid Sheikh Mohammed. Mr Zubair was the lead investigator \ \

See? this is why the True American Patriot Soldier bills the unarrested for TREASON as a self confessed war criminal, Rommney's "lawless" undie buddie, Cofer Black and partners for raping American women, kidnapping, torture, and pre-meditated mass murder.

A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. Again, even if bush were "just a puppet, just a puppet!!", his criminal action would just as assuredly, warrant his immediate arrest for high treason. Ask any Judge. then a Jury for Your verdict on the entire criminal spectacle of mass murderers escaping the Justice of a New America.

`You Will Not Open Criminal Investigations'

George W. Bush "A country that hides something, is a country that is a.. afraid of being caught."

These naked LIAR enemies who bank to thieve more from Iraq, Afghanistan and America, must be brought down by Humanity's ultimate triumph over tyranny through Law. A just law, where those accused without any evidence are Innocent, and WORTHY yOur defenses.

'A military judge ruled last week that Watada cannot base his defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite are guilty of, but of a madness held by those truly Satanic..

Easier approach to getting officially "started", is if we consider the unmovable anchor issues as outstanding regarding the 911 questions ever yet, publicly stated in regards to how the event actually went down. Remember: Bush and Cheney worked diligently, directly after the terror trifecta occurring, to close current police investigations regarding

the case of mass murder in Johnny's New York City.
Suspicious? you say no, treason that is!, the treason of naked
blind tyranny against freedom to be ourselves.

IMPEACH TRAITOR BUSH AND CHENEY NOW !

Wizard Fool of Folklore Fellow

The Wizard Fool of Folklore Fellow, acclaimed the world around as, the guy with a few good plans - I bring you I.. for, we is the greatest bringing since we believed today is the day to try and start something.. Checking checking.. Is this?.?

People: I am your Leader commanding you to take action to save ourselves. Pick up a phone and call someone to care about this sacrifice of liberty to tyranny for the Bushmob version of 'paradise' by FEMA. We want accountability. Arrests most specifically. Listen, I want to participate in the Presidential Debates. Get me in there.. come on.. I'm taking over the World. John Brain's the name, and fooling the game. Who's in? To think: wow man, Johnny, the boy wonder, and God - as science to the core of the unknown we bring we to say, Man, we are Being kinda foolish to our reason for being here quiet like. I mean to discuss things.. oh yeah, right, King me. Join the Human race to reach a new world of intelligent development through design thought out as understood, not faithed in blindly, so some private wall street banker can walk away with our lives through leveraging the market by ignorance. A Hedge Fund manager can "earn" a salary exceeding 1.5 billion dollars. Something there just isn't right, isn't right. It's an issue relevant to our current circumstances. Circumstances that should carry more interest than an Alien from another world - not Johnny though... anyone but Johnny America.. he makes me look bumd

I state my case, and I state it well.

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? Kill a bushite traitor to America for Christ.

Remember: not publicly executed child killer Tatum, is a hero by CNN "American" standards.

Americans pay their taxes for such demon crimes against the Godly innocent to thieve from. The antichrist's America sucks.

Neocon Frank Gaffney on MSNBC '[but] The torture saved American lives!'
Prove it to US, or die rightly as demon LYING traitor to God and Man in johnny's America.

Repuglicon Kit Bond "It's like swimming!"

Again, these demon fuks, know the bushmob did 911, and laugh at Your death for their continuing criminal bounties of treason against our silenced to die forsaken America. Support my rise to acknowledge our weakness of communicating truths held indivisible.

You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power

will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blaming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life?

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of neutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child speaking.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida =3D General Mahmoud Ahmad. Die bushite die.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses

don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious.

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Color of Law?

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. So, arresting the parents is irrational, for, it is the school authority that has disallowed the children an education. So, arrest those that refused children Justice. If anyone.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime? Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1776. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. # THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>?
WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however,
in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through.
Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since
911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

/ / "I grabbed her little sister and put her in front of me . =2E as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

911 financier Ahmad =3D al Qaida, and we have molten iron on video
flowing like water. Demon Bush Jr. gave US zero, while

closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied

into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

We Have A Problem Here

Look, Bush closed investigations on 911 immediately, then started firstly on Iraq, for war mongering thieves, with General Ahmad escaping un-accosted for the neocon enemies. Not relevant? Your Constitution is laying undefended, a National act that can not be done by any other terrorist group but those who claim your freedom rights denied by bushite command. Not treasonous? Look Condi, the demon 911 nazi witch PERSONALLY assisted in dropping more than seven million land-mines on Lebanon indiscriminately in Your terrorized dying names. Hate Life and God as yourself do You?

Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube.

They, as America's Coast to Coast voices, would rather richly die YOU sacrificed for CRIMINAL zionist Israel, (Israel, where the government leaves actual Jews to die in the streets starving as garbage dumps, to make it look good for MORE giving American charitable donations to disappear elsewhere) before saving the lives of THEIR VERY OWN. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. That from the 911 witch, who forbade a stop to hostilities IN AMERICA'S NAME against the innocent in Lebanon. Nazi Israel ADMITS to the targeting MURDER of any innocent persons who drive in a truck. Perhaps Americans. Who cares? Not CBC or CNN they'll tell you consistently absent from the crimes scene.

Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price that British trained policemen had tortured prisoners to death with drills, we discovered, through the New York Times (!!), that American intelligence officers had been working alongside them at the Jamiyat police station \ \

BASELESS?

/ / Prime Minister Stephen Harper "We will conclude a formal agreement so that we never again face these baseless allegations," he said. Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

-

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. So spoke the King of being the wisdom we here revealed by statement of timeless fact. Good will triumph over evil. That's that.

Tenent "Lets everybody tell the truth."

It seems Tenent wants to inform us he actually meant when saying "slam dunk" - that, selling the war to the American Joe, without establishing any real facts would be easier than anything against the powerless as media unrepresented!

'Alpha company patrols the poppy fields.'

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for: "Al-Qaida" =3D "General Mahmoud Ahmad" =3D "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

AMERICAN

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated.

How do I know this? I made the effort of making the phone calls.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Al-Qaida =3D General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

See? KBR is now privately running hospital care for the dumfuk grunts, so, what would you expect but rat infestations? Oh, you never truly thought... what being a "Liberal" or "Conservative" victim is. Are you pro Liberty, or pro tyranny is the question riddled really.

REPENT. [from the Greek, meaning to think.]

Life
begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who

should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People

AND UPON being satisfied that it would be in the best interests of the administration of justice that access to and disclosure of information filed in support of the application for the Search Warrant referred to above should be prohibited to the public;

[What?, don't want US public to know bush, rumsfeld, and condi committed nine/eleven with General Ahmad? Well, now I can see why all the hush hush.]

AND UPON being satisfied that access to and disclosure of information filed 'in support of the Search Warrant referred to above might well pose a substantial threat to the interests of effective law enforcement;

[following crimes scene leads at real murder scenes not good enough for our police agencies? - US people backing up ourselves with as something worth reckoning a better future with?]

AND UPON being satisfied that access to and disclosure of information filed in support of the Search Warrant referred to above would compromise the nature and extent of an ongoing investigation;

[Well, it's only been years now. Let US ask you, have YOU called the news desks of CBC or CNN, about bush's prior plan also? Are sandwich boards, posters, and placards, a police union willing to truly get behind as the untold Justice struggle for our suffering Humanity?]

AND UPON being satisfied that access to and disclosure of information filed in support of the Search Warrant referred to above could conceivably compromise the health interests of a person;

[What about the health concerns of the hundreds of thousands of innocent people bush has since ordered murdered, along with the millions of others who will suffer the consequences of radio-active contaminations for the next few eons?  National news coverage is not what I fear, I fear that no one on this lonely planet cares to hear the cries of my Humanity for mercy, or holds love for God as worth fighting for.

Right- if you don't care about Signal/Noise- then use anything you want.But
if you want to preserve the best possible S/N, then use the lowest loss
coax you can afford.

I dont have a ch 00 in the bank, they start say 301, 302 ect..

I can hear the channels analog side but when the freqs are set to trunk they
do not pick up anything.

I can get a 800 trunk II to trunk but not the EDACS..I called Uniden but
they are useless..
They dont even want to walk you through one program.

I was reading the statement below from the Butel software user guide:

When you program EDACS frequencies, it is critical that you store each frequency in the correct location. This often is not the frequency order, so youmust be sure you have the right sequence.
What location are they referring to how do you determine this location ?

What I have done if program them in the LCN as they are below.

If my lcn is:

001 Confirmed LCN01 453.22500*  02 453.80000 03 460.25000 04 460.35000 05 460.45000 06 460.20000*

I have them entered in the bank on bank 3 starting at ch 301.

What would I have to change, I thought this should be in order of LCN as the type II system I have

working on the scanner ??

This is an EDACS standard which should be wide, I have the WFM setup on the LCNs too.

I have tried narrow but nothing.

Suggestions ??

My father in-law is looking for a police scanner.
I know things are changing with the Digital scanner being the up and
coming thing.
What unit would you guys recommend so he can listen to local police/fire?
The digital scanners seem pretty pricey. Looking for a portable unit mainly.
Thanks greatly!

You need to tell people where you are, what you want to hear. Radio
Reference page may be able to help. It will depend on what kind of radio
system the agencies you want to hear have. Most Police that go digital only
do so to have encrypted. If your Police have done that you can't hear them.
If it's a Trunked 800 or standard analog the BC246T is a great little
scanner. Fits in a shirt pocket.

Expos=E9 - The bushite liar is an enemy of Humanity as a thief and traitor

Sayan Sarkozy joins the "There is no NIE" club.
http://www.jpost.com/servlet/Satellite?cid=3D1196847320451&pagename=3DJPost%=2FJPArticle%2FShowFull

Look, there is no evidence.. .. ! So, they can not truly believe their therefor false allegations. But as demonic liars, they intend to murder the innocent as enemies to G-D to thieve further from our precious resources. All because Americans refuse to demand open challenge through international debate with Johnny. Again, no soldiers appose me publicly speaking. Look for yourself.

Israel--Above the Law? or No Law

S.O.S. -- Save Our Spectrum
http://www.freepress.net/spectrum/

/ / The FCC is about to auction the exclusive "license" to this spectrum, called the 700 MHz band, to the highest bidder among the big telecommunications companies.  \ \

Look, the FCC works to destroy a free America by repeatedly attempting to sell out the public's interest for greed.  And we know, eventually they will thieve our remaining rights, because we can't be expected to repeatedly "we won" this fight, just to have them return to their same public office space to go at it again for private evil interests.  The waves are ours.  Again, in Manitoba Canada, a province population that exceeds one million, we have one serious c.r.a.p.  radio news station, and one newspaper that propagandizes our views for criminality.  Two private media entities that hold back saving our blinded City and nation being plundered.  They're pro-war, pro-killing, as pro-censorship when it comes to how they criminally benefit off the victimization of Canada's elderly being THIEVED from at the casino/lotteries.  As a consequence they lie to our made dying Soldiers, that nobody can deny are our most weakest to speak humanely.  Like blobbing drunk sport fanatics, who as terrified, chant they're winning!  as paying losers.  These mindless drones will pay 100 dollars to sit in a balcony that charges 5 dollars a draught as the hometown pied!  The public pays for the chance to be taken as granted to anything without a voice for fairness. Just as the volunteer bushite soldiers are universally evil dumfuks who rape, thieve, and murder.

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism.  Al-Qaida =3D General Mahmoud Ahmad, and pro-repuglicons want to see YOU die first as the innocent forsaken, before allowed the right to defend freedom to the last bushite breathing.  Death to the bushite, death to the enemies of Freedom for Humanity.

http://www.whodidit.org/cocon.html

http://physics911.net/

Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

http://revcom.us/a/111/iraq-en.html

/ / Aws Fahmi saw Marines going house to house, killing members of three families. He heard his neighbor plead in English for his life and the lives of his family. "But they killed him, and his wife and daughters," Fahmi said. The girls were ages 14, 10, 5, 3 and 1. \ \

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. Please, bill a bushite like "mad dog" Mattis to save an America where innocents are defended from the enemies of Justice. The enemies of God. CNN, CBC, and FOXNEWS is not doing our jobs by reporting blindly lawless bushite thieves for the antichrist are heroes. For starters:  Al-Qaida =3D General Mahmoud Ahmad, and, bombs dropped as the air forces of NATO kill innocent people by criminal intention carried out by bushite demon liars waving our flag.

He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

=2EI guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

Well, a criminal willed the murder of another, and now it thinks it can't be arrested because it says for US to do so, would be anti-Jew. And no, I'm sure Johnny would word it in today's climate, arresting a murderer for murder. See? `You Will Not Open Criminal Investigations'

! ! ! ! ! IT'S OFFICIAL ! ! ! ! !

http://www.crooksandliars.com/Media/Play/23642/1/MJ-Townsend-Fear.wmv

This criminal action articulated by Fran Townsend clearly warrants the death sentence through war crime trials. Bushite nazis deserve to die by the rights of American law. Why is torture evil corporate america asks no one? "Fu ck y o u" was the censored response from the innocent man up on the cross.

Again, these bushite demons can be easily defeated by the power of wisdom, but coast to coast radio hosts are doing another, 'who cares'? about US dying for a great evil spectacle. While YOU, as alien American are TRULY losing for George Walker Bush's continuing criminal intelligence through bad design excepted blindly without questions, as thoroughly rejected since law came to Be. But SEE? CNN, CBC, and FOXNEWS bush bitch nazi WHORES couldn't care less if we measured; they have millions to sell you out for death once again to the non-competioned thief bidders to treason without reason. Look, if you know of 'it', then why torture ourselves?, sadistically evil nazi dumfuk grunt, of the demon antichrist enemy of all our Humanity Johnny America asks truth fully?

Color of Law?

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. So, arresting the parents is irrational, for, it is the school authority that has disallowed the children an education. So, arrest those that refused children Justice. If anyone.

Israeli Child Killers: Documentary Proof
http://www.revisionisthistory.org/palestine46.html

This ain't right

Look, the guy who murdered the two thieves, is guilty for such. He acted to intentionally murder. MURDER. Do cops kill kids who steal bubble gums?, or if they did, would an American then think justice lacking? Cops were near the scene, and the murderer held no pause to kill thieves with their hands full. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal threat to life by the murderer, and would have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC doesn't believe YOU deserve to know the science of?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime? Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911.

How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>?

WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly greater than 'great'.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida =3D General Mahmoud Ahmad

=2E as the bullets began to fly, the blood sprayed from between

her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

## AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the

thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Support my cause, which is your cause.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. CNN reported that your 'meatball' story would cause no demands for the returns of stolen funs, no bushite would lose it's high costing position, as no one would be tried for treason and gloriously put to death publicly for the defense of God and country. ..They were actually laughing.. Johnny Wizard needs his own international live radio program to take open line communications.

Nationless bushites who blindly war Life as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to

make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended

American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

Intelcenter.com =3D alqaida videos you can get nowhere else!

It is important to also realize, this intelcenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida =3D General Mahmoud Ahmad

That's what I'm talking about.

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. While CNN, CBC, and FOXNEWS couldn't care less for those children, but will tell us, these 9 accident victims must rule, so far, two full days of wall to wall coverage. Wouldn=11t most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? Kristol and Kagan: Put Everything=12 Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled inspectors out of Iraq, but then... how is this not HELL to pay?

/ / Bush declared, "and he wouldn't let them in. And, therefore, after a reasonable request, we decided to remove him from power." \ \ HE LIED. Not the 'NWO', George Walker Bush, who Alex Jones tells US to look away, because he's only a puppet. Should not Bush be held accountable to the criminal actions he is PERSONALLY responsible for Christ asks YOU?

Neocon Soldier

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Our Mr. Bush Jnr. "The war is for you or for us [neoCONS] to win. If we [neoCONS] win it, it means your defeat and disgrace forever."

Die bushite die.

WE'D be hunting down those bushite liars who torture innocent people to death for their satanic pleasures. For, you know it does warrant the Death Sentence in America, right? (You can thank Reagan for that...)

Death to the zionist bushite enemy forces

Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but

will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida =3D General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices

heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a

3. Also, that mercury tainted vaccines are deadly stupid.
Mercury is scientifically understood, without question, (no

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

Try having someone who finished school read the thread to you. No one here
said anything about "digital systems". We were discussing listening to the
Police, City Police. Most City Police departments that go to the expense of
an of a P-25 system do so to encrypt. There is a LOT of other stuff that is
P-25 that is not, but that is not what anyone here was asking about. Have
someone explain it to you.

During the second world war, I understand that American amateurs (or
possibly CB) were picking up German inter-tank communications from North
Africa on the 27Mcs band and were relaying information back to the allied
troops in N. Africa.

 Well; it wasn't on the CB, 27 MHz AM band

 up all kinds of activity during 'the war'.=20
 There are STILL militarizes using the AM

HF and VHF-Low are adjacent and have overlapping characteristics ca. 30 mHz.

 Sure, but wouldn't 'FM Mode' negate some of the skip=20

AM - FM - SSB - CW, what ever has no effect on the skip (propagation) conditions. WE, our radio club receive "skip" on our FM ham repeater which is in the 147 MHz band. The usual skip comes from 500 miles away from another ham repeater.

Longest scanner reception would depend on several conditions, the antenna, it's height, your elevation, propagation conditions, coax line loss, antenna signal amplifier, just a few of the major items to think about.

I was around during the big war and remember going into my neighbor's house.
They had this big Zenith floor model which had a shortwave band.  I remember
hearing 'action' in English (must have been our's).  Sounded like a plane
going down.

Hi, everyone! I just subscibed to this group. I'm new to freq.
scanning. I own a Uniden Bearcat 210Xlt, from what I see, is a pretty
rare radio! I have a couple of questions that i'll ask later. But for
now, I'll just browse existing topics.

 Ok. I thought that they way that they signal was modulated
 had an affect on the general overall range, all things considered
 with AM working out more favorably with skip because it's a simpler
 type of radiation. But come to think of it, when the US Govmnt=20
 was doing below-ground nucleor tests in Nevada, we could pick
 up tv channel's from 1000 miles away.=20

 I could pick up CHIPS and Mexican Military on my Bearcat
 when I was in Dallas. This must have been around the mid
 90's. Of course, back then, with the solar flare-up waning
 off, you could still pick up CHIPS (california highway
 patrol) who inccidently transmits on FM or I woulnd't have
 been able to recieve them.=20

I am selling a YAESU VX-3R mini hand held wide coverage transceiver.
Just bought it a few months ago, and hardly used the radio. It is like brand new, still have the warranty card and I will include the invoice, original box, manual and included accessories.

Also includes the Yaesu soft leather case, and the ADMS VX3 programming software.
If you are looking to buy this radio, this is a chance to save some money.

I am asking $160.00 for the package, plus $8.00 Priority Mail insured shipping.

I will accept PAYPAL or a US Postal money order only.

I have excellent feedback  under OFFDAN at eBay.

Please e-mail me at dconti@nj.rr.com if you are interested.

George has problems he'd rather blame on others, rather than himself.

I finally got this working...

Thanks Gordon for the suggestion.

I was using the butel software and it has a knack for glitching the freq
entry field, upon upload it entered a tick in the field  !!
This after several memory resets and uploads and file recreate.
When I viewed it as a entry portion in a text field you would see it.
This would cause the scanner to have an invalid entry and it could not read
it properly.

Once I entered the freq manually rather then using butel..... the scanner ID
the first sweep !! Yeah !!
Finally after 7 emails with butel for some help and it not going anywhere
but failure and their lack of communications...
Gordon responds and understands exactly what is going on.

I also got the APCO 25 working for DPS... sweeeeeeet..

Thanks for those who have replied.

The sounds quality settings for APCO 25 I find work best in the middle.

The information from Uniden is confusing so set them in the middle and it will listen great.

I am picking of Texas DPS and its very loud and clear.

Thanks

Let's say I leave a scanner in location "A"
I move to location "B"
"A" and "B" sites connected via either Internet or some other means.

I would like to monitor more than just one frequency simultaneously.
Can a scanner accomplish this task?
Or would I need some other device?

Thanks in advance.

MI5 Persecution: How Could It Be True?

If you have the patience to read these articles you will be struck by how apparently fantastic the claims being put forward are. You may ask yourself why such seemingly nonsensical assertions are made. This matter has been discussed on the Internets UK-local newsgroups for three years now, and the denizens of the uk.misc newsgroup (the so-called "miscreants") have come up with a number of theories to explain these posts; it has been variously suggested that they are a troll (an artificial creation for the amusement of its author), that they are made by MI5 themselves with the purpose of discrediting other conspiracy theories, and that the poster is mentally ill and the articles are symptomatic of the illness (the view held by most miscreants).

Are these claims the product of mental illness, or is that just a cover?

The most obvious explanation, that the claims made result from the admitted mental illness of the author, is the one which the persecutors intend be the one accepted without consideration being given to the possibility of the claims being true. The persecutors have actually been very clever about this, both in selecting as their target someone who was known from school or university as being borderline schizophrenic, and in ensuring the nature of their persecution corresponds to what often features in the delusions of a schizophrenic.

The very first incident of the persecution occurred in June 1990, when I was still a student at university in London. It consisted of a reaction (giggling) from the newsreader, Sue Carpenter of ITN, to what she saw happening in my living-room at my parents home where I was living. Before your imagination gets the better of you I should make clear that what the newsreader was reacting to was not too embarrassing in nature; my mother had brought an apple for me into the the room, and Sue Carpenter found this amusing.

I recognized that Carpenter had reacted to what she had seen in my living-room, yet this idea still seemed completely fantastic to me. My reaction was to continue watching television, particularly the news, to see if this incident would be repeated. It was, many times, both on BBC and ITV. An intelligent person would have thought to obtain a video recorder and capture some of these incidents in order to try to explain to an observer what he saw in these broadcasts. Unfortunately, I failed this test of intelligence, since I did not record these programmes. I have recently attempted to obtain from ITN tapes of their news programmes dating back to summer 1990, but, unhappily, they have advised me that they do not have complete programmes including newsreaders comments dating back to that period.

From the outset, the persecutors structured their actions to ensure that any complaint would be met with disbelief, and dismissed as delusional. This is why they chose as their target someone who was known at school and university to be borderline mentally ill; and it is why they fired the first shots of their campaign through the broadcast media. Schizophrenics commonly believe the media harass them; it would be exceptional for "full-duplex television" to exist in reality. Those with schizophrenia also commonly believe people are talking about them; again, the persecutors have shown themselves very rarely, but act through intermediaries, both in the workplace, and in public and during travel.

Mental illness is not the cause of these claims, but the simulation of its symptoms is a cover used by the persecutors to deny their victim the ability to have his compaints believed.

What evidence exists to support these claims of "interactive television/radio";?

Quite frankly, I have very little evidence to support my claims. You may examine the "Evidence" area of my website to see such evidence as I have been able to gather. None of it is remotely conclusive. The "smoking guns" all date back to 1990/91, and it is really rather late now to start trying to look for material dating back seven or eight years. In 1997 I started tape-recording every programme I watched or listened to. I also started carrying with me a high-fidelity minidisc-recorder with good quality microphone to catch incidents of public harassment, but this also has not been as successful or conclusive as I had hoped.

Perhaps the best item in the "Evidence" section is the audio file "Life is so hard" (it is labelled with Garfield the cartoon character on the site), which I have given a certainty level of 100%. This item relates to harassment at my workplace in Canada in 1996. A co-worker called Mark was coming up with phrases and expressions which were repeating things being said at my Canadian residence, consequently leading me to believe that my apartment and home phone were bugged, and that the persecutors were passing their gathered information on to Mark. On one particular evening I said in my apartment, "life is so hard, and then you die". The following day I was able to record Mark saying exactly the same phrase at work.

Unfortunately when "they" know you are recording them, they simply dont say things which would unambiguously show harassment. When Mark the co-worker knew he was being recorded, he only made his remarks out of range of the recorder, for example outside the building. When the TV newscasters or radio disc jockeys know they are being taped, they limit themselves to saying things which are ambiguous, which even in my mind may or may not be personally directed against me.

Who knows about this persecution?

Surprisingly many people know. People in the media, such as BBC and ITN newscasters including Martyn Lewis and Michael Buerk, and radio disc jockeys such as Chris Tarrant of Capital Radio, know what is going on, and take part in it. Some co-workers at my former workplaces in England and Canada have known about the harassment. Quite a few people in the general public are also included. I believe the police are aware of the persecution, but, unfortunately, have chosen not to take any action to stop it. I have complained at my local police station in London several years ago, and I have stated on the internet newsgroups that I have done so, hence the police will be well aware of my wish to see the matter resolved. I believe their inaction denotes a dereliction of duty, but without good evidence, I am powerless to compel them to take steps to prevent further harassment, or deal with what has already taken place.

What is the purpose of sending these faxes?

These faxes are being sent to three distinct groups of people, namely Members of Parliament, the media, and diplomats & legal people. As you will have observed I am making use of the email-to-fax gateway at Demon Internet to send these faxes. I am forced to use this gateway since I currently live in North America, and cannot afford the high cost of direct phone calls to the UK.

My purpose in publicising my claims is firstly to discourage the persecutors from continuing their campaign, and also to attempt to bring their campaign out into the open, and thus perhaps identify the persecutors. Neither aim has been achieved yet, but I hope that with sufficient stimulation these aims may yet be accomplished.

The problem with the second aim is that those who read this article will fall into two groups, those who dont know anything about the persecution and consequently will disbelieve my claims as delusional, and those who do know about the harassment and may have some idea of who is behind it, but realise that if the harassers are exposed and the truth brought out into the open, then powerful British institutions will substantially lose prestige, and be exposed to ridicule.

It would give me hope to believe that these faxes will create a third group of people, those who find out that I am telling the truth, and who follow their consciences in standing up and seeing justice done. Only time will tell if this hope will be realized.

Why do you think MI5 are responsible?

The question of who is ultimately responsible for this eight-year harassment is one which is very difficult to answer, as the persecutors have never clearly made their identities known to the persecutee. However, I believe I am correct in attributing the continuing victimisation to elements of the British Security Service MI5, and in this article, I will try to explain the reasons for this belief.

The British internet magazine ".net" featured my website on page 17 of their March 1998 issue (number 42). Their review kindly describes it as an "excellent site" and gives some details of what the net surfer will find there. Should you wish to reply to this article you can do so;

"When did you first suspect MI5 were responsible?"

Over Easter 1995 I went to see a local solicitor in London with a view to talking to the police about the harassment. Soon afterwards I did go to my local police station in Clapham and spoke to an officer there. The solicitor made a comment which suggested to me that the persecution I had been experiencing may have been organised by an intelligence service.

Up to this point, I did not have any clear idea as to who was behind the harassment. Only their agents were visible, in the media, on television news programmes, and on the radio; in the workplace, where things said at my home were repeated verbatim; and in some cases abuse in public and during travel, for example on the trip to Poland in June 1992 which I have already described.

Both from the fact that widely disparate individuals and organisations were employed as agents in the campaign against me, and from the fact that an entity would be required to marshal their resources in the areas of spying on my home and giving gathered information to their agents, it was clear to me that a single entity was responsible for carrying out the campaign. Yet from June 1990 until Easter 1995 I did not have a clear idea of who might be responsible. I guessed that perhaps some private individual or group of persons who saw themselves as my enemies had perhaps paid private detectives to organise the harassment. Alternatively, since the campaign had started in the media, I made a far-fetched supposition that perhaps it was an ad-hoc group of media people who had set themselves up in opposition to me. After Easter 1995 I saw that these guesses were wrong, and I made an I believe much more accurate estimate as to who my enemies really are.

"Why couldn't a private group be behind the persecution?"

There are several reasons why a private individual or group would not be behind this campaign.

Quantity of resources / Money. Here is what one Usenet (internet newsgroup) participant had to say (several years ago) on the topic of how much money it would cost just to keep the surveillance going.

PM: >But why? And why you? Do you realize how much it would cost to keep
PM: >one person under continuous surveillance for five years? Think about

PM: >all the man/hours. Say they _just_ allocated a two man team and a
PM: >supervisor. OK., Supervisor's salary, say, #30,000 a year. Two men,
PM: >#20,000 a year each. But they'd need to work in shifts -- so it would
PM: >be six men at #20,000 (which with on-costs would work out at more like
PM: >#30,000 to the employer.)
PM: >
PM: >So, we're talking #30,000 x 6. #180,000. plus say, #40,000 for the
PM: >supervisor. #220,000. Then you've got the hardware involved. And
PM: >any transcription that needs doing. You don't think the 'Big Boss'
PM: >would listen to hours and hours of tapes, do you.
PM: >
PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that makes
PM: >it worth the while of the state to spend over one and a quarter million
PM: >on you?

A private individual or group would not spend over a million pounds to verbally torture a victim without some financial motive or gain. Private industry is driven by the profit motive, and there is no financial profit to be had from carrying out a campaign in this way. If a private enterprise were behind it then they would have taken direct physical action a long time ago.

State enterprises, on the other hand, can afford to be wasteful, since they are funded by the taxpayer. They do not have to show a money profit. The employees or contractors employed by a state organisation such as MI5 are driven by their own personal profit motives, to make the most money out of their employers for the longest period of time. MI5 is funded to the tune of #150M p.a.; even a few hundred thousand a year would to them be affordable if their managers could convince themselves of the necessity of what they were doing.

Quality of resources / Technical resources - electronic and other surveillance. In summer 1994 a reputable and competent private detective agency was employed to conduct a counter-surveillance sweep of my home in London. They charged us over #400 for this, conducted a thorough search for radio transmitting devices, hard-wired "probe" microphones and also tested the telephone line. They found nothing. This was not altogether surprising, since it had been made very clear to me that there were bugs in my home; the "buggers" would not have made this clear unless they had felt their bugs were of sufficient sophistication as to be safe from detection.

But there is another lesson to be gained from the failure of the private detectives to find anything. The agency employed was one of the most reputable in London. They were employed on the principle of "setting a thief to catch a thief", for if the harassment were being carried out by private detectives, as I then believed, then surely another set of private detectives would be able to find the bugs that they had planted. That these "private eyes" were unable to find anything, and that the harassers were confident that they would not be able to find any bugs, points to the harassers being an order of sophistication above a private agency, and leads me again to believe that a state intelligence service is responsible for the surveillance and harassment.

Quality of resources / Technical resources - Interception of Postal service. In summer 1994 when I emigrated to Canada to try to escape the harassment, I wrote letters home to my family and friends in London. Quite soon after my arrival in Canada, the harassers were able to find precisely where I was staying. The only way I can see of "their" being able to find out my new address was by interception of my letters to the UK.

Later in 1994, I conducted an experiment to see if my letters home were indeed being read. In a letter home I wrote of being depressed and talked in vague terms of suicide. I deliberately chose this topic, since I believed it was the outcome my harassers were trying to achieve, and that if they read the letter, they would "echo" its contents. Sure enough, soon afterwards there were two incidents of people shouting "suicide" at me in public places in Canada.

It is inconceivable for a private agency to have the ability to intercept postal mail. The state security service on the other hand is well known to engage in these activities.

Quality of resources / Access to Media. One of the strangest aspects of this case is the access "they" have to the broadcast and print media. I still do not understand what could persuade newscasters such as Martyn Lewis and Michael Buerk, who consider themselves "gentlemen", to behave in an almost voyeuristic way by "peeking" into the living room of one of their viewers. A year ago I wrote to the BBC asking if these newscasters would confirm or deny the accusations made against them. The BBC replied that their newscasters had denied the accusations, but refused to do so in writing.

It is well known that MI5 have the ability to plant stories in certain newspapers, but convincing television newscasters to "watch" a viewer while they read the news would surely be very difficult for them to accomplish, unless they presented themselves to these journalists as being, for example, a group in the media who were seeing to it that I got my "deserved" treatment. MI5 has a history of manipulating the media, so it might not be too difficult for them to accomplish such a trick, whereas a private group would not have this ability.

"Have they ever denied that they are the Security Service?"

No. Never. This is in fact the main reason why I believe "they" are MI5 and not a privately funded group. If my guess had been wrong then I am sure that "they" would have crowed over my mistake, but they have never admitted nor denied that they are employees of MI5.

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly.

"If MI5 were behind it, why would they wish to mask their involvement?"

I have heard a number of times a belief from people in the media that it is they, the media people, who are behind the abuse. In spring 1994 Chris Tarrant the Capital Radio D.J. said sarcastically on his breakfast show, "You know this bloke? he says were trying to kill him. We should be done for attempted manslaughter". We, we, we. Tarrant thought it was a media conspiracy.

Returning to the question of "interactive watching" by television newscasters, it would again be much easier for them to take part in that sort of activity if they convinced themselves that the surveillance and abuse were organised by "their own", by media people. It must be second nature to MI5 to mask their involvement in the matters they deal with; in this case, they pretend the campaign is organised by a group in the media, and any journalists who suspect otherwise keep their silence.

Conclusion

Over the last three years I have stated with some force my belief that MI5 are responsible for my misfortunes. I have done so on Internet newsgroups, in letters and faxes to people in politics and the media in the UK, and in 1997 I made a formal complaint to MI5 regarding their activities; the Security Service Tribunal replied in June 1997 that "no determination in your favour has been made on your complaint". (I believe the statement by the Security Service Tribunal can be disregarded, as they have never, ever made a ruling in favour of a complainant.) In three years of naming MI5 as my oppressor "they" have never denied the charge. To me, their silence on this point indicates that my guess was accurate. I believe my persecutors stand identified. The question of why they should carry out this campaign is one I will try to answer in a future article.

MI5 Persecution Update: Friday 15 May, 1998

The persecution has been quite severe for the last week. It appears that my enemies are reacting to the steady stream of faxes making their way over the Atlantic to the fax machines of Westminster politicians and the media. Here is whats happened in the last few days;

The week started off with an incident in the cafeteria at a local shopping centre where I habitually drink my morning coffee. My enemies have concentrated since winter 1995/96 on throwing a particularly horrible sexual slander against me. They "put people up" to repeat this slander against me, and this is what happened again here.

On Thursday morning (yesterday), instead of going to the usual cafeteria I went to a nearby convenience store for coffee. The same horrible sexual slander was shouted at me very loudly by a member of staff as I walked into the store. This was the first time I had ever bought morning coffee in that shop. The other staff obviously knew what was going on, one of them said, "they screwed up my life".

The fax gateway I use to send these faxes to the UK has been working hard these last few days to shut down my access by barring the accounts I use to send these faxes.

I have received an anonymous threat from fax number 0171-219-6101 (the machine gave its name as "ETRA-HoC") which said, "Stop sending to this fax no 0171-219-6101 or else" (the consequences of continued transmission were unspecified). I invited the sender to apologise for his threat, but received no response.

This all adds up to quite a severe reaction to my faxes of the last few weeks. I actually find this quite heartening since it shows that my faxes are finding the mark and there may yet be a breakthrough in my efforts to expose the Security Service conpiracy of abuse against me which has now been going on for eight years.

MI5 Persecution: "Why would they be doing this to you, sir?"

This article will concentrate on the difficult question of "Why". The question which forms the title of this piece was asked of me by the police officer I spoke to in Easter 1995, when I went to make my complaint.

There are really two sides to this question. Firstly, why should MI5 be harassing anybody in this fashion? Secondly, if they choose to behave in this way, why should they have selected me in particular, and not somebody else? Alternatively, why did the persecution start, and why is it continuing?

I do not have definite answers to either side of this question, since my persecutors have usually kept themselves hidden and only acted through other parties. To know "why", one would have to know who the persecutors are, and something of their personalities, since their abuse is almost certainly symptomatic of a personality disorder of the abusers. Certain things however can be deduced about the abusers from the nature of their behaviour, and I will talk about this later in the article.

Why did it start?

It is clear that the persecution must have been initiated by someone who knew me personally, either at school, or at university, or socially, and knew that I was borderline mentally ill, since this is what makes me a target for the persecutors. Unfortunately, the originators have never been identified, and there are several possible candidates. Neither has the link from the originators of the persecution, to the persecutors themselves, ever been made clear. So who are the originators?

University Staff

The identity of the originators may lie in the timing of the persecution. It started in June 1990, while I was finishing a course at Imperial College in London, and a year after I graduated from Cambridge, where I received a degree in computer science. At Cambridge I had achieved some notoriety in the computer lab from various nefarious exploits. Roger Needham attacked me by saying that "there were great hopes for it, but it failed terribly". When I started at Imperial I found that my reputation had preceded me; Cambridge computer lab had spoken to I.C. lecturers about me. I.C. lecturer Frank McCabe summed up commenting about "setting up a straw man so you can tear him down". (Despite being "torn down" by the Cambridge computer labs lecturers, I still achieved a good first degree and a Masters degree at Imperial.)

## Other students at university

So, the originators may have been university staff who knew me from my student days. But there are other possibilities. I had other enemies at university, including some fellow students. At my Cambridge college it was common knowledge that my mental health was dubious, and it was known that I talked to myself in my sleep - the floor and walls were quite permeable to noise, so other students heard. I was given the nickname "gibber" because of this habit. Sometime later, I managed to catch myself talking in my sleep when I woke up in the middle of the night.

Here is a quote from a participant in the internet newsgroup where I have been posting for the last three years;

>One thing which has been missing from this discussion is this simple
>prognosis: that maybe he is right and that, despite his admitted
>mental condition, there really is a campaign against him organised by
>now-influential ex-students of his university.

## People I knew socially

I had yet other enemies in 1990 (I am a man of many enemies!). In January 1990 I broke up with some people I had been going out with socially. One of them, by the name of Andy Turner, wrote a letter to Alan Freeman, who at the time was a Radio 1 DJ. Freeman read part of the letter out on his Rock Show, about the "one who wore out his welcome with random precision", saying "thats a hell of a letter you wrote there Andy", and "with a schizophrenic youre never alone".

It is my belief that Andy Turner and his friends were trying to make trouble for me, and Turner wrote to Freeman with this in mind. Freeman may have discussed the letter with others, and things may have snowballed from there. This is, of course, pure supposition. The fact is that I do not know who the originators are, and can only guess.

## Once it started, why is it continuing?

The answer to this question is obvious. It is unacceptable to the "powers that be" in the UK to have somebody running around who knows he has been targeted by the Security Service and media organizations, and who is in a position to embarrass British institutions. This has become particularly evident in the last week; as I send more faxes to UK politicians and media, so the pressure on me grows, and the volume of abuse increases.

Part of the reason the persecution continues is in the personalities of the abusers, and it is this subject to which I will turn to next, since the key to understanding the persecution lies in understanding those who carry it out, as much as we can.

## The Security Service operatives, the persecutors, are they psychopaths?

Let us first examine the definition of the term "psychopath". DSM-IV defines "anti-social personality disorder" as a "pattern of disregard for and violation of the rights of others ... deceitfulness, irritability and aggressiveness ... consistent irresponsibility and lack of remorse". The Harvard Mental Health Letter of Sept 1995 describes these people as using "charm, manipulation, intimidation and violence to control others and satisfy their own needs. Lacking in conscience and in feelings for others, they cold-bloodedly take what they want and do as they please", having "no guilt or regret".

I must say, reading this description of the condition, that it fits the persecutors perfectly. The persecutors have never shown the slightest remorse or guilt. Even when I was severely ill, they continued to abuse me. They have repeatedly blamed their actions on me, which is another trait common amongst psychopaths. They have no respect for my legal or personal rights, and they use intimidation and verbal violence.

If the MI5 operatives are psychopaths then it would explain both why the persecution started, and the degree of verbal violence. Psychopaths by definition damage other people; here, the MI5 operatives find an outlet for their personality disorder, through "cripple-kicking".

## Xenophobia on the basis of mental illness, and race

My enemies have made clear many times that one of the reasons they are persecuting me is because of my admitted mental illness. However, it is my belief that they are also persecuting me because I am not of ethnic English origin, and the fact that there have been several incidents of an overtly racist nature reinforces this view.

In one case, two youths on a tube train in London made openly racist references to me as a "soft toy, not up to British Standards". Another person near my home made remarks about "Polish people". In yet another incident in Croydon, a youth made comments about "foreigners".

But the main thrust of their xenophobia is because of my mental illness. I should make clear that I do not look ill; if you met me, you would not know that I had the illness. I take a relatively low dose of medication, and feel quite well. But the persecutors have repeatedly harped on about my supposed serious mental illness; they have called me a "nutter", a "schizophrenic", etc. They have also persuaded other people to use these terms of abuse. They are able to get away with this because abusing the mentally ill is still something which is mostly acceptable in Britain; the media do it, "nutter" is not taboo in the way that "nigger" is.

## Conclusion

There are several groups of people who might have wished to cause me trouble, and I still do not know who originated the persecution. Nor do I know how the originators came to be in contact with the (presumed) Security Service operatives who have been carrying out the campaign. To know conclusively why it started, we would have to know who started it, and this information is not available.

However, we can infer some things about the personalities of the persecutors from their methods, and from the degree of verbal violence they employ. It is clear that a main reason for the continuing harassment is the psychopathic disorder of the MI5 agents who carry it out. That they have never been "brought to book" for their misdeeds reinforces their belief that they do no wrong; and, unhappily, until they are brought to book, their persecution campaign looks set to continue.

# MI5 Persecution: .net Magazine Applauds my Website

The March 1998 issue (number 42) of .net Magazine reviews the MI5 Persecution website describing it as an "excellent site". The webpages describe in detail the nature of my persecution since 1990 by what are believed to be elements of the UK security service.

(snip image)

You are encouraged to read the web pages which include

- a FAQ section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public
- an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me
- factual descriptions of the state security agencies involved
- scanned texts of the complaints I have made to media and state security agencies involved
- posts which have been made to netnews over the last three years on this topic

MI5 Persecution Update: Friday 13 November, 1998

If You Intend To Reply, Please Read This

If you have any questions or observations you would like to share with me, then you are very welcome to reply to my fax number 0171-681-1190. But please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. I do not know if he had anything intelligent to say in his 20-page fax because I applied judicious use of the "Delete" key on my computer. Faxes over a page or two will be deleted without being read.

MI5 Resume Hostilities in Response to these Faxes

When I wrote last weeks "MI5 Persecution Update" I remarked how quiet my life had become. No longer! MI5 have restarted hostilities with a vengeance the past week, in response I believe to the faxes I have been sending to members of the House of Commons.

On Saturday 7 November I went to Clapham Picture House cinema to see the film "Antz" (a very enjoyable film). At the cinema, I was verbally assaulted by a group of teenagers with the words "still crazy", repeated about ten times. There was a film with that name showing at the cinema, but it was clear their abuse was directed at me. I do not look ill, so why would they pick on me? answer, the incident was set-up by the persecutors. One of the teenagers also said to another, "I don't know what we're laughing at".

The following day, Sunday 8/11/98, I was on my way to play squash when I was verbally assaulted by a youth who said "it was so funny", without the slightest trace of humour. What he meant by this phrase was that was funny, and they were trying to humiliate me. I have heard this phrase "it was so funny" used at me before many, many times over the last eight and half years.

Please Encourage Keith Hill MP to Help Me

I live in a bugged house, bugged both for audio and video. My movements are monitored by MI5. The Security Service have followed me to Canada, to Poland and the Continent, to the States. I cannot work anywhere, not in England, not in Canada, because MI5 will destroy whatever employment I am able to obtain. I have asked Keith Hill MP to help me, and he has refused.

The situation is intolerable. It is Mr Hills job to help me out of this mess. So, please, as I said in the last fax a week ago: Do not waste your time returning multiple copies of my faxes to my fax mailbox, as some of you have done. Instead;

Please encourage Keith Hill M.P. to help me.

I am sorry to be using this device to encourage Mr Hill to help, but I think eight and half years are quite enough and it is time something was done to bring this matter to a close.

## MI5 Persecution : BBC Newscasters Spying on my Home

This week's topic is the quite extraordinary claim that BBC newscasters such as Martyn Lewis and Michael Buerk have spied on my living room while they read the news. I currently have an advert running for the next six months in Private Eye's "Eye Say" column (at a cost of over #200) which says,"MI5 Persecution - BBC Newscasters Spying on my Home"; the story of my campaign in the Eye is on my Website at; http://www.pair.com/spook/evidence/plaint/priveye.htm

BBCs staff magazine Ariel also ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm

### Beginnings

The very first incident in the "MI5/BBC Persecution" occurred in June of 1990, when a newsreader reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

Most of the "TV watching" has occurred on the news, and most of it in summer 1990, although some as late as autumn 1993. My website has a few extracts of what might be politicians "getting at" me, in particular John Major and interviewer Dimbleby sharing a joke about the "Knutsford Guardian" which is almost certainly about me.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

### Examples of Media Harassment

Here are a few examples which I can still remember of media harassment;

In early 1992 I was watching the BBC news with Martyn Lewis on a small black-and-white portable television at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

Victor Lewis Smith in his TV (BBC2?) program at the end of 1993, had a taxi-driver saying, "theyre all out to get me", to which VLS replied, "but you're quite intelligent aren't you?" (what a nice chap VLS is, compliments no less!)

Paul Daniels the TV magician, sometime in 1990-92 (sorry I can't be more precise but it was so long ago), made a "crying face" and put his face in his hands, which was his way of expressing that I was frequently crying in 1990-92, and that he and other media people found my crying funny.

Kenny Everett (deceased) on some talk show, compared me to a "huge ape" who "scratches himself"; he made some other remarks about what the "ape" got up to which unfortunately I cant remember. (I remember that Everetts comments were quite sympathetic and human, but were obviously about me.)

Stephen Fry on another talkshow (Wogan I think) talking about "masturbatory fantasies", he then referred to me with the words "you prat"; I wonder if the studio audience knew what he was talking about and to whom his comments were directed?

Griff Rhys Jones on Clive James' TV show, made a "lunatic face" (wide fixed grin) to which I said to the TV that he had a "face like a horse's arse", to which Clive James said to GRJ "did you hear that?"

Crimestoppers summer 1990, remarks by a Midlands police officer on the programme, while Nick Ross was presenter (as far as I can remember). The officer talked about "in car entertainment". Nick Ross said to officer, "why don't you stop doing it?" to which he replied, "we can't while he's like this".

BBC2 Newsnight in autumn 1993 had a piece on football hooliganism. A black interviewee said apparently of the hooligans, but in fact of me; "they're just idiots, carry on with the surveillance".

There was an incident with Jonathan Ross which I remember clearly; he was on both BBC and ITV television at the same time, one (ITV I think) was recorded, the other channel was live. Ross has a speech impediment which causes him to pronounce his "r"s as "w". I sarcastically said something about "Mr Woss" to the recorded channel, then turned over to where he was live, and he repeated "Woss" with heavy emphasis and sarcasm.

On the radio, in spring 1994, Chris Tarrant made a sarcastic remark in his morning show, saying "he says were trying to kill him, we should be done for attempted manslaughter", to which another of the studio staff said, "oh no, dont say that". His comment was in reply to a comparison Id made the previous evening between my persecutors and the Polish secret police who murdered dissidents.

## Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "interactive watching". They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

I can understand that they might think that if they were to make written denials to me, then many other people with my condition might write to them with similar questions. But Ive asked a couple of journalists if theyve been writing about me, theyve made written denials, Ive believed them, and I have not put their denials on my website because, since I believe their denials, it would not be relevant to publish them.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

One of the strangest aspects of "TV watching" is that Buerk and Lewis have convinced themselves that their "interactive spying" is reasonable behaviour. Martyn Lewis thinks of himself as a "gentleman". He expressed in 1992 that he was "on my side". If this matter ever comes out into the open, I wonder what these newscasters will have to say for themselves, and what the British public will make of their behaviour?

## Media Persecution Evidence on my Website

You may directly access the Evidence section on my website at URL;

The category currently contains four video segments, a number of audio files and three published articles. The first video of ITN's John Suchet is unfortunately a mistake - after looking at it again it is obviously not about me. The two Ken Clarke excerpts may or may not be about me; it is funny that he should keep on harping about "paranoia" and "madness", but I have given these ratings of only 30% certainty, as it is more likely that they are not about me in particular, and Clarke is simply displaying the normal prejudices against the mentally ill found in much of society.

The piece I find most interesting is the Dimbleby/John Major interview from April 1997. I have assigned this a 90% rating. Dimbleby starts by emphasising a report from the "Knutsford Guardian". Major recognizes what's going on and joins in with a falsely apologetic "heaven forfend". The emphasis is on the first syllable pronounced "nuts" in "Knutsford", which is repeated three times. Of course this is hardly anywhere near convincing evidence; the really clear items were all in 1990-92, and they are basically unobtainable now.

If you're reading the website, have a look at the two files from David Hepworth's programme on GLR radio. The first one from 21/Feb/1997 has him talking about an "embarassment" of prizes and "absolute obscene", in reference I believe to the verbal sexual abuse that was being used against me at the time (and which unfortunately is still current). In the second file dated 9/May/1997 he again talks about "absolute embarrassment" of prizes, followed by laughter. To my mind he knows I am listening to his programme, and deliberately makes these remarks for my benefit, with very little attempt to disguise their purpose.

Bernard Levin - "Fanatic's Fare for the Common Man"

On 21 September 1991 this article by Bernard Levin appeared in The Times. It is reproduced in the Evidence section of the website, or may be accessed directly at URL;

To my mind, Levin's article described the situation at the time and in particular a recent meeting with a friend, during which I for the first time admitted to someone other than my GP that I had been subjected to a conspiracy of harassment over the previous year and a half.

Levin writes about a "madman running loose about London" who "bursts into tears, and swears it is all true. And it is." I am pleased to agree with his assertion that "it is all true" because the truth is what I presented to my friend in September 1991 and it is what is being presented to the readership of these articles now.

Conclusion

The harassment, in particular media persecution, was at its strongest in 1990-92. Today, I am recording everything I watch, read and listen, and the media have pretty much given up. It is now incidents "in public" which make up what there is of MI5s persecution. But much of the material from 1990-92 still exists in archives, although the organisations which have those archives generally wont make the material available to the public, for copyright and other reasons.

MI5 can no longer employ the media to persecute me, partly because journalists now know who is behind the persecution, and also because I would publish any instances. My mistake during 1990-92 was to not record instances as they happened; Ive learned from that mistake, and know better now.

MI5 Persecution Update: Friday 19 March, 1999

If You Intend To Reply, Please Read This

Please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. Faxes over a page or two will be deleted without being read.

Theyve started again. Why? I have no idea.

Unhappily, the persecutors, whoever they might be, have started their activities again over the last two weeks. Usually they try to blame their activities on their victim, but this time they have stopped even pretending that the persecution is my fault. Their verbal abuse appears as gratuitous as it is vicious.

Last Sunday 14 March, I went for a meal in Londons Chinatown with some friends. As we were walking down Gerrard St, a man shouted loudly, twice, the obscenity which has been directed at me for some three years now. This followed previous incidents where the same words had been used. It is very upsetting to be verbally abused in this way and to know that the cowardly abusers are guaranteed to "get away with it" because if you report it then it will be assumed to be part of your illness.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

## MI5 Persecution : How to Identify the Persecutors

Usually delusional thinking does not allow the perpetrators to be identified, or the alleged persecution to be proved. My so-called "delusions" are different, because I have several times over a period of some nine years seen the same people, in widely varying places. Most importantly, their names have been recorded, on aircraft passenger lists and hospital register; and if only the police would do their job conscientiously then the persecutors could be identified and this unhappy story brought to a final conclusion.

### BA93 Heathrow->Toronto, 10 June 1993

In 1993 I flew to Toronto for a holiday. On disembarking from the aircraft, a group of four men who travelled together looked in my direction, and one of them said, laughing, "If he tries to run away well find him".

I was absolutely stunned when I heard this. I wasnt surprised that they had followed me to Canada, but it shocked me that they had been on the same flight, and that one of them had foolishly given their group away. Unfortunately I was so stunned that I made no attempt to stop them as they got off the flight and proceeded into the terminal. I did not see these people again during my visit to Toronto. I do not know whether they followed me, or whether they were only part of a larger group, some of whom may have already been on the ground and awaiting my arrival.

Over the next few years I made a number of attempts, all unsuccessful, to obtain the passenger list for this flight. British Airways keeps passenger flight coupons for each flight; so if only the police would do the job that is being asked if them, then these four persecutors could be identified, and thus their employing organisation, which is very likely to be the Security Service, determined.

These four men were, apart from the joker who looked the odd man out in the pack, very serious individuals. They appeared to be in their forties or fifties, and my impression on seeing them was that they might have been former soldiers. Their campaign against me concentrates on how "funny" their abuse is; but in this they are plainly lying, because they realise how awful will be the damage to the establishment of which they form part, if the truth about the persecution ever sees the light of day.

### The riddle of "Alan Holdsworth"

During Oct/Nov 1996 I saw a doctor several times about an infection, and on 2 Nov 1996 I went to Emergency at the Ottawa Civic Hospital and saw Dr Worthington, who was then Chief of Emergency Medicine. I had to wait several hours before being seen, and several people jumped ahead of me in the queue. One of these was a grey-haired man in his forties or fifties. This may have been one of the men on the BA flight in 1993; I cannot be sure. When Dr Worthington asked his name, he loudly said, "Tad", which is the common abbreviation of my name. Dr Worthington looked puzzled, glanced at the sheet in front of him, and said, "but your name is Alan Holdsworth isnt it?". (I am pretty sure his Christian name was Alan; I cannot be sure of the surname). The man looked put out, and said quietly, "yes".

Unfortunately, I did not follow up this incident immediately. Some time later, I wrote to Dr Worthington to ask the name of this patient, but he refused to give the name out.

I saw this person again two and a half years later, at Ottawa Airport, just as I was about to leave for England. In the warm weather, he was wearing a coat and woolly cap, and pacing up and down in a menacing and aggressive manner. Presumably he thought he was pretending to be a "nutter" and in this way was getting at me; my impression is that he doesnt need to pretend, Holdsworth or whatever his name is is clearly a psychopath and in a healthy society such a person would be locked up, instead of being paid public money to exercise his psychopathic instincts. But todays Britain, a country where the MI5 secret police are given free rein and nobody dares raise a voice in protest, is not a healthy society.

"He doesnt know who we are"

For some reason, whenever I take a British Airways flight, I get hassled by the "persecutors who wont admit theyre MI5". Since this business started, I have travelled BA three times; once in June 1993 BA93 (see above), once to/from Europe during Dec 95/Jan 96, and once in June 1998 with my mother to visit her family. The last journey, I was abused by two "plants" who kept repeating, loudly, "paranoid" (I have this recorded on minidisc). Presumably British Airways gives MI5 the seating plans for their flights, which allows MI5 to position their agents of abuse three rows behind me, so I cant face them, and they are throwing abuse at the back of my head. I have travelled BA as infrequently as possible; to Canada, I usually travel Air Canada.

Anyway, lets return to the second of the three BA trips, and in particular to the flight on 2 January 1996 from Berlin Tegel, to Heathrow, and onwards to Montreal Mirabel. Id waited all night at Tegel for the flight, and was very tired on reaching Heathrow. On the plane to Montreal, two youths sat about three/four rows behind me and to the right, in the window seats. One of them, a rather fat "asshole" to use the Americanism (it fits), kept on going on about "this bloke", saying among many other things, "he doesnt know who we are".

Now that form of words is particularly interesting, because from May 1995, some 8 months previously, I had been vigorously denouncing the "MI5 Persecution" on Usenet. So if Id guessed wrong, then you might expect the harassers to crow about it; which they have not done. If I had guessed right, and the persecutors have been silent before and since this flight, then they could either admit they were MI5, which would be a very serious thing for them to own up to, or they could brazenly lie, in which case I would report their lie, and since many people must surely know who they are, they would lose all credibility. So they have remained silent; apart from this one phrase on the BA flight, where one of their agents said, "he doesnt know who we are". Note carefully that this phrase is NOT a denial, it only appears to be a denial; since it does not say that my guess was wrong; it only states the objective fact that I do not know the identity of the persecutors, without giving any information as to the validity of my guess. Which leads me to posit that my guess was correct.

The Usual Words

The persecutors-who-wont-admit-theyre-MI5 have been active again this week. On Saturday 20/3/99 I visited Ravenscourt Park in west London, and was verbally assaulted with the usual words, "something wrong with him". This audio file is on the web at URL;

This afternoon (Friday 26/March) I was again verbally assaulted while travelling by bus. The same sexual obscenity was thrown at me, and the incident was recorded on my minidisc-walkman. Because of the deeply offensive nature of the slander, I will not be posting this on the website.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Persecution : Browse Website

The March 1998 issue (number 42) of .net Magazine reviews the website describing it as an "excellent site". Since August 11, 1996 over 50,000 people have browsed this website.

You are encouraged to read the web pages which include

a FAQ (frequently asked questions) section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public

an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me

objective descriptions of the state security agencies involved

scanned texts of the complaints I have made to media and state security agencies involved

posts which have been made to netnews over the last four years on this topic

This article outlines what is to be found on the webpages, which you are encouraged to browse for the complete story.

Frequently Asked Questions

Your excursion through the website starts with the "FAQ - Frequently Asked Questions" portion. MI5s campaign of harassment against me has been going on for almost 9 years, and its longevity and breadth is reflected in the FAQ. Many thousands of people in Britain and abroad, including some recipients of this fax, have known for many years of MI5s activities against me. The FAQ describes the mass "Omerta suppressing its publication"; we pretend Britain is part of the "Free World", yet the

British Secret Police, which is what MI5 are, carry on for many years a campaign which politicians and the media know about, and rely on the silent complicity of so many thousands of people.

The FAQs introductory article names those who are "in the know"; media figures like Martyn Lewis, Michael Buerk, entertainment figures like Chris Tarrant, politicians and many in the general public, "all united in a conspiracy which breaks the laws which the UK does have regarding harassment, and all completely uncaring for any semblance of decency or elementary respect for individual rights.

Broadcast media play a key role in the harassment. The very first incident in June 1990 was when a television newsreader reacted to what she saw happen in my living room at home; such incidents of "interactive television" are still happening in 1999. The same goes for radio stations such as Capital FM. In spring 1994, Chris Tarrant on his Capital morning show made an aside to someone else in the studio, about a person he didn't identify. He said, "You know this bloke? He says we're trying to kill him. We should be done for attempted manslaughter". Tarrant and Capital have made strenuous efforts to avoid answering this charge.

Perhaps worst of all, MI5 have deliberately set-up many incidents in public places such as tube stations, shops, cinemas, where they have paid people to throw abuse at me. Since MI5 obtains funds to the tune of 160 million a year to fund its criminal activities, it has funds both to pay its operatives and to "buy" media figures and members of the public to take part in its campaign of persecution.

The Security Service are professional liars. They throw slanderous abuse, yet they refuse to admit out loud that they are doing so. When challenged about their activities through the Security Service Tribunal they lie and deny their activities. They induce other workers and managers at places of employment to take part in their campaign of abuse, presumably by buying them in the same way they buy media figures.

Complaints, and Press Coverage (BBC Lies, MI5 Lies)

As you might expect I have challenged both the Security Service, through the Security Service Tribunal, and offending broadcasters, to own up to what they have been doing. And as you might also expect, all of these people have lied through their teeth. Still worse, they have refused to commit unambiguous lies on paper; they have couched their lies in bureaucratic language, and allowed others to make false assurances and tell lies on their behalf. So when their lies are exposed, they will then tell further Clintonesque lies about how they werent really telling lies in the first place!

On 6/Feb/1997 the BBC told me they would "never engage in any form of surveillance activity such as you describe". The BBC told me Buerk and Lewis had refused to put their lies in writing, but had stated verbal falsehoods denying my accusations of "interactive watching" during news broadcasts. Clearly Buerk and Lewis fear being caught and exposed, so they hide behind their Viewer Correspondence department.

In March 1997 I issued a summons against the BBC to try to "smoke them out". This summons was struck out as "disclosing no reasonable cause of action", because I had acted as a Litigant-in-Person and most LiP summons are treated thus. My case was arguable in law, so the striking out was unjust.

In June 1997 the Security Service Tribunal wrote to me regarding the complaint I had brought against MI5 in February. They say, "The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint." I think you can guess the contempt which I feel for the Security Service Tribunal, who have never made a determination against MI5, and act as merely a whitewashing body for the Security Service. Unsurprisingly in May 1997 the Interception of Communications Tribunal gave the same result.

The last few items of "Press Coverage" give details of mentions of the MI5 Persecution in various magazines and newspapers such as BBCs Ariel, the Observer and .net magazine.

## Evidence

Some audio and video clips of evidence have been recorded. My weakness in this area is because most of the really unambiguous evidence would have been obtainable in 1990-92, but I wasnt taping anything at the time, and its very difficult to now obtain recordings from that period.

The audio clip "Life is so Hard" relates to harassment at my workplace in Canada. In the latter half of 1996, I was sitting near to co-worker Mark Lee, who kept coming out with words and phrases which showed MI5 were supplying him with data from my home life. For example, I would say something on the telephone at home, and the following day he would repeat verbatim what I had said. When Mark Lee saw I was recording what he was saying, he started to make his remarks more ambiguous, or make the obvious ones out of earshot of the recorder.

However, during the evening of 12 November 1996, at home in my apartment (flat to you UK-ers), I said "life is so hard, and then you die". A nihilistic, negative thing to say, but quite distinctive. The following day, 13 November, Mark said loudly, "life is so hard eh, and then you die" followed by loud laughter. I captured this on my tape-walkman and the computer-audio file is posted on the website.

There are a number of other audio files in the websites "Evidence" area demonstrating the abuse to which MI5 subject me to through their paid agents.

Also in this section is a very interesting article by journalist Bernard Levin, which followed a meeting I had with a friend in 1991, and to my mind describes in some details Levins "artists impression" of the meeting. He talks about a "madman" who "bursts into tears, and swears it is all true. And it is."

Internet Newsgroup (Usenet) archive

From May 1995 until the present day, this matter has been discussed exhaustively on internet newsgroups. The most interesting articles from the first two years of posts are documented here. This area is worth reading since most of the questions which the reader would ask, have been asked at some time or another by someone on usenet. Perhaps the very first article posted sums it all up so succinctly;

Date: Thu May  4 18:27:24 1995

Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?
Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their victim.
And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment or abuse except in the case of racial abuse.
A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.
Have the British gone mad? I think we should be told.

So how much deeper will the persecutors-who-wont-admit-theyre-MI5 sink in their campaign of lies and intimidation? Each time I thought they could sink no lower, they have managed to surprise me. You thought it could never happen here? When the MI5 British Secret Police make their smears against me, it is the corruption of the Establishment, which they are part of, that is demonstrated.

MI5 Persecution Update: Friday 16 April, 1999

BBC newscaster Nicholas Witchell cant stop himself laughing

During 1990-91 there were very many instances of "interactive television" where newscasters and other TV presenters saw on a screen before them what was happening in my home, and reacted, frequently by laughing at me. During this period I unfortunately did not record these programmes. For the last year or two, I have been recording everything I watch, and there has been a drastic decrease in such incidents.

However, on occasion, television presenters do still engage in "interactive watching" and react to what they see. This has been evident with Jon Snow of Channel Four News recently - a particularly interesting case, since it has been established that he cannot be corrupted by money (it is well-documented that MI5 offered him a tax-free salary and he turned them down). I wonder what device MI5 are using to encourage him to do the "interactive watching"?

On Saturday 10 April 1999 at 7pm, Nicholas Witchell on BBC2 News reacted when he saw that I was watching the programme, and I have his reactions stored safely on videotape. I have watched this tape several times and I am entirely confident that my evaluation of his reactions is correct. For several minutes his upper lip quivered in mirth as he attempted to keep a straight face. Then finally his self-control evaporated through the excuse of a weak joke and his face collapsed into a grin.

The strange thing is that I dont know why he was laughing at me, what I had done recently to "deserve" to be laughed at. The MI5 persecutors usually manage to invent some justification as to why people should laugh at and/or abuse me ("hes an X", "it was so funny" etc), so Mr Witchell could have been laughing for any number of reasons. Perhaps he found the views I have been expressing in these articles amusing? I suppose if youre paid enough money and ordered to laugh then even the most innocuous thing becomes funny.

Jon Snow of Channel Four News cant stop himself smirking, either.

On 12 February 1999 I was watching Channel Four News presented by Jon Snow. As usual, I was recording the programme, so that if anything out of the ordinary happened, Id be able to go back and watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says he turned down an offer of a substantial tax-free salary from MI5 - they wanted to make him their mouthpiece, and he told them where to get off.

So you will be most surprised to learn that Jon Snow "interactively watched" me that evening, and on many other evenings. Approximately fifteen minutes into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the clock on the mantelpiece; and Snow saw me looking at the clock, and visibly tried to suppress a smirk.

Uncorruptible, are you, Mister Snow? If not money, then why are you watching me, Mister Snow? Are they forcing you to watch me? Cant you turn the monitor off, Mister Snow?

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

## Comparing the MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass murder of millions of civilians in wartime with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind for several years now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone they vituperate and term "not up to British standards". The methods may differ, but the persecutors mindset is the same.

## The Germans first targeted the mentally disabled, too

During WW2 millions of ethnic Russians, Poles, Jews, mentally ill, gypsies and other minorities were rounded up and murdered in purpose-built camps by the German regime, in the name of "racial superiority". Fifty years on, the British Secret Police, MI5, instituted a campaign of mass hysteria; but in their cowardice, limited their activities to one single victim.

It is instructive to note that the early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The Nazis set up the T4 project in the thirties to "cleanse" away 70,000 mentally disabled people, including schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction from the holocaust to roll back anti-semitism in the Western countries; however, the mentally ill are today still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the UK intends to bring in laws for incarceration without any criminal charge for some mentally ill people - he protects his own minority, but does nothing for the other minorities in todays society), and this continuing bias forms a central cause for the current acts of persecution in the UK.

## Widespread knowledge of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and the current British persecution, many, many people are well aware of whats happening. There is widespread complicity through inaction of populace; and in a substantial proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet in both the German case in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In the recent Lawrence case this "secret bigotry" has been termed "institutionalised racism", and that is a very good word for what the British are doing today The persecutory attitudes and omerta regarding them are so deeply ingrained in the national psyche that they define the national mood

During WW2 many Germans knew minorities were disappearing, and through inaction quietly condoned their government's mass murder of "un-German" minorities and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British Secret Police have been doing, and not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that is the target of "British" actions. This attitude by the British persecutors has been made explicit through the words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to victimise.

## Why these obsessive "holy wars" happen

This type of aggression occurs when the majority is threatened or humiliated in some way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military, following Germany's humiliating defeat in the first world war and the reparations it was forced to pay. In modern Britain, one might guess that the majority English who are behind the persecution feel pressured by the swiftly diminishing status of Britain in the world, and the rapidly increasing coloured colonisation of their country, which in time will see the ethnic English a minority in their own land, and their more antisocial elements, unable to reply to the obvious threat, instead project their aggression onto another, weaker, unit minority

In both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour fifty years ago bordered on the not-quite-sane, and the current British behaviour towards their chosen victim is strongly tinged with a leave-taking of reason. And the choices open to the victims are the same, since MI5 will never allow me to escape them, "if he tries to run away we'll find him", just like the commandant of Auschwitz telling the new arrivals, "the only escape is through the chimney".

## The Victim Will Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago the Germans said, "if we don't do it to the Jews then the Jews will do it to us"; and MI5's propaganda in the early nineties concentrated on their victim as a "monster" aesome "untermenschen" minority.

## "We are decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of the very interesting book, "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side by side, or five hundred or one thousand. To have stuck it out, and at the same time .... to have remained decent fellows, that is what has made us hard. This is a page of glory in our history which has never been written and is never to be written."

In the MI5 persecution, too, there is a thread of deliberate brutality to the sick and vulnerable, while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in the self-attitudes of the Security Service operatives and those in the public who they employ against me, which reflects the contradiction evident in the German attitude above. On the one hand, they stoop to the lowest and most base behaviour; yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely they must by definition be "decent fellows". Any indecency is made the fault of the victim; "hes making us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these peoples see their normal modes of behaviour. Befslaughter was not typical of normal German behaviour up to that point. Similarly, the current MI5 abuse goes against the grain of British self-image as being "reserved" and "decent", since they are using terms of abuse which are common among blacks and other supposedly less-developed races, but not among the English.

## Conclusion

The ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very direct way; the British Secret Police MI5 are acting indirectly and relying on self-extinction of their target, because in peacetime and in the current somewhat false climate of "political correctness" more direct methods are impossible. If MI5 undertook more direct action the mass "omerta" would be broken.

I have written this article with sincerity to show how a historically recent persecution in another country parallels what is being done in this country today. In both cases, the evil-doers are of their countries establishments, and rely on widespread tacit support to maintain the persecution and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to be aware of the fact that had the Germans not been defeated fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the "permanent government" of which the Security Service forms a part; and it looks very unlikely that the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British secret state brought to justice for its evil actions.

What do you have for a scanner? I don't think consumer scanners have
the ability to monitor two freq. at once. You could leave it "scan"
mode, though!

Analog Gov't/Police/Fire broadcasts are usually in the Mid VHF band
(136-174 MHz, excluding 162). I think you can listen to air-traffic
control in the Low VHF band (118-136 Mhz). I live a few dozen
kilometers from an airport, in which I can listen to the communication
on 132.7 and 123.9 MHz. Correct me on all this if I am wrong. (I am a
novice :-)  )

Didn't Radio Shack go out of business a few years ago? (I think they

# MI5 Persecution Update: Friday 30 April, 1999

## If You Intend To Reply, Please Read This

Please.... keep your response to one page!. Faxes over a page or two will be deleted without being read.

## Somewhere between 0 and 100%

The last few days there have been no clear recordable instances of abuse. However, while travelling on the Underground, while walking around near my home and going to friends homes, I am constantly troubled by thoughts that those people over there might be about to get at me; that the couple sitting in the opposite seats laughing are in fact laughing at me; et cetera, et cetera.

A comment by a scientist to the BSE inquiry sticks in my mind. He described the possible scale of the epidemic as "between 0% and 100%". It might not be happening, it might not happen at all, to any discernable degree.... or it might be total. Without clear recording, which seems to have become impossible the last couple of weeks, there is no way of knowing whether the harassment really is continuing, whether we have entered a temporary hiatus, or whether perhaps it has perhaps stopped for now.

But for the time being I think there arent any reasons to dicontinue these faxes. I only re-started them six weeks ago in response to a resumption of MI5 harassment; and I think I will need to be more convinced of absence of persecution before I discontinue my complaints.

## The Newscasters are still watching

In the last few weeks there have been at least a couple of fairly overt instances of "interactive watching" by newscasters. I reported this in a previous "MI5 Persecution Update".

These instances are really very rare compared to 1990-91, when there were many dozens of such occurrences. Undoubtedly the reduction is due to my practice of videotaping everything I see. Recently I had the opportunity of showing this years "happenings" (Jon Snow/Nicholas Witchell) to my psychiatrist, and he agreed that in both cases the newscasters were expressing merriment without visible cause, and that objectively it might be possible for my claims to be true - although of course other people reported similar thoughts to him, and this thinking is usually a symptom of illness.

## Read About the MI5 Persecution on the World Wide Web

The March 1998 issue (number 42) of .net Magazine reviews the website describing it as an "excellent site". Since August 11, 1996 over 50,000 people have browsed this website.

You are encouraged to read the web pages which include

a FAQ (frequently asked questions) section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public

an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me

objective descriptions of the state security agencies involved

scanned texts of the complaints I have made to media and state security agencies involved

posts which have been made to netnews over the last four years on this topic

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Waste Taxpayer Millions on Pointless Hate-Campaign

Recently I was talking to an independent observer about the nature and purpose of the perceived campaign of persecution against me. The person I spoke to, a highly intelligent man, said he was struck by the utter pointlessness of the perceived campaign against me. He also said that, if my theories were in fact true, many people would have to be involved, in the surveillance itself, and in the technical side of the delivery of information from my home to TV studios for example, if the "interactive watching" were happening as described. He voiced these thoughts without any prompting from me; but both I and other observers had arrived at pretty much the same conclusions, some years ago.

I saw a team of four men at Toronto Airport in 1993

To carry out the surveillance alone, full-time, would employ four or five men, or their equivalent in terms of man-hours. Each man would "work" an eight-hour shift, so you would need at least three men doing the surveillance, plus a connecting link / manager. An indicator that this estimate is correct arrived in 1993, when I was accosted by one of a group of four men at Toronto Airport; he said, laughing, "if he tries to run away well find him". Plainly these were the men who had been involved in the intrusive surveillance of me for the preceding three years.

On other occasions, I have seen the same man on two or three occasions. On one such occasion, at Ottawas Civic Hospital in November 1996; he gave his name to the doctor as "Alan Holdsworth" or some such; my hearing is not very good sometimes and I am not sure of the surname, although I am sure "Alan" was his first name. I saw exactly the same man again in Ottawa, at the airport, in July 1998. Obviously, other people must be "working" with this person; he would not be the sole agent employed in this case.

## Usenet readers views on the Cost to MI5 of Running the Campaign

Here's what a couple of other people on internet newsgroups / Usenet (uk.misc) had to say regarding the cost of running such an operation...

PO: >Have some sense, grow up and smell reality. What you are talking about
PO: >would take loads of planning, tens of thousands of pounds and lots of

and......

PM: >any transcription that needs doing. You don't think the 'Big Boss'

PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that makes
PM: >it worth the while of the state to spend over one and a quarter million
PM: >on you?

Those are pretty much the sort of calculations that went through my head once I stopped to consider what it must be costing them to run this operation. At the very least, a quarter million a year - and probably much more, given the intrusive and human-resource-intensive methods employed. Times nine years. Equals well over two million pounds - and probably much, much more.

## Its wasteful for someone with my skills to be unemployed

The wastefulness of the MI5 campaign against me is not just that of futile expenditure on their side. It is also extremely wasteful for someone with my talents to be unemployed and on a disability pension. I am highly qualified in numerate disciplines, yet am unable to work, specifically because of the MI5 hate-campaign against me. It is a terrible waste of resources for a supposedly efficient economy like that of the UK to be squandering the talents of a skilled and capable worker.

I made every effort to remain in employment for as long as I could, but ultimately I was defeated by MI5s employment of massive resources specifically targeted on my workplaces with the sole aim of seeing me evicted from those workplaces. You might expect this sort of behaviour from the Stasi or some other secret police force in a communist country where labour is cheap, and the governments aim on seeing its citizens confined; but for a supposedly free and efficient economy like Britains, the wastefulness resulting both directly and indirectly from the Security Services activities is simply criminal, and should never be allowed.

The international dimension means the costs are multiplied many times overoer had any sense, then they have surely taken leave of them over the last nine years.

Four years of persecution in Canada

The persecution re-started within less than five minutes of my arrival in Canada, as documented above, and in the "frequently asked questions" article on the website. The words, "if he tries to run away well find him" spoken by one of the harassers at Toronto Airport are now imprinted on my mind.

A year later I emigrated to Canada, intending to find a job and settle there, hoping that MI5s interest in me might dim with time. I did manage to find work there, but my hopes of avoiding Security Service interest were ground into dust. As detailed above, I saw the same man in November 1996 and July 1998, both times in Ottawa. Apart from these encounters, there were numerous incidents between 1994 and 1998 of harassment, of an identical nature and in most cases using identical words to what had occurred in the UK. It became quite clear to me that the permanent surveillance and harassment operation which MI5 had subjected me to in England was being continued.

For a team of four or five men to be employed overseas must cost a lot more than if they operate in their home country. And for MI5 to continue the operation for a period of over four years, continuously, must cost many hundreds of thousands of pounds. This confirms my belief that the state is funding the campaign against mehat the Security Service receives current annual funding of #160M. Divided by 1850 staff, works out at #86,000. But the unit annual cost of each "watcher" must be much higher than this, especially given the frequently mobile and overseas nature of their actions of the last few years. A very conservative figure might be a little over #100,000 pa for each of a team of five people, or half a million pounds per year. For nine years, so far. So the most conservative estimate of the surveillance element alone is perhaps four or five million pounds since 1990.

This guesstimate is of course theoretical - I am not privy to inside details of how MI5 split their funding. But to take some other examples, the cost of a US counter-surveillance specialist per day is USD 5,000. Even if the agents permanently assigned to me are not of this calibre - even if they employ specialists when difficult work planting bugs etc is encountered - their salary and support costs must still be very high. The individual agents are doing well for themselves as they are well-paid to exercise psychopathic instincts which in any sane society would see them in prison; but the taxpayers who must fund this terribly wasteful exercise are being "done" out of hundreds of thousands of pounds each year.

It must be emphasised that the above estimates are highly conservative. Besides the surveillance operation, it must carry a high cost in man-hours to propagate covert slanders through the population; to setup and maintain the "interactive watching" links to TV and radio stations, which these organisations continue desparately to "lie and deny"; and to induce antipathy in co-workers which would not otherwise exist.

## Why they are wasting Millions of Pounds on a "Nobody from South London"

As remarked in the prologue to this article, it is really most extraordinary that the Security Service spends a chunk of its budget, every year for nine years so far, on a meaningless campaign against a "nobody from South London". That they are spending such a large amount of money has been confirmed to me on several occasions, usually by oblique references to "its costing this country millions". The supposed "logic" behind the persecution is that MI5 wish to avoid their harassment of me, and the involvement of the UK media, to be made public; yet as the reader will appreciate that is a circular argument, "theyre doing it because they want to keep it secret and avoid humiliation for themselves and their country" begs the question, "why did they start doing it in the first place?", to which in truth I myself do not know the answer.

Plainly MI5 with its rich budget can afford half a million pounds a year to waste on a "nobody from South London". Some time ago I was talking to a British surveillance professional on Compuserve who told me "this work costs a lot of money and is usally because the person I am following has done something (usually criminal) to warrant all this money and time being spent." Yet in this particular case it is plainly not the "victims fault" that the harassment is taking place. The hate-campaign against me is completely the creation of the obsessive psychologies of the MI5 agents who have made themselves my persecutors; it is obviously a "personal" campaign for them, and for  years they misuse taxpayer funding to feed their insane, unnatural and fixated fantasies.

The problem is, i'm using the two-foot long telescoping antenna that
came with the radio, so it wouldn't have been possible to pick up
transmissions from no more than a couple hundred miles!

HUH? Radio Shack is still in business - albeit some stores "have" closed around here. So far as "I" have ever known - they are two entirely different chains.

## Four Years of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first three years of the MI5 persecution, from June 1990 until late 1992, I kept as quiet as possible, in the hope that by not reacting, MI5s interest in me would decrease and they would simply go away of their own accord. This is the sort of behaviour some people employ against bullies; if the bullies arent getting a reaction, then they might simply go away and victimize someone else.

Unfortunately, this tactic didnt work. The quieter I became, the more shrill and hysterical the noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this only heightened their obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at work by managers and fellow workers, and they continued to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would have to "put right" by ever more extreme forms of abuse.

Finally, in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic from consumer electronics, to politics and legal topics, and I discovered online services such as Compuserve and AOL. In May 1995, I made the first posting to the conspiracy newsgroup, on the subject of "BBCs Hidden Shame".

### BBC's Hidden Shame

The internet newsgroup discussion, which has now reached its fourth anniversary, started with an article in alt.conspiracy, which I reproduce here.

Date: Thu May  4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment or abuse except in the case of racial abuse.

A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.

Have the British gone mad? I think we should be told

At this point, I did not name MI5 as my persecutors. I was still unsure that they were the ones responsible for the "psychological terrorism". In followup posts however I did name them; and the persecutors have never denied the claim; so I think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour was made", but it is a well established fact that MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions can be drawn from this.)

This first post was made to alt.conspiracy, but further posts were made to the UK-local newsgroups, in particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc). Some time ago I tried to take the battle to the Compuserve forums, UKPOLITICS (which is now called UKCURRENT - current affairs), but my articles were censored by the forum operators. Such censorship is impossible on the internet newsgroups.

Police Refuse to Act

I have complained several times to the Metropolitan Police, who have each time refused to help.

This in itself dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock Michael Howard, and without evidence, they often have higher priorities than chasing something that cannot go to court.

I doubt that the police are actually being leant on, but they probably realise that if they looked into this, they would be leant on hard. The met always stays away from anything that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies in the general pecking order.

If I walked into my local nick and complained that MI5 were snooping on me, they would show me the door without even looking at my evidence, because that bored desk seargant with only five years to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington.  He would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches and piss off home at the end of his shift than have some high ranking spook having a go at his boss and getting him a bollocking.

In short, you have earned much sympathy but little surprise.  Just remember that saying about the enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police Station CID. They did not acknowledge or reply to my letter. When I phoned them up, the detective Id written to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid rubbish".

It would be nice to think that such uneducated bigotry is  something other than wholly typical of police behaviour, but unfortunately that is an illusion that is rapidly dispelled.

## Uncorruptible Jon Snow of Channel Four News

From previous articles the reader will know what I think Jon Snow has recently been watching me while he reads Channel Four News in the evening. Recently I digitized a few moments of one such broadcast, where his face twists into a smile, without there being anything in the news broadcast to cause merriment. Here is a usenet post from some time ago on MI5s "bought and paid for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk) wrote:
: I was at speakers' corner on Sunday. There was one chap who was bellowing
: about something or other, I don't know what, but one thing he said to
: someone caught my ear:

: "BBC, MI5, same thing."

Can't disagree with that sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?

I remember reading a report by some jouralist who had been offered an extra tax-free income by MI5 to become their covert mouthpiece, and had refused.

..............................................................................

> : >mouthpiece, and had refused.

>
> Was it reported in any of the papers?

It has been reported several times. The most recent was in Private Eye, a few months back. As I recall they also wanted information from him; journalists would be a natural choice for members of the Security Service and the Secret Intelligence Service for information sources.

> It might be interesting to see what he had to say regarding their
> attempt to recruit him.

He was most concerned that many others would have accepted such an offer. However, we can probably make an educated guess as to some of those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher would come near to the top of the list.

Corrupt Security Service agents steal millions from taxpayers

Money is of course a factor in the grand equation which is the MI5 persecution. It costs money for the Security Service to "buy" people in the media etc. But that is only a small part of their expenditure of taxpayers resources. Most of the expenditure is directly on the salaries if the agents involved; and in this post I put forward the theory that MI5 are trying to draw out their involvement for as long as possible, very cynically, to maximise their income and line their own pockets.

At each stage they have tried to pretend that I am something out of the ordinary. Either I was very stupid ("he's an idiot") or very clever ("he's like a genius"). Either I was a threat to Western civilization (Levin once referred to me as the next Hitler) or I was completely defenceless ("a soft toy").

Now, it should be obvious to any person with common-sense that I am not out of the ordinary in any way. I have an IQ which is average for the Web, I am racially white European, and there are plenty of other people with schizophrenia or epilepsy out there who haven't been targeted for MI5 attention, so why me?

I think the answer is that the MI5 agents who harass me have cynically exploited the situation by painting me as extraordinary in order to assure themselves of well-paid employment funded by the ordinary British taxpayer. To put it bluntly, they are stealing millions of pounds from the taxpayer to feed their own pockets.

This assertion is supported by the observation that it's the same agents who are doing the harassment. Six months ago in a local hospital I was harassed by someone whose face I had seen (he had stared straight at me aggressively, at the time I just thought it was some nutter but it turns out he was one of "them") aboard a KLM flight a couple of years ago. It's presumably been the same people most of the time. I've seen the way contractors act when they don't want their positions terminated. Would these agents really want to lose their well-paid employment harassing me? Presumably they are promising their bosses a "breakthrough" (ie my demise) real-soon-now and have been for the last seven years, while all the while these MI5 agents skim millions off the taxpayer.

I wouldn't mind a job like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd get a slice of the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could not think of a single case where the Tribunal had found in favour of a complainant. Here is my usenet post from two years ago.

Subject: MI5: "It wasn't us"
Newsgroups: uk.misc,uk.legal
Organization: Toronto Free-Net

"The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint."

Signed ER Wilson, Tribunal Secretary

Well that's a relief then. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then it can't be them, can it?

In a recent letter to Mr Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in the face of MI5 falsehoods. Nevertheless, I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal appearing to be a toothless watchdog.

Discrimination against a Unit Minority

MI5 have been very clear in their instructions as to what I should do. They have openly shouted at me the word "suicide", and also from the other abuse it is clear that they want my existence terminated.

This point is covered in more detail in a previous article. The following post describes the xenophobic nature of MI5s campaign against me. They have refined their bigotry down to a unit minority, yet they make use of the discrimination against the mentally ill which is a feature of current British society.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

Does anyone on this entire planet besides me own a Uniden Bearcat 210Xlt? I can't find anything on the internet. The closest I found was an Electra Bearcat 210Xlt (?) And a Uniden Bearcat 210Xl, in which I had to join a Yahoo radio group to grab a PDF Manual for.

I would like to know if anyone knows where I can get a free PDF manual. I would also like to know if anyone else owns one, what "Electra" is or was, how old BC210Xlt is, and just why the heck is it so rare?!?

My Grandfather gave me my 210Xlt, and I have 15 freq. programed into it. (2 Air-Traffic Control Canada, 1 Ham frequency, 1 T.V station (Global, 407.287), and the rest Gov't/Police/Fire, all in the VHF band, except for the T.V station.

Thank You In Advance!

# MI5 Persecution: BBC Newscasters Lie & Deny They're Watching Me

Central to the persecution campaign waged against me for some nine years now by the Security Service is their use of the media, and in particular the broadcast media, to make clear to me that I am under surveillance and being watched within my own home, even by BBC newscasters while they read the news. This is really an act of arrogance; MI5 and their tools in the television and radio are so sure that they can never be caught, that they have many times made explicity clear on broadcast programmes that they are as capable of seeing me as I am of seeing the broadcast pictures. Even when they have known I am taping the programmes they still carry on this practice; for examples of TVand radio presenters caught "in action", see the Evidence area of my website.

If you wish to reply to this article......
then please include your name and fax number! I provide the means for recipients to send me their thoughts on the topics discussed, but ask that you provide me with your fax number or email address if you require a response. Also would you please send not more than one or two pages, if by fax. Thank-you!

## It started with a Newscaster, and it continues with Newscasters today

The very first incident in the story started with a reaction by an ITN newscaster, Sue Carpenter, in June of 1990, almost nine years ago now. She reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

However, I have been busy recording everything Ive watched the last couple of years, and the taping has yielded some nuggets, which you will find if you point your Web browser at the "evidence" area of my website, whose URL address is given above. Strangely it is not particularly the BBC who are "after me" at the moment (with the exception of occasional fire from Nicholas Witchell), but that supposed paragon of virtue and decency Jon Snow of Channel Four TV News (he actually works for ITN), who once claimed hed turned down MI5s offer of a tax-free salary. I will cover Snows recent actions in a future article.

BBCs Hidden Shame

The first ever Usenet post (internet newsgroup article) on the subject of the MI5 bugging / BBC watching occurred, as stated in a previous article, in early May 1995. It is reproduced here;

Date: Thu May  4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

I suppose "BBCs Hidden Shame" is more of a wish than a fact. It may be hidden, but the BBC and other media and security organisations seem to have no shame whatever in their anti-social, not to say criminal, actions. Nor do the general public, who seem quite happy to parrot the vilest obscenities without much hesitation or apparently thought.

Martyn Lewis, Nicholas Witchell and the rest

Most of the harassment occurred in 1990-92, when I wasnt making any recordings, and the BBC wont release copies of current affairs programmes from that period.... so although I can remember there were many incidents in that time, even many specifics, I cant dig up the actual programmes to flesh out the bones.

This year, there has been at least one incident with Nicholas Witchell as newsreader, which I have successfully recorded and digitized, i.e. converted into a computer Quicktime movie file. This has not yet found its way onto my website (Im a busy man, dontcha know) but you can be sure I will let the readership of these articles know when that clip makes it onto the web. The Witchell clip was recorded on Saturday 10 April 1999 at 7pm, and shows Witchell trying to restrain his features from collapsing into a smirk. First his upper lip quivers for several minutes, then with the non-excuse of a non-joke his entire face twists into a grin. It looks as if he finds me so funny, that he allows himself to submerge any pretence at professionalism in a sea of MI5-inspired sarcasm and harassment.

The two BBC newscasters whose reactions to me I can remember most vividly over the years are Martyn Lewis and Nicholas Witchell. I can remember thinking years ago that Michael Buerk was also seeing me at home; and if the other two are watching then there would be no reason why he wouldnt be doing the same; but in all honesty I cannot remember a single clear instance of his reacting through facial or verbal expression to me.

I can remember several instances of Martyn Lewis reacting to what he saw of me, however. In early 1992 I was watching the BBC news with Lewis on a small black-and-white portable TV at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

And in spring 1991 I remember Martyn Lewis clearly reacting to what he saw of me at my then accommodation in Woking, Surrey, by continuing to stare at some fixed point near the camera after the news had finished - presumably this is where the monitor interactively showing pictures of my room was located.

Why would BBC and other Newscasters Watch and Harass Me, Watching Them?

This is a very difficult question, and I dont actually know the answer. It is a matter of record that the Secret Services are very much part of the Establishment. The recent exposure of the "MI6 Agent List" on the internet, and its coverage in the newspapers, reveals how much MI5 and MI6 are recruited from the ranks of the Establishment. Obviously the relationship is bi-directional; the Establishment influences MI5/MI6, but the secret services (well, perhaps not so secret now we know who works for MI6!!!) also influence the machinery of power and information dissemination i.e. media in this country. So they must have a lot of covert leverage with the BBC and ITN.

Some of this leverage is obviously through bribery. It is a matter of record that MI5 tried some years ago to "buy" Jon Snow of Channel Four TV. He turned them down - obviously they must have approached other media people as well, and from the lack of other reports of people turning them down, it may be presumed that some other journalists will have accepted the sugared carrots put before them. Ironically, Jon Snow has been taking part in the recent "watching" actions against me - but why he has allowed himself to be used by the secret services is something which I do not know.

Perhaps the Security Service uses blackmail to twist arms of journalists into co-operating with them? I have always thought there was something slightly odd about Martyn Lewiss demeanour. At the time of the Ron Davies "rough trade" scandal it was reported that MI5 had known all about Davies predilections and the sham of his pretence to be a happily married man. Perhaps MI5 have been able to dig something up from Martyn Lewiss private life to blackmail him into acting on their behalf? And if there wasnt anything before the "newscaster watching" started then there most certainly is something now.... once theyve started watching, the newscasters will surely wish their activities to remain covered-up, and co-operate with the security service.

## "Newscaster Watching" Deliberately Constructed to Mimic Schizophrenia

Presumably this is the first case in history of television journalists actually taking part in acts of real-time, live spying and reacting against one of their viewers. What you have to understand, though, is that I was quite mentally healthy in June 1990, certainly relative to November 1992, when after two and a half years of harassment I was finally admitted to hospital as an out-patient. MI5 decided from the outset that they would make me mad; they constructed the media harassment to resemble what would be reported by a person with mental illness; and then they carried on years of abuse to inflict on me the condition which they wished to use as an excuse to cover up their abuses.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

When I started publicising my case on internet newsgroups in 1995, I was met with the disbelief one might expect to be accorded to a mentally ill person who talks about "newscaster watching" and media persecution. Some newsgroup participants thought I had started a "troll", an invention made to obtain a reaction; one bright spark even suggested a group of psychology students were behind the articles. But most people thought the articles were symptomatic of derangement - and that is exactly what MI5 want people to think. MI5 chose me as a target because I was mildly mentally ill at the outset in 1990, although I stress my illness then was very mild in comparison with November 1992, and because they knew that enough abuse would (a) make me much more seriously ill, and (b) once I was more ill, they would "get away" with a harassment deliberately constructed to look like the symptoms of paranoid schizophrenia.

## Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "real-time spying" on me. They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

BBC-VLC also said that the BBC "would never engage in any form of surveillance activity" such as that described. Clearly Martyn Lewis and the rest have lied to their own organisations personnel about their criminal actions. So much for the "objective", "truthful" BBC, a nest of shabby liars.

Summons against the BBC, for Nuisance caused by Newscaster Spying

In March 1997 I issued a civil summons against the BBC, seeking injunction against further "newscaster spying", and token damages for what the BBC had done to me until that date. The purpose of the summons was to try to "smoke out" the BBC, since obviously I did not have good evidence which would be necessary for either a civil or criminal case to be made against them. My summons was worded as follows;

1. The plaintiff is and was at all material times residing at [home address]. At some time prior to or during June 1990, persons of unknown identity entered Plaintiff's premises and installed concealed television equipment in said premises.

2. A campaign of harassment was launched against the Plaintiff by the persons of unknown identity, which in part took the form of instigating harassment by BBC TV newscasters (including specifically Michael Buerk and Martyn Lewis) as they read news bulletins, by making direct and personal comments to Plaintiff.

3. The campaigns purpose was to subject Plaintiff to great mental stress and induce mental breakdown. As a result of it Plaintiff did indeed suffer from severe mental strain in 1990-97.

4. In order to avoid the mental strain being caused to him the Plaintiff has been compelled to stop watching BBC TV news. Defendant therefore committed the tort of private nuisance, since normal use of home was interfered with.

5. Plaintiff claims a permanent injunction prohibiting further nuisance, and damages for nuisance suffered limited to 5,000.

Naturally, my attempt to smoke-out the BBC and its lying newscasters failed. The BBCs litigation department sought to have my summons struck out; and they succeeded in doing so, on the grounds of my action "disclosing no reasonable cause of action". I was also prevented from issuing further civil claims against the BBC without leave of the Court. Apparently litigants-in-person frequently / usually have their claims struck out with this wording, regardless of the merit of their claims.

## BBC Suppresses my Claims of "Watching by Newscasters"

BBCs staff magazine Ariel ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm
Clearly the BBC will not allow claims of its wrongdoing to be made public in the media channels it controls.

On several occasions people said to my face that harassment from the TV was happening. On the first day I worked in Oxford, I spent the evening in the local pub the Rose and Crown with the company's technical director Ian, and Phil, another employee. Ian made a few references to me and said to Phil, as if in an aside, "Is he the bloke who's been on TV?" to which Phil replied, "Yes, I think so".

The reader might think that mere "watching" by newscasters etc might be a relatively benign happening. But it is not; it is part of MI5s framework of harassment and lies. On many occasions the reactions of the BBCs newscasters to me has been in the nature of sarcasm, implicit contempt and abuse. This is visible in Witchells news programme mentioned above, where he engages in abuse by laughing at me during his newsreading. It was particularly visible in the early period of 1990-92, and as late as Autumn 1993, when during a Newsnight broadcast Jeremy Paxman interviewed a football person about soccer hooliganism, and the interviewee gave vent to an unsubtle rant about "theyre idiots, theyre just idiots, keep up the surveillance". Paxman started grinning, showing he understood and was taking part in the abuse being perpetrated on that programme.

## Conclusion

The MI5 Persecution started with harassment by television newscasters, and today harassment by TV and radio presenters still forms a key part of MI5s activities against me. When this business started in June 1990 I was in relatively good health of mind. Years of persecution by the secret police and their mouthpieces in the state-run BBC and other media eroded my health until MI5 achieved their aim of seeing me rendered mentally ill in November 1992. The diagnosis which was forced on me unfortunately and ironically meant that my reports of the harassment are disregarded, because the mentally ill are second-class citizens in todays Britain.

Yet TV and radio harassment continues, albeit in a reduced form, despite my taping all the programmes I watch, resulting in my being able to obtain and demonstrate objectively on the website instances of media presenters attacking me. Unfortunately these recorded instances are quite tenuous; I might understand them, the presenters understand what it is theyre doing, but despite many thousands of people knowing the truth of the "newscaster watching", the omerta continues and they continue to refuse to admit the truth of the matter. It is a terrible indictment of British society that there is not even one decent person willing to speak out. I look forward to the day when the truth does finally emerge, and the mass corruption which has allowed the MI5 persecution to take place is finally purged and the Establishment criminals caught and appropriately punished.

MI5 Persecution: Molestation during Travel

MI5s persecution of me varies in intensity. Since 1990 it has been steady for perhaps 80% of the time; there was a notable quiet period in 1993, and another quiet period in Jan-Feb 1995, as well as a hiatus in the first two months of 1999. It puzzles me that they cease and restart, seemingly without any logic or reason. But one aspect of MI5s activities against me which is relatively predictable is this weeks articles topic, which is Molestation during Travel. Almost every time I cross the Atlantic, go to the Continent or even try to enjoy a holiday in this country, you can bet that MI5 will be there doing their utmost to wreck it all.

This aspect of the harassment is particularly relevant as I will be travelling to Europe again in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to see if I can record the abuse which will almost certainly take place, either on the Tube going to the airport, at the airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each of these locations, so well see how much taxpayers money they waste this time, and whether it will prove possible to capture their abuse on minidisc.

Read about the MI5 Persecution on the Web

June 1992 in Polands mountain resort of Zakopane

The persecution started in June 1990, and for the first two years I stayed in the UK apart from a couple of brief day trips to Calais. By the summer of 1992 Id had enough of being cooped up in England with abusive fellow employees egged on by an abusive secret police service, and decided to spend 10 days in southern Poland, on what was intended to be a holiday at the mountain resort town of Zakopane.

Unfortunately the psychopaths of the Security Service were not willing to allow me to enjoy a holiday in peace and quiet. The journey to Zakopane was by coach from the meeting point at Londons Victoria coach station (National Express) followed by ferry followed by another coach across Europe. As we left Victoria a youth and his girlfriend started a loud tirade of abuse directed at "this bloke", where the "bloke" was never named, but it was very clear that the "bloke" was myself. The youth said "they" had "found somebody from his school, and he was always really stressed at school, a real psycho". Again, the label "they" was not elaborated on, but it was clear that "they" = the persecutors from MI5. The boy also said, "he was in a bed and breakfast for only one night and they got him". By a not unexpected coincidence I had been in a B&B in Oxford a week previously, which had been booked from work; other things lead me to the conclusion that the company's offices were bugged for most of the 2 1/2 years that I was there, so "they" would have known a room in the B&B had been booked. After a few minutes of this I went back to where they were sitting and asked where they were travelling. The boy named a village in France, and the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of the boy's abuse was.

It is now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at our destination, it became clear that many people, both in our tour group and its guide, and among the ordinary residents of the town, knew there was a movement under way to "get" me. MI5 employed many people and significant resources for an action which they knew would only take a maximum of ten days. A commercial operation would never have felt able to waste such resources on such an unproductive and temporary action; only a state-sponsored, taxpayer-funded entity like the Security Service would be able to be so wasteful.

To give some examples of what happened in those ten days; I was walking in some woods outside the town, when a Polish woman, looking at me, said the English "shit" in a strongly Polish-accented voice. For the first three years 1990-92 MI5 had been trying to force this word on me. Another example; I was walking near my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which means "you know hes a real madman". And the "TV reacting" happened there too; on Polish TV, a bemused looking journalist said to another, "to jest sprawa Anglikow", which means "its the concern of the English", in other words, none of our business, despite what the English are trying to force down our throats.

Just before we left for home, I went with some others from our group to a nearby bar. There a man shouted at me the same sexual obscenity which MI5 have constantly thrown at me these last three years. I think MI5 try to justify their various terms of abuse by repeating them at me until I say them, either while conscious or while talking in my sleep; and then they seize on my saying those words to "prove" that the obscenities are "my fault", et cetera. This rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition attributed to them in a previous article; blaming the victim for the crime you inflict on him is how psychopaths think.

Nor did the persecutors let up during the return trip. Returning on the ferry over the channel, a rather insalubrious-looking guy talked to his mates about "and you know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a group of five or six young people started shouting at me. I slumped in my seat and tried to avoid presenting a target, so they got ever more strident - "whats the matter with you, cant you hear us?" One of the other people who had been on the trip to Poland asked them why they were shouting at me, and they said, "hes been to Cambridge", to which the co-holidayer asked them, "have you been to Cambridge?" presumably thinking they were aggrieved fellow students, but they answered "no". Even after I left the coach at Elephant and Castle abuse continued; in the tube station, two kids started throwing abuse at me; one of them said to the other, "and you know he works?" to which the other answered "yes".

## Immediate Aftermath of November 1992

As you will know from previous articles, my manager at OCG - ARIS/Oxford, Mr Mitchell, induced a mental breakdown in me in the months leading up to Nov/92. The diagnosis was regarded by the persecutors as a victory for them, because few if any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There is also a bias against the mentally ill, an "institutionalised bigotry" in society comparable to the institutionalised racism against blacks.

However, MI5 did not let up on persecuting me following Nov/92. In December 1992 I flew by charter jet to Alicante in Spain for two weeks recuperation. MI5 planted one of their people on the flight, a youth who tried to start some noises that "hes a nutter". One of the other passengers replied, "oh hes a nutter is he? oh well!" and the youth shut up and said nothing for the rest of the flight. I think it would be fair to say that the youth on the flight was embarrassed by what he had been asked to do in making the flight "uncomfortable" for me; he sounded defensive rather than aggressive.

## My first trip to Canada in June 1993

Ive already covered this in a previous article so Ill just give a brief summary here. On 10 June 1993 I flew British Airways from Heathrow to Torontos Pearson Airport. On de-planing from the aircraft, one of a group of four fellow passengers looked at me and said, laughing, "if he tries to run away well find him". It was quite obvious that these four men were the ones who had been harassing me since 1990.

I did nothing to apprehend them or bring this incident to the attention of the airport authorities, mostly because this was my very first visit to Canada, and the last thing I wanted was to get into a dispute before I had even finished disembarking. In retrospect, I can see this was a terrible mistake; I should have made every effort to detain and identify these people.

Subsequently I have made numerous attempts to obtain the names of these people from British Airways passenger lists, by talking to BA, through a lawyer in Ontario, through a solicitor in England, through the UK police, and also through private detectives in the UK. But all my efforts have come to nothing. BA have told me they keep passenger lists for a period of seven years, so they will still have the list for this 1993 flight. I did not see or hear anything during the rest of my visit to Ontario in 1993 which would have lead me to believe that I was being watched or followed.

## Journey across Canada in summer 1994

As I think Ive already said in previous articles I emigrated to Canada in late May 1994. For six weeks between late May 1994 and early July 1994 I travelled across Canada from coast to coast, starting in Toronto, visiting various cities and ending up in British Columbia. I saw this both as something of a holiday, and the chance to get to know a little better my adopted country.

As you can guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this trip in late May, I was spoken about by one youth to another with the words "hes an idiot", to which the other replied, laughing sympathetically, "good luck to him".

A couple of days later I went to Montreal and stayed at the YMCA downtown. As you can guess (this is all so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that, but they managed to set-up an instance of "newscaster reaction" from a local television station; while I was watching a Vermont TV news programme on the set in my room, the woman reporter said, "well theyre just tired and they want to go home", which sounds like a pretty unprofessional thing to say until you realise she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to go home to the UK.

On the bus journey across the North American continent, it was quite clear that MI5 were following me every step on the way. For the first part of the journey they actually put someone on the bus with me, a youth who said at me "that guys paranoid" and tried to incite other passengers to attack me. I stopped for a couple of days in Winnipeg in central Canada, and on leaving the town heard on the radio a female presenter ranting about "insanity! insanity!". It is very tiring travelling such a long distance by bus; I took the journey in two steps, each of about 36 hours; and it is especially tiring when you know MI5 are watching you and harassing you every step of the way.

When I finally got to Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they were able to induce hatred towards me in elements of the general populace; the Security Service must have employed a number of agents and serious resources in a very short period of time; and for no real gain, because I havent been back to BC for almost five years, so all their "work" appears to be for nothing. In downtown Vancouver a street person said in front of me, "theyre all talking about him". For a few days I was staying at Pauls Guest House (345 W.14th Ave); on the day I left, the owner Paul shouted at no-one in particular, "hes going to Victoria" - which was quite accurate, I was indeed going to the provincial capital Victoria on Vancouver Island. But I had not told anyone at the guest house where I was going; I had only mentioned to my parents back in England on the phone that I was going away from Vancouver for a few days. Which leads me to suppose that MI5s bugging of the phone in my parents house yielded the "intelligence" that I intended to visit Victoria, and they had passed the information on to Paul.

When I got to Victoria it was again obvious that the persecutors were "doing their stuff" there as well. On the street I was identified as being English, although I had not said anything so my accent hadnt given me away; and returning by ferry to the mainland, I was abused by a Canadian woman who said, "hes a nutter! you can run but you cant hide". During my years in Canada I have never heard the word "nutter" on any other occasion; I do not think it is part of Canadians vocabulary; so the Canadian woman on the ferry, who was obviously talking about me, must have been supplied with this word by the English persecutors. And once I got back to Vancouver, staying at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a man saying, "hes paranoid, so thats as bad as it can be, so why are they doing this to him?".

## Holiday in the States, August 1995

By 1995 I was living in Canada, and in August I went down the eastern seaboard to Florida and as far as Key West by car. As you can guess (this is all so boring and predictable, isnt it?) MI5 followed me every step of the way. I can see in retrospect that this must have been quite easy for them as they had my car bugged, both on the inside to listen to anything that was said and what radio station I was listening to, as well as what must have been a tracker device installed to track it across long distances.

The first city I visited was Philadelphia. In the old Congress Hall where the first US Congress assembled, the woman guide started referring to my situation, saying that "all these people in Europe were watching it", and they were "a little paranoid" at this 18th-century experiment in democracy. Also I had recently written a newsgroup post where Id described a (female) poster as "wet-nosed" (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There were two or three more incidents during this holiday in the eastern States, including a radio station down near Miami, showing "they" had tracked me all the way there, and were bugging the inside of my car; but I didnt record the details and Ive forgotten some of it now. Also down in Miami Beach a French tourist in a lift expressed support for me with the words, "cest incroyable" ie. its incredible, meaning that MI5s well-known actions against me were beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again by car, and was insulted several times by people using the same words that had been used against me in England. In Central Park, and elderly Englishman (not a real gentleman - but then the Engish view of themselves as "gentlemen" etc is quite laughable) looked at me and said "idiot". And while I was eating in a streetside restaurant a New York youth started laughing and said something like, "I cant believe it, hes actually here" - I think that was because I had had an expressed wish to visit New York for some years before this, although after this visit I wont be going there again for a very long time.

Visit to Poland December 1995/January 1996

In December 1995 I flew (BA again, unfortunately - every time Ive flown BA one of these incidents has happened, presumably MI5 is happier setting up harassment on British-domiciled carrier) from Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally harassed me in Poland during my brief stay. They followed me around and got Polish people to take part in the harassment. In one case two Polish youths talked in front of me saying in English (with marked Polish accents), "fucked up men, fuck you". There were also other incidents which I dont remember too clearly since it was some time ago.

The return flight connected through Heathrow, and in the transit lounge MI5 again set-up harassment against me. In Poland they were talking their abuse in English, and in London they set Polish people after me to speak in Polish; they heard me on the phone to my father, and said "a wiesz ze to Polski wariat", in an almost sympathetic, inclusive fashion (translation. "you know hes a Polish nutter"). Once on the flight to Montreal I was again set upon by two English youths, one of whom spoke and the other listened. The aggressive "fat bastard" youth said, "if he wants to be a wanker" (its my fault theyre harassing me, you see), self-justification that "hes a nutter" (so we have to keep on abusing him, because hes ill), as well as talking about the town in Poland where I had been staying. He also said, "he doesnt know who we are", but as already remarked in a previous article, that was at best a half-denial of my guess expressed in internet newsgroups that the people after me were MI5 - if anything its a half-confirmation rather than a half-denial.

These incidents are still going on. You can hear digitised audio files of abuse on a BA flight to Berlin in 1998 on the Web at address

On this flight they were again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during travel" contact was at Ottawa Airport on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was pacing aggressively in the departure area. In three weeks I will again be travelling to Europe; we will see what fresh acts of molestation MI5 perpetrate during this trip.

## MI5 are Afraid to Admit They're Behind the Persecution

MI5 have issued a formal denial of any involvement in my life to the Security Service Tribunal, as you might expect them to; but, more importantly, the persecutors have never denied that theyre from the Security Service, despite several years of accusations from my corner on usenet and in faxed articles. I am not surprised that the Security Service Tribunal found "no determination in your favour". I am however a little surprised that the persecutors have refused to confirm my identification of them; by doing so, they implicitly admit that my guess was right.

## "No determination in your favour" says the Security Service Tribunal

In 1997, I made a complaint to the Security Service Tribunal, giving only the bare outlines of my case. I do not think it would have made very much difference if Id made a much more detailed complaint, since the Tribunal has no ability to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5 are of course free to be "economical with the truth". A couple of months after my complaint the Tribunal replied that;

The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint.

Needless to say this reply didnt surprise me in the slightest. It is a well established fact that the secret service are a den of liars and the Tribunal a toothless watchdog, so to see them conforming to these stereotypes might be disappointing but unsurprising.

It is noteworthy that the Tribunal never gives the plaintiff information on whether the "no determination in your favour" is because MI5 claims to have no interest in him, or whether they claim their interest is "justified". In the 1997 report of the Security Service Commissioner he writes that "The ambiguity of the terms in which the notification of the Tribunals decision is expressed is intentional", since a less ambiguous answer would indicate to the plaintiff whether he were indeed under MI5 surveillance. But I note that the ambiguity also allows MI5 to get away with lying to the question of their interest in me; they can claim to the Tribunal that they have no interest, but at a future date, when it becomes clear that they did indeed place me under surveillance and harassment, they can claim their interest was "justified" - and the Tribunal will presumably not admit that in their previous reply MI5 claimed to have no interest.

## "He doesnt know who we are"

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly. What he was trying to do was to half-deny something he knew to be true, and he was limited to making statements which he knew to be not false; so he made a lukewarm denial which on the face of it means nothing, but in fact acts as a confirmation of my guess of who "they" are.

On one of the other occasions when I saw the persecutors in person, on the BA flight to Toronto in June 1993, one of the group of four men said, "if he tries to run away well find him". But the other three stayed totally quiet and avoided eye contact. They did so to avoid being apprehended and identified - since if they were identified, their employers would have been revealed, and it would become known that it was the secret services who were behind the persecution.

Why are MI5 So Afraid to admit their involvement?

If you think about it, what has been going on in Britain for the last nine years is simply beyond belief. The British declare themselves to be "decent" by definition, so when they engage in indecent activities such as the persecution of a mentally ill person, their decency "because were British" is still in the forefront of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities are blamed on the victim "because its his fault were persecuting him", and their self-regard and self-image of decency remains untarnished. As remarked in another article some time ago, this process is basically the same as a large number of Germans employed fifty years ago against Slavic "untermenschen" and the Jewish "threat" - the Germans declared, "Germans are known to be decent and the minorities are at fault for what we do to them" - so they were able to retain the view of themselves as being "decent".

Now suppose this entire episode had happened in some other country. The British have a poor view of the French, so lets say it had all happened in France. Suppose there was a Frenchman, of non-French extraction, who was targeted by the French internal security apparatus, for the dubious amusement of French television newscasters, and tortured for 9 years with various sexual and other verbal abuse and taunts of "suicide". Suppose this all came out into the open. Naturally, the French authorities would try hard to place the blame on their victim - and in their own country, through the same state-controlled media which the authorities employ as instruments of torture, their view might prevail - but what on earth would people overseas make of their actions? Where would their "decency" be then?

This is why MI5 are so afraid to admit theyre behind the persecution. Because if they did admit responsibility, then they would be admitting that there was an action against me - and if the truth came out, then the walls would come tumbling down. And if the persecutors were to admit they were from MI5, then you can be sure I would report the fact; and the persecutors support would fall away, among the mass media as well as among the general public. When I started identifying MI5 as the persecutors in 1995 and 1996 there was a sharp reduction in media harassment, since people read my internet newsgroup posts and knew I was telling the truth. The persecutors cannot deny my claim that theyre MI5, because then I would report their denial and they would be seen as liars - but they cannot admit it either, as that would puncture their campaign against me. So they are forced to maintain a ridiculous silence on the issue of their identity, in the face of vociferous accusations on internet newsgroups and faxed articles.

Have MI5 lied to the Home Secretary?

In order for the Security Services to bug my home, they would either have needed a warrant from the Home Secretary, or they might have instituted the bugging without a warrant. Personally I think it is more likely that they didnt apply for a warrant - I cannot see any Home Secretary giving MI5 authority to bug a residence to allow television newscasters to satisfy their rather voyeuristic needs vis-a-vis one of their audience. But it is possible that the Security Service presented a warrant in some form before a home secretary at some point in the last nine years, for telephone tapping or surveillance of my residence, or interception of postal service.

So the possibility presents itself that a Home Secretary might have signed a warrant presented to him based on MI5 lies. Just as MI5 lie to the Security Service Tribunal, so they might have lied to a Home Secretray himself. MI5 and MI6 are naturally secretive services former home secretary Roy Jenkins said, they have a "secretive atmosphere ... secretive vis-a-vis the government as well as [enemies]". Jenkins also said he "did not form a very high regard for how they discharged their duties".

It was only a few years ago that MI5 was brought into any sot the extraordinary thing is that British media organisations like the state- and taxpayer-funded BBC take such an active part in the MI5-inspired campaign of harassment. We have after all heard of MI5 trying to bribe broadcast journalists; but surely there must be a substantial number who are not bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their own volition? The BBC is supposed to be independent of the government of the day as well as the Establishment in general. While perhaps it is childish to think that the BBC is anything other than effectively state-controlled, the degree of collusion between the BBC and the British Secret Police MI5 is something you would not find in many countries. Individual tele-journalists in other countries would have enough self-esteem not to allow themselves to be controlled by their secret police - seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such a low opinion of their employing organisation that they see no wrong in dragging the BBCs no-longer-good name through yet more mud, at the mere request (whether supported by financial or other inducements) of the British secret Police, MI5.

And when challenged, these broadcasters LIE about their involvement, with just as little shame as MI5 themselves. The BBCs Information dept have said that;

"I can assure you that the BBC would never engage in any form of surveillance activity such as you describe"

which is an out-and-out lie. Buerk and Lewis have themselves lied to their colleagues in the BBCs Information department over the "newscaster watching", but unsurprisingly they refuse to put these denials in writing. Doubtless if the "newscaster watching" ever comes to light, Buerk and Lewis will then continue to lie by lying about these denials. So much for the "impartial" BBC, a nest of liars bought and paid for by the Security Services!

It is obvious that the persecution is at the instigation of MI5 themselves - they have read my post, and only they have the surveillance technology and media/political access. Yet they have lied outright to the Security Service Tribunal. Similarly, BBC newscasters Michael Buerk and Martyn Lewis have lied to members of their own organisation. The continuing harassment indicates they are all petrified of this business coming out into the open. I will continue to do everything possible to ensure that their wrongdoing is exposed.

MI5 Persecution Update: Friday 11 June, 1999

Harassment in a pub in Clapham, Tuesday lunchtime

Once a month, or once every other month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to a particular pub near where he lives. The last time was some two months ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed by people MI5 had instructed to harass me, in the pub.

This Tuesday, 8 June 1999, we again went to the same pub for a pre-meal drink. This time I did have my minidisc-walkman with me. As you can guess, we were followed into the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look young these days?). They started talking about my situation, in particular some travel I had booked the previous day. Unfortunately, they were talking fairly quietly, and my minidisc didnt pick up their speech.

MI5s schizophrenic reasoning is that simultaneously I am very important and worthy of their acts of persecution, and I am also totally unimportant and their abuse of me "doesnt matter". Perhaps they should test their agents and managers for obsessive personalities or psychotic features in the same way as employees are drug-tested. MI5 might lose their "worst cases" employees if some psychological testing were applied to their recruitment procedure.

Toothless Watchdogs. What a Surprise.

Recently I have been engaging in communications with two watchdogs, the Security Service Tribunal which deals with complaints against the security service (and always clears MI5 of any wrongdoing), and the Data Protection Registrar, which is mandated to investigate misuse of personal data held on computer.

In a letter to Nick Brooks, Security Service Tribunal secretary, dated 20 April, I asked him if the Tribunal, as an allegedly independent body, had the means to investigate complaints against MI5 other than asking MI5 to themselves investigate complaints. To my disappointment, his reply two weeks later answered the question only indirectly, in the
negative. Whatever the reader might think of the merits of the case I have been putting before you in faxed articles this last year and half, you will surely recognise that it is a significant anomaly for the Tribunal to

have no independent means of investigating complaints, particularly given the view expressed even by previous home secretaries that the security services are untrustworthy.

## MI5 Persecution: No Justice for the Victims of MI5

In a previous article I detailed the similarities between the current MI5 Persecution in England, and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties and forties. The Germans persecuted first the mentally ill, the epileptics and those suffering from schizophrenia, then moved on to racial groups; in todays Britain the persecution is again directed at those with mental illness, which the British in their cowardice find easier than taking on racial groups as the Germans did. But just as in Thirties Germany there was no recourse against a malign and omnipotent state, so the MI5 Secret Police in the modern British Fascist State allow no justice for their victims.

### No Recourse Against the Security Services Illegal Harassment

It has become apparent to me over the last nine years just how loaded the dice are in todays Britain, a fundamentally fascist country which masquerades as a democracy. Britain is a democracy in name only; the Establishment, the defence and MI5 secret police are always there, regardless of which party has been voted into power most recently - and from "New Labours" conduct in office one finds it difficult to tell them apart from Old Tories, in their crackdowns on the sick and vulnerable in society.

In thirties Germany the victims of the Nazi regime had no legal recourse against their State oppressors; and in todays Fascist British state, the victims of the Establishment and its MI5 Secret Police similarly have no recourse against the illegal state-funded and organised oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in the shape of the Security Service Tribunal and Commissioner; yet these have never found favour of a plaintiff. One might as well ask the Nazi SS to investigate crimes against epileptics or Jews as ask the Security Service Tribunal to investigate MI5 crimes against British citizens; it is quite obvious what the answer is going to be, regardless of what you say to them, and what evidence you provide. The Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services a veneer beneath which they hide their shabby criminality.

### "Institutional Racism" and Bigotry in the Metropolitan Police

The recent inquiry into the racist murder of Stephen Lawrence found clear evidence of systematic and deliberate racism in the Metropolitan Police, which cannot have surprised anyone. Commissioner Sir Paul Condon accepted a somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and this truth must surely be obvious to anyone who has any familiarity or encountered the great British police, the Met has not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done Thirties Germans proud. And it is a bastion of such open racism - when many other parts of society are learning to live in a multicultural environment, the Met is still living in the past in its attitude to the minorities.

But in addition to the systematic racism confirmed by the Lawrence inquiry, there is also something much more relevant to this case, which is systematic police bigotry against the physically and mentally disabled, which I personally have experienced in my dealings with the police over the years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to the police in 1995 about the harassment I had been subjected to for several years. As soon as they found out I had mental illness, they refused to even talk to me. I tried again in March 1999; the police made various threats to me, while ranting about "your paranoid rubbish" in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to do is extremely serious, particularly as this case is highly important, indeed key to the whole issue of British self-perception at the end of the 20th century and the beginning of the 21st century. Britain has lost much in the last fifty years - it has lost an empire, it has lost its self-respect and its identity as a people. If the MI5 persecution finally makes it into the light and the Security Services are seen for the rather cheap bullies their behaviour indicates, it will have a massive and harmful effect on British self-perception in the new century.

## Security Service Tribunal - Blatant Whitewashing

A few weeks ago I spoke on the phone to Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour of a plaintiff and against the Security Service. He answered that as far as he knew, it had not.

I also asked Mr Brooks if the Tribunal had any means of investigating allegations of criminal activity by MI5, other than asking MI5 themselves if they had engaged in such activity. His rather circuitous written reply states that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to disclose or give to the Tribunal such documents or information as they may require for the purpose of enabling them to carry out their functions under this Act". Which is a very round-about way of saying - "No" - the Tribunal has no way of investigating MI5 crimes - None At All.

Setting up the S.S. Tribunal, and creating a Security Service Commissioner, was really an act of falsehood by the government. It is generally recognised that MI5 are out of reach of the normal criminal justice system - the police, as we have seen, have no intesot answer to the government; in a previous article I quoted Roy Jenkins speaking of "a secretive atmosphere.... secretive vis-a-vis the government as well as [enemies]", and a "lack of frankness" from MI5.

If the government wanted to, it could reform the secret services and ensure they acted in conformance with the laws which have been enacted for them in the last ten years. But apparently the present government does not see any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5 is deliberately weak; the Tribunal has no independent means of investigation, and it is simply a waste of time complaining to the Tribunal or Commissioner.

Every so often, fresh revelations come to light of secret service transgressions. We have heard from Shayler that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter Wright that MI5 plotted to see Wilson ejected from office; yet so closed is the system of government that the law is never enforced against MI5 when they "bug and burgle" everyone from politicians to ordinary citizens.

## No Justice from the Legal System, either

Britain has a civil and criminal justice system which effectively limits many complaints from being heard. For a civil complaint to be brought before a court, you need a solicitor willing to act on your behalf. Supposedly it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or "disclosing no cause for action in law". This is exactly what happened to me in 1997 when I twice tried to take the BBC to court for spying on me in my living room at home; my case was twice struck out, and on the second occasion an order was made against me that I could not bring further civil litigation against the BBC without leave of the court.

As the reader can guess it is quite impossible for a person with schizophrenia, who complains about the secret services and media interfering in his life, to find a solicitor willing to represent him in legal action against the persecutors. I have quite a lot of evidence of the continuing persecution which I have posted on the website, even if the evidence is quite tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some of them have acted unprofessionally and abused me; all of them have refused to represent me. My psychiatrist gave me the name of the firm of Bindman and Partners in central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem with Bindmans, which they have admitted, is their bigotry against mentally disabled people; yet this is not just something that is wrong with Bindmans, it is something that is wrong with the legal system as a whole, since the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court, but it does not have a mechanism for providing a lawyer in the case where no solicitor is willing to take on your case. So the British legal system is such as to prevent cases such as mine from ever receiving an airing in a court.

So much for the civil courts. But the criminal justice system is no better. Two years ago the Protection from Harassment Act came into force. But again, while the Act is all very well on paper, in practice it is unenforceable in my case, since it would require Police action to see the law implemented, and if the police cannot even be trusted to conduct a murder investigation competently (in the Lawrence case), then what chance is there of their investigating complaints against the Security Service? Of course, it would be possible for me to personally issue proceedings through a private prosecution either against MI5 themselves, or against one or more of their media tools; but here we see the same problems as with the civil courts, because first of all I would have to find a lawyer willing to act on my behalf. Litigants-in-person do exist in the criminal courts, but the Attorney General can bring such a prosecution to an end by taking it over and entering a plea of "nolle prossequi"; and I suspect that if I were to bring a private prosecution against either MI5 or one of their media tools, then this is exactly what would happen.

So much for British justice. But if anything the wrongs that have been perpetrated on me by the British justice system are quite mild to what others have suffered. Others have been wrongly convicted based on police evasions and lies, and spent many years in jail based on false charges. I should count myself lucky that despite the best efforts of the MI5 secret police, I have not acquired any criminal charges or convictions; which shows that for all their resources and influence, and the clear imperfections in the British legal system, there are still limits on how much subversion MI5 can achieve.

## The latest in a long line of injustices

A comment I heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not as if the police themselves murdered him". This is not a particularly wise statement to make about the case, since it could be argued that the four alleged murderers were aided in their crime by the expectation that the police would deliberately botch the investigation - which of course is exactly what the police did.

But in my case, this would be a completely inaccurate thing to say - since the MI5 secret-police have expressly been trying to nine years now to see an end put to my life, either by having me incarcerated and my liberty ended, or by forcing self-termination on me. It is exactly as if the secret police "themselves murdered [me]", since that is what their aim is in their campaign against me.

The public has heard of instances of police mishandling of cases, of police manufacturing evidence, lying in court, extracting false confessions to clear up crimes, et cetera. Various instances of extra-legal activity by the secret services have also come to light in the last few years. The unhappy truth is that what MI5 have been doing to me for the last nine years is really nothing out of the ordinary for them. To me it seems unbelievable that this sort of systematic campaign of harassment, which thousands and thousands of people in this country and abroad are well aware of, could exist for such a long period of time with the media maintaining "omerta". But my case is not the first such instance of persecution by the "British secret police", and judging by the lack of any real controls on MI5, I very much doubt it will be the last.

MI5 Have Systematically Destroyed My Life

This is getting depressing. From the feedback Ive received, the recipients of these faxes are tired of hearing my complaints, and in truth I am tired of sending them. The reason I havent yet ceased sending faxes is because I cannot think of any other effective means of replying to MI5s actions against me, and I feel I have to do something to try to defend myself. Three/four years ago I got the MI5 harassment out of my system by posting about it on Internet newsgroups, and for a few months this tactic was quite effective - I received (and indeed still do today) support from newsgroup regulars, and felt I could make my voice heard and break the MI5 monopoly on access to the British media. But that was years ago, and today nobody gives a tinkers cuss about my internet posts - so I have sought to escalate matters by communicating directly with the politicians who allegedly say how this country is supposed to be run.

Of course, its quite expensive to keep up a campaign of fax messages for many weeks. Each set of faxes takes approx 50 hours to send over the weekend, and costs perhaps 35. My phone bill for the last quarter was 350. These figures are naturally insignificant compared to what MI5 have been spending against me over a similar period. It also takes a lot of time and energy to create a new article every week, and try and find new and fresh aspects and viewpoints on MI5s persecution of me. I am beginning to run out of both new topics and energy to write these articles.

So I have a suggestion to put before the MI5 persecutors who have been wrecking my life since 1990. In a few days time I will be going on holiday to Poland and Germany, for a couple of weeks. Previously, almost every time I have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these trips. My suggestion is; if MI5 leave me alone on this next trip, I will cease transmitting these articles. If, however, there are any clear instances of harassment (and I am very capable of recognising MI5 harassment when I see it), then I will make public these instances and publish any recordings I may make of them, and, unwillingly and unhappily, continue the articles.

Read about the MI5 Persecution on the Web

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

## MI5 Refuse to Allow me to have a Normal Life

Its kind of difficult to contemplate having a normal existence when you know your entire house is bugged from top to bottom, for audio and, very unpleasantly, video; when your employment is systematically destroyed, over and over again; when every time you leave the country your travel is disrupted by MI5 plants on the plane yelling abuse at you..... you get the idea. I would like to have some semblance of a normal life, like my Polish and English friends do. But MI5 have made this impossible, and they have leached massive resources from the taxpayer to institute a life not worthy of the name on me.

A few years ago MI5 were very open about their aims in persecuting me. They were shouting "suicide" at me, both in Canada where I lived at the time, and during my occasional visits to London. You cant get much clearer than that. There have been instances as recently as a few weeks ago of this intention being voiced by their side; on 15 April 1999, a woman at the next ticket counter at the Royal Festival Hall said;

"it would kill it, you know, it would just be overkill... they can't stop can they"

meaning that "they" were trying to "kill it" i.e. me and they "cant stop". The audio file is at;

I wonder why they "cant stop". Nobody (who doesnt know already) believes my claims - so what difference would it make, if they were to "stop" persecuting me? Perhaps what this persons remarks indicates, is the depth of the obsession MI5 have with this case. They have chosen at random a person from the general population, and done their worst to ruin my life. What is wrong with these people, that they persecute a national of the country whose citizens they are supposed to protect?

## No Chance of a Harassment-Free Job

Since the harassment started in 1990 I have had three jobs, the first near Guildford, the second in Oxford, and the third overseas in Canada. All three jobs have been systematically destroyed by MI5. It is so ironic that MI5 employs a team of agents, each well compensated for their efforts, to persecute just one person paid a mere fraction of what they get for their "work". In fact, it is a joke that MI5 is allocated resources for this sort of effort. If this area of government were run along commercial lines then MI5 would be very rapidly closed down, they produce nothing of any value, instead spending their time obsessed with the bugging and surveillance of their former employees like Shayler, dangerous subversives like Straw and Mandelson, and "threats to national security" like yours truly.

## Applying for my first post university job

When I was applying for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5 had got there ahead of me. Interviewers knew what words to repeat from what had been said at my home recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying to wreck my job search and discourage me from joining the world of work. This and the continuing harassment in the media and by the public meant that the search for a job took very much longer than it would ordinarily be expected to take for a person with my qualifications.

With my first job near Guildford came the knowledge that MI5 were doing everything possible to make me lose the job. Despite their efforts I managed to stay in work for ten unhappy months, during which they made very clear to me that they were bugging my workplace, my accomodation in Woking, my car, my home..... and they also made clear that they had "got to" my employer in Guildford.

## Employment with Oxford

I was able to find a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very clear, very quickly, that MI5 were treating this job the same as the first; they tried to get the other employees and in particular the managers to attack me. It was plainly MI5s intention that I be sacked fro this job. But I was not sacked; instead, after almost a year of abuse from OCTS managers, I was forced to seek medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was motivated in keeping me on by the fear that if he sacked me, then I would take him to court for the treatment OCTS managers had meted out to me during 1992.

## Emigration to Canada

When I emigrated to Canada in 1994, I did think that perhaps MI5 would leave me alone, given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why they would continue to harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to harass me they most certainly did, at my home in Ottawa, and by getting fellow employees to speak against me, as had happened with previous jobs in the UK.

## MI5 are denying me a future in work

Former Chief Constable of Devon and Cornwall John Alderson had this to say regarding MI5's activities;

"MI5 is not under the same restraints as the police. They infiltrate organisations, people's jobs and lives. They operate almost like a cancer."

Currently I am on disability, and I can see that MI5 are denying me a future in work. It would be an insult to logic for me to return to work and find a job, in the knowledge that an entire team of MI5 agents, paid in total many times what I would be earning, would have the objective of seeing me "done down" in the employment, and ejected from the place of work. This situation is completely wrong and nonsensical - I would very much like to have a job, but MI5 are preventing me from even thinking about returning to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when external oversight and greater transparency might lead to wasteful and illogical operations such as that against me being shelved.

## Watched and Harassed at my Home and Accommodation

As you will know if you have been reading these articles, MI5 have watched and harassed me at my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses in London, and at short-term accommodation such as hotels and bed-and-breakfasts. They have used the "words" gained from these watching activities against me, by passing these words on to other people such as OCTS managers for them to make clear that I am being watched where I live.

## Harassed at rented rooms in Oxford in 1992

This was at its worst in 1992 in Oxford, where during the week I lived at rented accommodation in Oxford, and at weekends returned to my parents home in London. I was being severely harassed by managers at my place of work, OCTS; and it was clear from the things they said that they were being supplied by MI5 with details of my home life, that they were being supplied with words to repeat at me.

In 1992 I moved house in Oxford many times, living at a total of five rented accommodations in ten months. In January I started off living in a rented room at Headington near the ring road / A40 intersection; then when it became clear that house was being bugged, moved to a rented room in Botley, some miles away. It was at the house in Botley that I had an "interactive watching" experience with Martyn Lewis while he was reading the news; I threw a term of abuse at him; he first flinched, then gave a gsult of what I had just said, he was no longer "on my side".

So I moved house again. This time to a place in Cowley, near the Rover car works, where I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this accommodation, to yet another rented room on Iffley Road. By this time I was very ill and being abused continuously at work. Again, MI5 followed me to the rented room on Iffley Road, and created new instances of "newscaster watching". There was a television in the room which I watched, and as you can guess the newscasters got at me when I was watching the television. Also once I was assaulted, if thats the word for what happened, on leaving the house; a youth grabbed me by the coat lapels, roughed me up a bit with various terms of abuse. I did not report this assault to the police, because what was happening to me at work was very much worse, and nobody seemed to think that that was worthy of being reported to the police. Later that day at work, Alex G, a fellow employee, said "I heard he was assaulted".... I had not told anyone at work about the incident that morning..... so once again it was made very clear that MI5 were watching my rented accommodation and giving information about what was going on there to managers at work.

So I moved house yet again in late autumn 1992, this time to a rented room in a large house on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to OCTS managers abuse, until I was forced to take sick leave from work for two months and attend hospital as an outpatient; at which point I gave notice on the room, and returned to London.

MI5 continued to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me on a flight to Spain in December 1992; and in 1993, when I returned to live and work in Oxford, they again bugged my rooms, as well as my workplace, although the intensity of the harassment was very much less than in 1992.

Watched, followed and harassed in Canada

It dismayed me to find that MI5 would not leave me alone after I had settled in Canada. In January 1995 I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks there was no sign of the "buggers". But then it started all over again. They first bugged my car, which had a car alarm installed - the alarm went off two or three times in a single evening, and the following day gave a signal that the car had been broken into. Then they bugged my apartment, and in particular they installed bugs on the phone line in my apartment.

In September 1995 I moved to a new apartment in Ottawas Bytown Market area, the restaurant and entertainment heart of Canadas capital. This proved a serious mistake. In the west end I had been fairly distant from the centre of town where MI5 concentrated their efforts at turning people against me. In the Market area it was much easier for the persecutors to motivate people to harass me, and over the next couple of years there were frequent instances of harassment by the general public.

From 1995 I had some Polish friends in Ottawa, and as the reader can guess, MI5 have spent much effort trying to break up this friendship. They supplied various things about my home life to these friends, for example where I was living in the Market, directly over the road were the studios of a music radio station, which you had to "look up" to see; and MI5 told these friends that I was "looking up" to see the radio station; so the friends then replayed these words back to me, that I was "looking up". MI5 have also made various sexual slanders against me, and these friends also unwittingly replayed some of the words they had been imprinted with by the MI5 persecutors.

## MI5 Will Never Allow Me to have a Normal Life

I have heard many excuses as to why MI5 continuously prevent me from having a normal life. We are told that MI5 are defending the country against a tere to zero.

When I have travelled abroad, they always put their people on the flights, on the journeys I undertake, to continue the harassment, so that I am put off further overseas travel, and chained to my home in London. Yet even this is illogical, because when I lived in Canada, they would still put people on flights back to the UK.... and what possible reason would they have for doing that? Perhaps the truest words to describe the MI5 persecution is that reason has nothing to do with their activities - sane people do not behave in the way the MI5 British Secret Police have been doing.

## Summer 1999 - more MI5 harassment?

In only a few days time I will be going to Europe again. This time I have deliberately chosen to travel by a non-UK airline; so we will see if they put their paid agents on this foreign carrier, we will see if they try to harass me on this non-British flight.

If they do harass me on this trip to Europe, or if they resume the harassment in London after I return home, then I will continue to report their activities in these faxes. As I said at the beginning of this article, I would very much like to not have to send these articles any more, but that is not my decision to make - it is entirely up to MI5 to cease their pointless persecution of me, once and for all.

Uniden bought the "Bearcat" division of Electra in 1984. I think the Electra 210XL was made around 1982.

Alex

Thanks for the heads up on the programming, I did some research and figgured programming it would be a chore. I'm a network engineer so hopefully I'll get it running in a couple days.

Thanks again for the help

You should be able to call like the 800-555-1212, 411, or look it up online.
The centers do have phone numbers. I have two "active" numbers for the local
office. How else would you get in touch to report as "Skywarn" observers and
so on? They depend on those reports. Maybe they changed their e-mail addy.
You shouldn't have to go to the "National" level to try to find an answer to
the local level. Give it another shot.

11175 kHz USB 1812z: "Air Transport 530" (USAF contractor flight) calling "MacDill" several times, with no joy. Pilot needs a new flight handbook; MacDill's Global station has been closed for many years. This flight is the weekly milkrun down to the downrange Eastern Test Range sites Antigua and Ascension. It is Fri, 2:18am (0718z)

I believe I am hearing Gander on 6577 kHz which would be unusual. Usually that freq is a MWARA CAR-A Caribbean Area freq used by stations for Barranquilla, Boyeros, Merida, New York, Panama, Piarco. Reception is not the best and the voice is a bit muddled; but maybe some MWARAs have switched.

One of the flights was a "World ###" flight, which I often hear on the Caribbean MWARA. It might just be a poorly pronounced "Merida" I am hearing.

Anyone else sharing the wee hours with me tonight and listening in?

For what
will the heretics say?

In order to know whether an opinion is a Father's...

863. All err the more dangerously, as they each follow a truth. Their fault is not in following a falsehood, but in not following another truth.

864. Truth is so obscure in these times, and falsehood so established, that, unless we love the truth, we cannot know it.

865. If there is ever a time in which we must make profession of two opposite truths, it is when we are reproached for omitting one. Therefore

the Jesuits and Jansenists are wrong in concealing them, but the Jansenists more so, for the Jesuits have better made profession of the two.

866. Two kinds of people make things equal to one another, as feasts to working days, Christians to priests, all things among them, etc. And hence the one party conclude that what is then bad for priests is also so for Christians, and the other that what is not bad for Christians is lawful for priests.

867. If the ancient Church was in error, the Church is fallen. If she should be in error to-day, it is not the same thing; for she has always the superior maxim of tradition from the hand of the ancient Church; and so this submission and this conformity to the ancient Church prevail and correct all. But the ancient Church did not assume the future Church and did not consider her, as we assume and consider the ancient.

868. That which hinders us in comparing what formerly occurred in the Church with what we see there now is that we generally look upon Saint Athanasius, Saint Theresa, and the rest, as crowned with glory and acting towards us as gods. Now that time has cleared up things, it does so appear. But at the time when he was persecuted, this great saint was a man called Athanasius; and Saint Theresa was a nun. "Elias was a man subject to like passions as we are," says Saint James, to disabuse Christians of that false idea which

Fwd: [MilRadioComms] King 64 in AAR with JOLLY 21
`````````````````````````````````````````````````

   "King 64" (HC-130P 64-14864, Patrick AFB 920RQW) and "Jolly
21" (HH-60G Pave Hawk helo) have just taken off from Patrick AFB,
both, using the tower's 133.75 freq. They are now in air-air comms, on
255.5, preparing for an AAR.  They are using TACAN channels 29 & 92,
which are favorites for Mil Air Refueling.
   After the AAR, look for King 64 to execute PJ drops at Judy DZ.
They almost always have drops over the water when the temperature in
the area turns cold, as it has tonight. Often Moody C-130s will come
down for the cold temp drops as well.  Gets the PJs ready for the real
world.  King 64 just said that everyone in the plane is cold already.

Fwd: [MilRadioComms] Veradero Tower (Cuba) comms

"Sunwing 680," a B-737, is up on 118.4 talking with Veradero Tower in Cuba, getting their landing wx.
Sunwing 680 departed Toronto (CYYZ) earlier today and is inbound to Veradero (Juan Gualberto Gomez IAP, Matanzas, Cuba MUVR). The flight is over south Florida now; 1230 mi down; 201 mi to go.
Sunwing flights and other flights often call into Veradero on that freq and it usually riles up the Patrick AFB Clearance Delivery folks who inform them "You are using a Military frequency; please cease your comms on this Military frequency." I can just imagine what the Pilot says to the First Officer when he hears that.

One can only hope an international military confrontation doesn't occur.

I have an HD receiver and think it is great. Works fine for me. The AM signal is beautiful and I like the dual channels on FM. I'm really happy with it.

That's nice, but HD doesn't even work:

"Is HD Radio Toast?"

"There are serious issues of coverage. Early adopters who bought HD radios report serious drop-outs, poor coverage, and interference. The engineers of Ibiquity may argue otherwise and defend the system, but the industry has a serious PR problem with the very people we need to get the word out on HD... In other words, everything you can find on the regular FM dial... The word has already gotten out about HD Radio. People who have already bought an HD Radio are telling others of their experience (mostly bad) and no amount of marketing will reverse this."

http://www.fmqb.com/article.asp?id=487772

And, the HD channels are just clever reworks of the same bland material found on the main analog channels:

"HD Hypocrisy"

"Here's a few more reasons why only iBiquity and a few clueless radio group heads could make a big thing out of HD radio tagging... The very damn radio stations that broadcast in HD offer no programming worth listening to. HD Radio is a virtual sewer of formats owners don't want on their terrestrial frequencies and other assorted garbage that no one sane would listen to -- let alone spend money for new radios -- tagging or not."

http://insidemusicmedia.blogspot.com/2007/09/hd-hypocrisy.html

Enjoy!

Hi,

I'm trying to identify a data transmission I keep hearing on 3132khz. According to the FCC frequency allocation chart 3132 khz belongs to aviation. Does aviation use data for transmission? I'm only aware of ACARS, and thats in the 130Mhz range.

Has anyone heard anything in the 3mhz range? I've recorded a minute worth of the sound, if anyone is interesting in hearing it (perhaps someone can identify the mode) email me back and I will send them the file. It's about 800kb.

I was searching on other newsgroups and came across a German poster who also heard a data transmission on 3132khz and was trying to identify it. This post is 7 years old. (http://groups.google.com/group/de.alt.radio-scanner/browse_thread/thread/a1be3eedd0d8abd6/7c43db2ec7151947?hl=en&lnk=st&q=3132+khz#7c43db2ec7151947)

Thanks,
Felix

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group every month. You are now reading the first article, which explains what rec.radio.info is, and answers some Frequently Asked Questions. The second article is titled Posting Guidelines, and you only need to read it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the next
" -- " string. The sections available are:

- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to

speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet community with a resource for information, news, and facts about any and all things radio.

All the other rec.radio groups are intended for discussions and general chit chat about radio. Rec.radio.info will contain informational, factual articles only. Follow-ups are redirected to an appropriate other group, and further discussion (if any) will not take place in rec.radio.info.

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

```
/Newsgroups:.*[ ,]rec\.radio\.info/h:j
```

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

```
rec.radio.info:!s/:^
```

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

```
sequence
rec.radio.info
rec.radio.
```

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

   rec.radio.swap may be more deserving of the posting in any matter.

   Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet |
newsgroups is the RadioBanter site: |

http://www.radiobanter.com |

sponsored by the NewsgroupBanter project: |

http://www.newsgroupbanter.com |

It, too, supports both reading and posting. |

-- Will the material appearing in rec.radio.info be archived somewhere? |

Yes. See Google Groups and RadioBanter above. |

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group and to rec.answers/news.answers every month. You are now reading the second article, which explains how to submit something to rec.radio.info, and which answers some Frequently Asked Questions about the submission process. The first article is titled "Welcome to rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post the article to rec.radio.info, as you would do with any other newsgroup. The difference is that the software recognizes the special status of rec.radio.info as a moderated group, and will e-mail your article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the transparency offered by the newsreading software is probably more convenient.

If you have any questions, or wish to deal with some administrivia with the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have to read it first, give it the stamp of approval, and finally send it on to the group. We will attempt to read and decide on all submissions within 72 hours at the very least, though we will probably be able to process submissions much faster in actual practice.

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc	Amateur (ham) radio and related matters
rec.radio.amateur.packet	Amateur Packet Radio discussions
rec.radio.amateur.policy	Amateur Radio practices, rules, etc.
rec.radio.noncomm	Non commercial radio discussions
rec.radio.shortwave	International broadcasting on the 'HF' bands
rec.radio.cb	Citizens Band (27 MHz) discussion
rec.radio.scanner	Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated	Amateur radio practices, rules, etc.
rec.radio.broadcasting	Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

```
 Message-ID: <$opa.55.1994@ampr.org>                                       |
```

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

Here is the cable I made years ago for my old Pro-93  (same cable is
used for the 2096)
Works perfectly and cost at that time less then $10.00 in parts.

I am looking for a program to load on my computer that can read the
PL / DPL used on a particular frequency, when I have the speaker out
put hooked up to the sound card. This is so that I can program the
right DPL into the scanner so that it does not pick up another agency
on the same freq a distant cab company (yakety, yakety).

I have found a program that can detect PL but not DPL. Someone
suggested a program that costs aprox $160.xx, this is way to rich for
my blood, sorry I am looking for a lot cheaper... prefer free.

Please let me know your suggestions, and links to the software.

Thanks

-Zack

Hi!

Many years ago in Great Brittan they operate police radio in some between
100 MHz and 108 MHz in AM modulation is this true?

Is there any collection of old British police radios in the net?

Regards,

Ralf

 It *could*. I've hooked up my old Starlite Shortwave
 radio to a magnetic mount CB antenna and could pickup
 stations in Africa. just depends on how strong the=20
 signal is and the conditions?

Radio Shack sold it's Inter-Tan division to Circuit City. Inter-Tan operated all RS stores here in Canada [and I believe the rest of the world..but I'm not sure]. But Radio Shack sued Circuit City to stop them from using the Radio Shack name outside of the United States. The stores are now known as "The Source by Circuit City".

Well - I'll be damned - never heard a thing about "that". DAMNED. OK - so
now I'm wondering about the story I heard of that "Circuit City" isn't doing
so well and Radio Shack "supposedly" wants to make a come back, etc. What a
wonderful "whacky" world - we live in. The way I look at it - probably both
of them should just disappear.

Or I could just have 2 scanners monitoring 2 frequencies and send
audio feed.  But what if wanted to monitor 20 or even more?  You are
right about consumer grade units not capable to do that.

The other day I was searching for active HF frequencies (29-54 MHz for
my scanner) when all of a sudden, somewhere in the middle of 37 MHz, I
picked up what sounded like a TV show! (Similar to the Global station
I pick up on 407.287 Mhz) I then changed the channel, and the sound
changed. I soon found out that my scanner was picking up the same
thing that my TV was! My usual freq. scanning place is about 3 metres
from the TV, which is hooked up to a VCR which is hooked up to a
StarChoice satellite receiver, all via coaxial cable. See if you guys
get the same thing. Changing the subject, what is HF used for? I know
26-27 MHz is used for CB, but thats it. Thanks for any replies!

Many TV's, especially older one;s, put the IF somewhere around 40Mhz, and it is about 6Mhz wide. So odds are your scanner was picking up energy radiated from the IF strip of the TV set.

Hi Trent and welcome!

Sometimes the traffic on this news group slows down and sometimes it's pretty active but, by and large (whatever that means!) it's a pretty good place to check every few days.

http://www.radioreference.com/ is a pretty good web site for learning about frequencies in use (in your home area as well as other places you might take your scanner). Of course there are lots of such web sites but that's one of the better ones.

And ask you questions! Most people will give you pretty good advice if you explain what you're interested in or what you're trying to achieve!

Got it. I also want to make a correction to what I said. 30-54 Mhz is
in the Lo VHF band-not HF. The only thing my scanner will pick up
below VHF is 29 Mhz. Still, no matter how often I search, I can't find
any transmissions between 29-54 Mhz. If anyone has any freq. for
29-54, or knows what it is used for, I would like to know. Thanks,
Matt!

at the low end amateur radio 10 meter band. at the high end broadcast TV
audio side and amateur radio FM band. between those is forestry service,
petroleum carriers and all sorts of older allocations.

Fight Back for Life to Win Humanity's Demands

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism. Video of iron flowing like water from the 911 towers exists for viewing, and, Al-Qaida =3D General Mahmoud Ahmad, So, pro-repuglicons want to see YOU die first as the Innocent forsaken, before allowed the right to defend freedom to the last bushite breathing. Death to the bushite, death to the enemies of Freedom for Humanity.

/ /Destroying enemy bushite is a gift to Humanity, it is saying you care for the lives of the innocent a bush bitch nazi grunt freely confesses to targeting for murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given.\ \

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? Kill a bushite traitor to America for Christ.

Remember: not publicly executed child killer Tatum, is a hero by CNN "American" standards.

/ / The complaint sets out how Stefanowicz and Johnson and other CACI employees directed soldiers to give prisoners the "special treatment," which was code for making naked prisoners to crawl back and forth over rough concrete until they were bloodied and unable to move. The complaint also alleges CACI, working with others, wrongfully killed Ibrahiem Neisef Jassem, Hussain Ali Abid Salin, and Ahmed Satar Khamass. \ \

Now, see.. wouldn't YOU hate those that hate GOD as ourselves? No, America is going to give these monsters millions in 'free' cash to murder and thieve more. Just like an ungodly bushite,

You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blamming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life? Sold to you by your, making it real illiterate brother, who was always stoned away living and dying in the movies so... Everyone media popular jokes or confesses to smoking pot in the movies, yet, some of US are expected to go to jail for a lifetime, because we can't seem to get together to make a fuss. We have to change laws on pot. In Amsterdam, legalization has brought addict levels down for it's publicly recognized there humanely as a weakness to overcome. Heroin I mean, pot is great!

The Answer

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. We, as Americans, are appalled at the fact neocons have been able to steal our authority for so long to take America DYING into a needless, causeless war, but for to criminally plunder at the expense of anyone's innocent son or daughter.

Look, the neocons plan for 'escape' red handed, (as so planned publicly for viewing), is to suggest: You got took, you gave up, now go suffer further on a cross somewhere, the show is over. "Ancient History". Shh.... here comes the credits..

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of nutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child breathing.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida =3D General Mahmoud Ahmad. Die bushite die.

WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding: Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability.

See how these DEMONS play? Torturing innocent people to death for the pleasures of a bushite liar, already warrants the death sentence in America. It's like lawless bushite nazi savages spying on innocent Justice loving Americans, "Just" to see what your doing, IS illegal, now.. well.. YOU decide as the 'made' uniformed. Make a phone call for freedom you lazy amerkan fuks. Ian Punnet says the towers fell naturally, and George Norry reports we got to get bin Laden.. blahblahblah. They know America is dying and couldn't care much less with all the laughing and cheering at YOUR expense. See.. You die in this scenario, and when your dead and gone, we don't want to hear your lost to indifference soul echo on, how we've forsaken you when all hope was gone. All success requires is for YOU to Realize, YOU have rights here too my brothers and sisters. Please be a friend, in not an enemy. G-D is miraclously in our need to save our selves of needless murder. All dying but to only enrich war mongering criminals of the TV decreed. A war criminal like George Walker Bush that CNN stay undecided with.

America is truly dying by criminal command executed by traitor Bush. I call a Veto for Bush as our going down for good lawless Dictator. Nobody is lawless. The bushmob needs to be arrested for treason on 911.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than

200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America. check out youtube. These proud bushite child killers, can not be allowed to freely walk our Earth, after lawlessly murdering so many for nothing but to please the antichrist enemy of all humans Being. All the while chanting monotonously "whore yeah, whore yeah" Death to the bushite heroin pushers, death to those who war God's World indiscriminately with NATO, Sattler, Mattis, and Blount to escape the neocon zionists for the treasonous unholy crimes of 911 back in New York City, where thousands of whomever Americans, were murdered don't you know?

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=3Dm9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

Americans will start bounties of five million for each soldier who willingly, as demonic volunteers, murdered the population of Fallujah. While Godly people will be rewarded in knowing, you loved God by destroying such evils that must --- to defend our still loving families. These demons now want free health care from Americans, if you can believe it, while denying such luxuries from Americans who don't enjoy murdering ourselves as freedom loving women and children. death to the LIAR bushite, death to the Satanic enemies of Man in the air force responsible for indiscriminate bombing that is done routinely.

Just seek "NATO" in Google 'news', and realize, near every strike of thousands, they say oops from their safe bunkers in Florida. They are enemies of all Peoples, they are enemies of Christ in GOD. Bill a bushite for America why don't you fight to save some innocent lives?

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

Remember: CNN reports that Tatum is a Hero! Die bushite die.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida =3D General Mahmoud Ahmad.

We laugh with Jon Stewart regarding the seven Christians set up by the fbi to be al-kinda, to be put to death, or serve life term prison sentences as the innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

Supporters of Evil

http://mparent7777-2.blogspot.com/2007/12/supporters-of-evil.html

/ / If you choose to support evil and to embody evil yourself, I suggest you follow the vile example of the current administration: do so without apology, and brazenly revel in the evil you choose to inflict on the world. It is far more contemptible -- and, to speak personally, it is sickening beyond my capacity to describe accurately, in significant part because of the complex psychological dishonesties that are required -- to enable evil, while claiming you represent the "moral" and "practical" choice. These are the justifications used by those who made possible the cruelest and most unspeakably horrifying regimes in history, as Mayer's witness and many others attest.

Withdraw your support entirely from those who perpetrate and make excuses for evil. \ \

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Stranger in a strange land,

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. This ain't right

Look, the guy who murdered the two thieves, is guilty for such. He acted to intentionally murder. MURDER. Do cops kill kids who steal bubble gums?, or if they did, would an American then think justice lacking? Cops were near the scene, and the murderer held no pause to kill thieves with their hands full. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal threat to life by the murderer, and would have likely been caught by smarter cops who were in waiting.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

/ / "I grabbed her little sister and put her in front of me . =2E as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.."

To, for God, gloriously, with love, kill these unarrested
murderous continuing ungodly bushite nazis, is to war the TRUE
enemies of Humanity to save the lives of our precious loved
ones.

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. Like bin Laden did "it", Saddam wouldn't let inspectors in, and neocon thieving soldiers who murder our families indiscriminately as zionist betrayers to Christ and America are Heros.

bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. "...advanced forms of biological warfare that can target specific

terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does
all it's opinioning for it?, on who is guilty of evil doing
in complete blind faith puppeting LIES? If anything, bush
would be Puppeteer, before "he's only a puppet, he's only a
puppet, look away! look away!" of the Old World Order of
illiterate nazi savages who murder innocent people to thieve
from as our enemies. To kill a bushite, is to be truly heroic.
Ask anyone. What WE want is public accountability.

http://www.newdawnmagazine.com/Article/The_Secret_Origins_of_AIDS.html

I'm telling you America, George Norry is a blatant naked
traitor talking the love of your innocent dying sons and

daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better'

CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in
from Afghanistan, that will still cause crime, and be illegal,

(and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida =3D General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. An Oath Every Soldier Swears To God With

/ / Lieutenant Watada \ \

Again a Patriot Soldier whose only crime is that he refuses to commit a crime in Your name. Do something about it. You defend this Patriot American Citizen as if Your America depends upon it. The "Judge" who publicly forbids to hear Watada's freedom defense, an Oath every Soldier swears to God with, is a "Judge" who needs to be privately arrested for treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave prisonized in a zionist neocon military dictatorship

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves

free with..

"Al-Qaida" =3D "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

That's fighting words to a corporated "generation" of left iliterate non-speaking, hypocrite nazi savages, dying sacrificed, who auto figure by remote control, we can not be allotted the public defense for freedom's cause, Justice for all by International News Challenges. ! Justice for All is given through the power of the indivisible truths of our living existence, as concluding: evidence must be used to convince ourselves on who is good or evil. period. Bushites are as dumb as they are cowardly lifeless nazi trash, good for only to play the mute ungodly bad guys in evil wars for the demon antichrist enemy of all human lives - 911's George Walker Bush, The Traitor. I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" =3D "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Nazi zionists gave US Jews a bad rap again I see. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot

Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

911 Leaders Saying They Are Jesus

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad =3D al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Did you know, many bushite sing a song about killing innocent young girls for pleasure? It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

Wouldn=11t most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything=12 Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price that British trained policemen had tortured prisoners to death with drills, we discovered, through the New York Times (!!), that American intelligence officers had been working alongside them at the Jamiyat police station \ \

BASELESS?

/ / Prime Minister Stephen Harper "We will conclude a formal agreement so that we never again face these baseless allegations," he said. Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

-

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. So spoke the King of being the wisdom we here revealed by statement of timeless fact. Good will triumph over evil. That's that.

-

Tenent "Lets everybody tell the truth."

It seems Tenent wants to inform us he actually meant when saying "slam dunk" - that, selling the war to the American Joe, without establishing any real facts would be easier than anything against the powerless as media unrepresented!

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for:
"Al-Qaida" =3D "General Mahmoud Ahmad" =3D "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida =3D General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

-

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . The best thing to do is Google the model # and read the details of the scanner.

This is what I found
http://www.universal-radio.com/catalog/scanners/3346.html

You need to evaluate what it is you want to listen to or use the scanner for and read the scanner details to see if that covers it for you..

Its an older scanner and only listens to conventional systems, not trunking
which many are at now.

Where I live there are a mix of trunking and conven so I have a trunking
scanner

If you have any other questions just make another post or reply here.

According to census data in the year 2000 there were 617 housing
unites in Elizabethville. This represents a 0.2% growth from 616 in
1990.

Of those housing units, none were located in either urbanized areas or
urban clusters, and 617 were located in what is classified as a rural
area.

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet community with a resource for information, news, and facts about any and all things radio.

All the other rec.radio groups are intended for discussions and general chit chat about radio. Rec.radio.info will contain informational, factual articles only. Follow-ups are redirected to an appropriate other group, and further discussion (if any) will not take place in rec.radio.info.

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

 -- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

```
/Newsgroups:.*[ ,]rec\.radio\.info/h:j
```

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

```
rec.radio.info:!s/:^
```

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

```
sequence
rec.radio.info
rec.radio.
```

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

   rec.radio.swap may be more deserving of the posting in any matter.

   Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet newsgroups is the RadioBanter site: |

http://www.radiobanter.com |

sponsored by the NewsgroupBanter project: |

http://www.newsgroupbanter.com |

It, too, supports both reading and posting. |

-- Will the material appearing in rec.radio.info be archived somewhere? |

Yes. See Google Groups and RadioBanter above. |

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group and to rec.answers/news.answers every month. You are now reading the second article, which explains how to submit something to rec.radio.info, and which answers some Frequently Asked Questions about the submission process. The first article is titled "Welcome to rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post the article to rec.radio.info, as you would do with any other newsgroup. The difference is that the software recognizes the special status of rec.radio.info as a moderated group, and will e-mail your article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the transparency offered by the newsreading software is probably more convenient.

If you have any questions, or wish to deal with some administrivia with the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have to read it first, give it the stamp of approval, and finally send it on to the group. We will attempt to read and decide on all submissions within 72 hours at the very least, though we will probably be able to process submissions much faster in actual practice.

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc	Amateur (ham) radio and related matters
rec.radio.amateur.packet	Amateur Packet Radio discussions
rec.radio.amateur.policy	Amateur Radio practices, rules, etc.
rec.radio.noncomm	Non commercial radio discussions
rec.radio.shortwave	International broadcasting on the 'HF' bands
rec.radio.cb	Citizens Band (27 MHz) discussion
rec.radio.scanner	Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated	Amateur radio practices, rules, etc.
rec.radio.broadcasting	Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

```
 Message-ID: <$opa.55.1994@ampr.org>                                     |
```

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

Hello,

Live outside of Boston.

Have come across some frequencies that (just) say:

Red Dot
Blue Dot
etc.

And also some that say:

Red Star
etc.

What are these, the Dots and the Stars, please ?

Thanks,
Bob

They are industry-accepted designators for a series of frequencies generally used by licensed low-power business radios. Often when a business user purchases handy-talkies for, for example, use at a construction site or in a store, they will come pre-programmed on one or more of the dot frequencies.

Some of the most common ones are:

Channel	Frequency, MHz
Red Dot	151.625
Blue Dot	154.570
Green Dot	154.600
Purple Dot	151.955
Yellow Dot	464.550
Brown Dot	464.500
"J" Dot	467.7625
"K" Dot	467.8125
Silver Star	467.8500
Gold Star	467.8750
Red Star	467.9000
Blue Star	467.9250

When radios for job sites first came about, you still needed a license, but it was commonly ignored.

To be sure that Joe Dolt got radios that worked together the manufacturers devised a simple system.

Red Dot 151.625
Blue Dot 154.570

so if Joe Dolt went to Grainger and purchased 10 of these and told them he wanted them on the Red Dot, they would all work together.

Most of these were single channel units like the Jobcom units.

A complete list is here:

http://www.wpascanner.com/wiki/index.php?title=US:Nat_Bus

Now days most of the Jobcom units have been replaced by the Motorola XTN units with 15-30 channels or illegal use of FRS and GMRS radios at businesses.

DTMF could be used for:

Auto Number Identification - ANI
Activate remote tx or rx sites

The second set is most likely paging in the two tone format.

See the following for more info:

Can anyone direct me to any places on the web, OTHER THAN EBAY, that sell vintage scanners?

I'm mainly interested in the old crystal scanners, not really the Bearcat scanners, but the others that were sold in the past 30 years or so.

Any help welcome!

MI5 Persecution. Update: Friday 16 April, 1999

BBC newscaster Nicholas. Witchell cant stop himself laughing

During 1990-91 there were very many instances. of "interactive television" where newscasters and. other TV presenters saw on a screen before them what. was happening in my home, and reacted, frequently by laughing at me. During this period I unfortunately did not. record these programmes. For the last year or two,. I have been recording everything I watch, and there has been a drastic decrease. in such incidents.

However,. on occasion, television presenters do still engage in "interactive watching" and react to what they see.. This has been evident with Jon Snow of Channel. Four News recently - a particularly interesting case, since it has been established that he cannot be corrupted by. money (it is well-documented that MI5 offered him a tax-free salary and. he turned them down). I wonder what device MI5 are using to encourage. him to do the "interactive. watching"?

On Saturday 10 April 1999 at 7pm, Nicholas. Witchell on BBC2 News reacted when he saw that I was. watching the programme, and I have his reactions stored safely on videotape. I have watched this tape several. times and I am entirely confident that. my evaluation of his reactions is correct. For several minutes his upper lip quivered in. mirth as he attempted to keep a straight face. Then finally. his self-control evaporated through the excuse of a. weak joke and his face collapsed into a grin.

The strange thing is that I dont. know why he was laughing at me, what I had done recently to "deserve" to be laughed at. The MI5. persecutors usually manage to invent some justification. as to why people should laugh at and/or abuse me ("hes an. X", "it was so funny" etc), so Mr Witchell could have been laughing for any number of reasons. Perhaps he. found the views I have been expressing in these articles amusing? I suppose if. youre paid enough money and ordered to laugh then even. the most innocuous thing becomes. funny.

Jon Snow of Channel Four News cant stop himself. smirking, either.

On 12 February 1999. I was watching Channel Four News presented by Jon Snow. As usual, I was recording the programme, so that if anything. out of the ordinary happened, Id be able to go back and. watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says. he turned down an offer of a substantial tax-free salary. from MI5 - they wanted to make him. their mouthpiece, and he told them where to get off.

So you will be most surprised to learn. that Jon Snow "interactively watched" me that. evening, and on many other evenings. Approximately fifteen minutes. into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the. clock on the mantelpiece; and Snow saw. me looking at the clock, and visibly tried to suppress. a smirk.

Uncorruptible, are you, Mister Snow? If not money, then. why are you watching me, Mister Snow? Are they forcing you to watch. me? Cant you turn the monitor. off, Mister Snow?

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

Comparing the. MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass. murder of millions of civilians in wartime. with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind. for several years. now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone. they vituperate and. term "not up to British standards". The methods may differ, but the persecutors mindset. is the same.

The Germans. first targeted the mentally disabled, too

During WW2 millions of ethnic Russians,. Poles, Jews, mentally ill, gypsies and other minorities were rounded up and. murdered in purpose-built camps by the German regime,. in the name of "racial superiority". Fifty years on, the British Secret Police, MI5,. instituted a campaign of mass hysteria; but in their cowardice, limited their activities. to one single victim.

It is instructive to note that the. early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The. Nazis set up the T4 project in the thirties to "cleanse" away. 70,000 mentally disabled people, including. schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction. from the holocaust to roll back anti-semitism in the Western countries; however, the mentally. ill are today. still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the. UK intends to bring in laws for incarceration without any. criminal charge for some mentally ill people -. he protects his own minority, but does nothing for the other minorities in todays society), and. this continuing bias forms a central cause for the current acts of persecution in the. UK.

Widespread knowledge. of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and. the current British persecution, many, many people are. well aware of whats happening. There is widespread complicity through inaction. of populace; and in a substantial. proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet. in both the German case. in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In. the recent Lawrence case this "secret bigotry" has. been termed "institutionalised. racism", and that is a very good word for what the British are doing today The persecutory attitudes. and omerta regarding them are. so deeply ingrained in the national psyche that they define the national. mood

During WW2 many Germans. knew minorities were disappearing, and through inaction. quietly condoned their government's mass murder of "un-German" minorities. and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British. Secret Police have been doing, and. not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that. is the target of "British" actions.. This attitude by the British persecutors has been made explicit through the. words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to. victimise.

Why these obsessive. "holy wars" happen

This type. of aggression occurs when the majority is threatened or humiliated in some. way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military,. following Germany's humiliating defeat in. the first world war and the reparations it was forced to pay. In modern. Britain, one might guess that the majority English who are behind the. persecution feel pressured by the swiftly diminishing status of Britain in the. world, and the rapidly increasing coloured colonisation of their country, which in time will. see the ethnic English a minority in their. own land, and their more antisocial elements, unable to reply. to the obvious threat, instead project their aggression onto another, weaker, unit. minority

In. both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour. fifty years ago bordered on the not-quite-sane, and the current British behaviour towards. their chosen victim is strongly tinged with a leave-taking of. reason. And the choices open to the victims are the same, since MI5 will. never allow me to escape them, "if he tries to run away we'll find him", just like. the commandant of Auschwitz telling the new arrivals,. "the only escape is through the. chimney".

The Victim Will. Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago. the Germans said, "if we don't do it to the Jews then the Jews will do. it to us"; and MI5's propaganda in the early nineties concentrated on their. victim as a "monster" aesome. "untermenschen" minority.

"We are. decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of. the very interesting book,. "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains. a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side. by side, or five. hundred or one thousand. To have stuck it out, and at the same time .... to. have remained decent fellows, that is what has made us hard. This is a page of glory. in our history which has never been written and is never to. be written."

In the MI5 persecution, too, there is a thread of deliberate. brutality to the sick and vulnerable,. while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in. the self-attitudes of the Security Service operatives and those in the. public who they employ against me, which reflects. the contradiction evident in the German attitude above. On the one hand, they stoop. to the lowest and most base behaviour;. yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely. they must by definition be "decent fellows". Any indecency is made the. fault of the victim; "hes making. us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these. peoples see their normal modes of behaviour. Befslaughter was. not typical of normal German behaviour up to that point. Similarly, the current MI5. abuse goes against the grain of British self-image as being "reserved" and "decent",. since they. are using terms of abuse which are common among blacks and other supposedly less-developed. races, but not among the English.

Conclusion

The. ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very. direct way; the British Secret Police MI5 are acting indirectly and. relying on self-extinction of. their target, because in peacetime and in the current somewhat false climate of "political correctness". more direct methods are impossible. If MI5 undertook more. direct action the mass "omerta" would be broken.

I have. written this article with sincerity to show how a historically recent persecution in another. country parallels what is being done in this country today. In both cases, the evil-doers are of. their countries establishments, and rely on widespread. tacit support to maintain the persecution. and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to. be aware of the fact that had the Germans not been defeated. fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the. "permanent government". of which the Security Service forms a part; and it looks very unlikely that. the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British. secret state brought to justice for its. evil actions.

Four Years. of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first. three years of the MI5 persecution, from June 1990. until late 1992, I kept as quiet as possible, in the hope that by not reacting,. MI5s interest in me would decrease and they would simply go away of their own accord. This is. the sort of behaviour some people employ against bullies; if the. bullies arent getting a reaction, then they might simply go away and. victimize someone else.

Unfortunately, this tactic didnt work. The quieter. I became, the more shrill and hysterical the. noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this. only heightened their. obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at. work by managers and fellow workers, and they continued. to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would. have to "put right" by ever more extreme forms of. abuse.

Finally,. in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet. providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic. from consumer electronics, to politics and legal topics, and. I discovered online services such as Compuserve and AOL. In May. 1995, I made the first posting to the conspiracy newsgroup, on the. subject of "BBCs Hidden Shame".

BBC's. Hidden Shame

The internet. newsgroup discussion, which has now reached its fourth anniversary, started with an article. in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24. 1995
Newsgroups:. alt.conspiracy
Subject: BBC's Hidden. Shame

Remember. the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned. down?

Well the country which brought Orwell into the world has made his nightmare. follow into the world after him. Since 1990. the British have been waging war against one of their own. citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media. in their efforts to humiliate their "victim".

And the most remarkable thing about it. is that what they do is not even illegal - the UK has no laws to protect the. privacy of its citizens, nor does it proscribe harassment or abuse except in the. case of racial abuse.

A lot of people. in England know this to be going on, yet so far they have maintained perfect "omerta";. not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come. out into the public domain.

Have the British gone mad? I think. we should be told

At this point, I did not name MI5 as my persecutors. I was still. unsure that they were. the ones responsible for the "psychological terrorism". In followup. posts however I did name them; and the persecutors have never denied the claim; so I. think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour. was made", but it is a well established fact that. MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions. can be drawn. from this.)

This first post was made to. alt.conspiracy, but further posts were made to the UK-local newsgroups, in. particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc).. Some time ago I tried to take the battle to the Compuserve. forums, UKPOLITICS (which is now called UKCURRENT - current. affairs), but my articles were censored by the forum operators. Such censorship is impossible on the. internet newsgroups.

Police Refuse. to Act

I have complained several times to the Metropolitan Police, who. have each time refused to. help.

>evidence; what people said,. in many cases years ago, is beyond proof, and
>without something to support my. statements I cannot expect a police officer to
>take the. complaint seriously.

This in itself. dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock. Michael Howard, and without evidence,. they often have higher priorities than chasing something that cannot. go to court.

I doubt that the police are actually being leant on, but. they probably realise that if they looked into this, they would be leant on. hard. The met always stays away from anything. that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies. in the general pecking. order.

If I walked into my local nick and complained that MI5 were. snooping on me, they would show me the door without even looking at my evidence, because. that bored desk seargant with only five years. to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He. would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches. and piss off home at the end of his. shift than have some high ranking spook having a go at his boss and getting. him a bollocking.

In. short, you have earned much sympathy but little surprise. Just remember that saying about the. enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police. Station CID. They did not acknowledge or reply. to my letter. When I phoned them up, the detective Id written. to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid. rubbish".

It would be nice to think that such uneducated bigotry is. something other than wholly typical of police behaviour, but unfortunately that is. an illusion that is. rapidly dispelled.

Uncorruptible Jon Snow of Channel Four. News

From previous articles the reader. will know what I think Jon Snow has recently been watching me while. he reads Channel Four News in the evening. Recently I digitized a. few moments of one such broadcast, where his face twists into a smile, without there. being anything in the news broadcast to cause merriment. Here is a usenet post from some time. ago on MI5s "bought and paid. for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk). wrote:

Can't disagree with that. sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and. broadcasters? I remember. reading a report by some jouralist who had been offered an extra tax-free income by MI5 to become their. covert mouthpiece, and had refused.

....

> : >mouthpiece,. and had refused.

It has been reported several times. The most. recent was in Private Eye, a few months back. As I recall they also. wanted information from him; journalists would be a natural choice for. members of the Security Service and the Secret. Intelligence Service for information sources.

> It might be interesting to see what he had. to say regarding their
>. attempt to recruit him.

He was most concerned. that many others would have accepted such an offer. However, we can probably make an. educated guess as to some of those who accepted: Nigel. West (Rupert Allason, MP) and Chapman Pincher would come near to the. top of the list.

Corrupt Security Service agents. steal millions from taxpayers

Money is of course a factor in the. grand equation which is the MI5 persecution. It costs money for the Security Service to "buy". people in the media etc. But that is only a small part of their. expenditure of taxpayers resources. Most of the expenditure is. directly on the salaries if the agents involved; and in this post I put forward the. theory that MI5 are trying to draw out their involvement for as. long as possible, very cynically,. to maximise their income and line their own pockets.

At each stage they have tried to pretend. that I am something out of the ordinary. Either I was very stupid ("he's an idiot") or very clever ("he's like a. genius"). Either I was a threat to Western civilization (Levin once. referred to me as the next Hitler) or I was completely defenceless. ("a soft toy").

Now, it should be obvious to any person with common-sense that. I am not out of the ordinary in any way. I have. an IQ which is average for the Web, I am racially white European, and there are plenty of. other people with schizophrenia or epilepsy out there who haven't been targeted for MI5 attention, so. why me?

I think the answer is that the MI5 agents who harass me have cynically. exploited the situation by painting me as extraordinary in order. to assure themselves of well-paid employment funded by the ordinary. British taxpayer. To put it bluntly, they are stealing millions of pounds from the taxpayer to feed their. own pockets.

This assertion is supported by the observation that it's the same. agents who are doing the. harassment. Six months ago in a local hospital I was harassed by someone whose face I. had seen (he had stared straight at me aggressively, at the time I just thought it was some nutter but it turns. out he was one of "them") aboard a KLM flight a couple of years ago.. It's presumably been the same people most of the time. I've seen the way contractors act when they don't want their positions terminated. Would these. agents really want to lose their. well-paid employment harassing me? Presumably they are promising their bosses a "breakthrough" (ie. my demise) real-soon-now and have been for the last seven. years, while all the while these MI5 agents skim millions off the. taxpayer.

I wouldn't mind a job. like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd. get a slice of. the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could. not think of a single case where the Tribunal had found. in favour of a complainant. Here is my usenet post from. two years ago.

Subject: MI5: "It. wasn't us"
Newsgroups:. uk.misc,uk.legal
Organization:. Toronto Free-Net

"The Security. Service Tribunal have now investigated your complaint and have asked. me to inform you that no determination in your favour has been made on your. complaint."

Signed. ER Wilson, Tribunal Secretary

Well that's a relief then.. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then. it can't be them, can it?

In a recent letter to Mr. Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in. the face of MI5 falsehoods. Nevertheless,. I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal. appearing to be a toothless. watchdog.

Discrimination. against a Unit Minority

MI5 have been very clear in their instructions as to. what I should do. They have openly shouted. at me the word "suicide", and also from the other abuse it is clear that. they want my existence terminated.

This point is covered in. more detail in a previous article. The following post describes the xenophobic. nature of MI5s campaign against me. They have refined their bigotry down to. a unit minority, yet they make use of the discrimination against the mentally. ill which is a feature of current British. society.

I don't have florid symptoms. But. I'm in a difficult situation, because those people who don't know, aren't going to believe, and. those who do, they just go along with the crowd.. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment. and the media. Even people who could say out loud what. was happening won't, because then there's a risk that they'll be seen as traitors. and ostracised.

Usually this type of 'hidden abuse' is racial. and targetted at a racial minority within a country. You keep the minorities out of. the good jobs, but you don't admit discrimination exists. It happens everywhere, not just. in Britain.. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the. mentally ill is still socially acceptable today. In 50 years it might not be, but today. there isn't any social or legal sanction against. it.

So really they've. refined racial harassment down to a minority of one. The words may be different, but the methods are. the same.

I am selling a Realistic Pro 43 hand held scanner. In my opinion, one of the best scanners of it's kind ever made, and I've had many scanners! Works especially well on aircraft and Mil air.

This scanner is 100% fully functional. All buttons and controls work perfectly. The front and sides cosmetically are 8 1/2 out of 10 with no scratches, cracks, dings or major flaws.
The rear of the scanner has some scratches below the serial number plate, and some scratches near the top. Nothing major, and the case is not cracked in any way.

I am asking 70 bucks for the 43 shipping included. This scanner would command much more as functionally it works like it is brand new, but unfortunately, the scratches on the rear reduce the value a bit.

So, if you were looking for this scanner, which has become increasingly hard to find, this one is for you.

I will accept PAYPAL or a US Postal money order only.

eBay feedback under OFFDAN.

E-mail me at dconti@nj.rr.com if you have any questions or are interested.

Dan

Picked up a PROSCAN 100 NASCAR scanner at an after Christmas sale cheap. Is there anyway to re program it for regular frequencies or am I stuck with the frequencies in memory? The store owner said it could be reprogrammed for regular non digital frequency reception and there wasn't any operating manual with it, just the crap on the package. Any help most appreciated
Thanks

Mike

MI5 Persecution: Molestation. during Travel

MI5s persecution of me varies in intensity. Since 1990 it has been. steady for perhaps 80% of the. time; there was a notable quiet period in 1993, and another quiet period in Jan-Feb 1995, as well. as a hiatus in the first two months of 1999. It puzzles. me that they cease and restart, seemingly without any logic or reason. But one aspect. of MI5s activities against me which. is relatively predictable is this weeks articles topic, which is Molestation during Travel. Almost every time I cross the. Atlantic, go to the Continent or. even try to enjoy a holiday in this country, you can bet that MI5 will. be there doing their utmost to wreck it all.

This aspect of the harassment is particularly relevant. as I will be travelling to. Europe again in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to see if. I can record the abuse which will almost certainly take place, either. on the Tube going to the airport, at the. airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each. of these locations, so well see how. much taxpayers money they waste this time, and whether it will prove possible to. capture their abuse on minidisc.

Read about the MI5 Persecution on. the Web

June. 1992 in Polands mountain resort of Zakopane

The persecution started in June 1990, and for the first. two years I stayed in the UK apart from a couple of brief day trips to Calais. By the. summer of 1992 Id had enough of being. cooped up in England with abusive fellow employees egged on by an abusive secret police service,. and decided to spend 10 days in southern Poland, on what was intended to. be a holiday at the mountain. resort town of Zakopane.

Unfortunately. the psychopaths of the Security Service were not willing to allow me to enjoy a holiday in peace and quiet. The journey. to Zakopane was by coach from the meeting point. at Londons Victoria coach station (National Express). followed by ferry followed by another coach across Europe. As we left Victoria. a youth and his girlfriend started a loud tirade. of abuse directed at "this bloke", where the "bloke" was never named, but it was very clear. that the "bloke" was myself. The youth said "they" had "found somebody from his. school, and he was always really stressed. at school, a real psycho". Again, the label "they" was not elaborated on, but it. was clear that "they" = the persecutors from MI5. The boy also said, "he was in a bed. and breakfast for only one night and they got. him". By a not unexpected coincidence I had been in a B&B in Oxford a week previously, which had been booked from. work; other things lead me to the conclusion that the company's offices were. bugged for most of the 2 1/2 years that I was there, so "they". would have known a room in the B&B had been booked. After a few minutes of this. I went back to where they. were sitting and asked where they were travelling. The boy named a village in France, and. the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of the boy's. abuse was.

It is. now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip. across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at. our destination, it became clear that many people, both in our tour. group and its guide, and among the ordinary. residents of the town, knew there was a movement under way to "get" me. MI5 employed. many people and significant resources for. an action which they knew would only take a maximum of ten days. A. commercial operation would never have felt able to waste such resources on such an unproductive and temporary. action; only a state-sponsored, taxpayer-funded entity like the. Security Service would be able to. be so wasteful.

To give some examples of. what happened in those ten days; I was walking in some woods. outside the town, when a Polish woman, looking at me, said the English "shit" in a strongly. Polish-accented voice. For the first three years 1990-92 MI5 had been trying. to force this word on me. Another example; I was walking near. my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which. means "you know hes a real madman". And the "TV reacting" happened there too; on. Polish TV, a bemused looking journalist said to. another, "to jest sprawa Anglikow", which means "its the concern. of the English", in other words, none of our business, despite what the English are trying to force down our. throats.

Just before we left. for home, I went with some others from our group to a nearby bar.. There a man shouted at me the same sexual obscenity which MI5 have constantly thrown at me these last three years. I think MI5. try to justify. their various terms of abuse by repeating them at me until I say them,. either while conscious or while talking in my sleep; and then they seize on. my saying those words to "prove" that the obscenities are "my fault", et cetera.. This rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition. attributed to them in a previous. article; blaming the victim for the crime you inflict on him is how psychopaths. think.

Nor did the persecutors let up during the return trip. Returning. on the ferry over the channel, a rather insalubrious-looking guy talked to. his mates about "and you. know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a. group of five or six young people started shouting at me. I slumped in my. seat and tried to avoid presenting a target, so they got ever. more strident - "whats the matter with you, cant you hear us?". One of the other people who had been on the trip to Poland asked them why. they were shouting at me, and they said, "hes. been to Cambridge", to which the co-holidayer asked them, "have you been to Cambridge?" presumably thinking they were aggrieved. fellow students, but they answered "no". Even after I left. the coach at Elephant and. Castle abuse continued; in the tube station, two kids started throwing abuse at me; one of. them said to the other, "and you know he works?" to which the other answered. "yes".

Immediate. Aftermath of November 1992

As you. will know from previous articles, my manager at OCG - ARIS/Oxford, Mr Mitchell, induced a. mental breakdown in me in the months leading up to Nov/92. The diagnosis was regarded by the persecutors. as a victory for them, because few. if any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There is. also a bias against the mentally. ill, an "institutionalised bigotry" in society comparable to. the institutionalised racism against blacks.

However,. MI5 did not let up on persecuting me following Nov/92. In December 1992 I flew by charter jet to. Alicante in Spain for two weeks recuperation. MI5 planted. one of their people on the flight, a youth who tried to start some noises that "hes a nutter". One of the. other passengers replied, "oh hes a nutter is. he? oh well!" and the youth shut up. and said nothing for the rest of the flight. I think it would be fair to say that the youth on the flight was embarrassed by what he. had been asked to do in making. the flight "uncomfortable" for me; he sounded defensive rather than. aggressive.

My. first trip to Canada in June 1993

Ive already covered this in a previous article. so Ill just give a brief summary here. On 10. June 1993 I flew British Airways from Heathrow to Torontos. Pearson Airport. On de-planing from the aircraft, one of a group of four fellow passengers looked at. me and said, laughing, "if he tries to run away well find him".. It was quite obvious that these four men were the ones who had been. harassing me since 1990.

I did nothing to apprehend them or bring this incident to the. attention of the airport authorities, mostly because this was my. very first visit to Canada, and the last thing I wanted was to get. into a dispute before I had even finished disembarking. In retrospect, I can see. this was a terrible mistake;. I should have made every effort to detain and identify these people.

Subsequently I have made numerous attempts. to obtain the names of these people from British Airways passenger lists,. by talking to BA, through a lawyer in Ontario, through a solicitor in. England, through the UK police, and also through private detectives in the UK. But. all my efforts have come to nothing. BA. have told me they keep passenger lists for a period of seven years, so they will still have. the list for this 1993 flight. I did not see or hear anything during. the rest of my visit to Ontario in 1993 which would have lead me to believe that I was. being watched or followed.

Journey across Canada in summer. 1994

As I think Ive already said in previous articles I emigrated. to Canada in late May 1994. For six weeks between late. May 1994 and early July 1994 I travelled across Canada. from coast to coast, starting in Toronto, visiting various cities. and ending up in British Columbia. I saw this both as something of a holiday, and the chance to get. to know a little better my adopted. country.

As. you can guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this. trip in late May, I was spoken about by one youth to another with the words "hes an. idiot", to which the other replied, laughing sympathetically,. "good luck to him".

A couple of days later I went. to Montreal and stayed at the YMCA downtown. As you can guess (this. is all so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that,. but they managed to set-up an instance of "newscaster reaction". from a local television station; while I was watching. a Vermont TV news programme on the set in. my room, the woman reporter said, "well theyre just tired and they want to go home", which sounds. like a pretty unprofessional thing to say until you realise. she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to. go home to the UK.

On the bus journey across the. North American continent, it was quite clear that MI5 were. following me every step on the way. For the first part of the journey they actually put someone on the bus with me, a. youth who said at. me "that guys paranoid" and tried to incite other passengers to attack me. I stopped for a couple of days in Winnipeg. in central Canada, and on leaving the. town heard on the radio a female presenter ranting about "insanity! insanity!". It is very tiring. travelling such a long distance by bus; I took the journey in two steps,. each of about 36 hours; and it is especially tiring. when you know MI5 are watching you and harassing you every step of. the way.

When I. finally got to Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they. were able to induce hatred towards me in elements of the general. populace; the Security Service must have. employed a number of agents and serious resources in a very short period of time; and for no real gain, because I havent. been back to BC for almost five years,. so all their "work" appears to be for nothing. In downtown Vancouver a street person said in front. of me, "theyre all. talking about him". For a few days I was staying at Pauls Guest House (345 W.14th Ave); on the day I left, the owner. Paul shouted at no-one in particular, "hes going to Victoria" - which. was quite accurate, I was indeed going to the. provincial capital Victoria on Vancouver Island. But I had not told anyone at the guest house. where I was going; I had only mentioned to my parents back in England on the phone that I. was going away. from Vancouver for a few days. Which leads me to suppose that MI5s bugging of the. phone in my parents house yielded the "intelligence" that I. intended to visit Victoria, and they had passed the information on. to Paul.

When I got to Victoria it was again obvious. that the persecutors were "doing their stuff" there as well. On the street I. was identified as being English, although I had not said anything. so my accent hadnt given me away; and. returning by ferry to the mainland, I was abused by a Canadian woman who said, "hes a nutter! you can run but you cant hide".. During my years in. Canada I have never heard the word "nutter" on any other occasion; I do. not think it is part of Canadians vocabulary; so the Canadian woman on the. ferry, who was obviously talking about me, must have been. supplied with this word by the English persecutors. And once I got back to. Vancouver, staying at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a. man saying, "hes paranoid, so thats as bad. as it can be, so why are they doing this. to him?".

Holiday in the States,. August 1995

By 1995 I was living in Canada, and in August I went down. the eastern seaboard to Florida and as far as Key West by. car. As you can guess (this is all so boring and predictable, isnt it?) MI5 followed me every step. of the way. I can see in retrospect that this must. have been quite easy for them as they. had my car bugged, both on the inside to listen to anything that was said and what radio station I was listening to, as well as. what must have been a tracker device installed to. track it across long distances.

The first. city I visited was Philadelphia. In the old Congress Hall where the first US. Congress assembled, the woman guide started referring to my situation, saying that "all these people in Europe were watching it",. and they were. "a little paranoid" at this 18th-century experiment in democracy. Also I had recently written a. newsgroup post where Id described a (female) poster as "wet-nosed". (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There were two. or three more incidents during this holiday in the. eastern States, including a radio station. down near Miami, showing "they" had tracked me all the way there, and were bugging the inside. of my car; but I didnt record the details and Ive forgotten some of it now. Also down in Miami Beach. a French tourist in a lift. expressed support for me with the words, "cest incroyable" ie. its incredible, meaning that. MI5s well-known actions against me were. beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again. by car, and was insulted several. times by people using the same words that had been used against me. in England. In Central Park, and elderly Englishman (not a real gentleman - but. then the Engish view of themselves as "gentlemen" etc is quite laughable) looked at me and said "idiot".. And while I was eating in. a streetside restaurant a New York youth started laughing and. said something like, "I cant believe it, hes actually here" - I think. that was because I had had an expressed wish to visit New York for some years before this,. although after this visit I wont be going there again for a. very long time.

Visit. to Poland December 1995/January 1996

In December. 1995 I flew (BA again, unfortunately - every time Ive flown BA one of these incidents has happened, presumably MI5 is happier setting. up harassment on British-domiciled carrier) from. Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally. harassed me in Poland during my. brief stay. They followed me around and got Polish people to. take part in the harassment. In one case two Polish youths talked in front of me. saying in English (with marked Polish accents), "fucked up men, fuck. you". There were also other incidents which I dont remember too clearly since it was some. time ago.

The return flight connected through Heathrow, and in the transit. lounge MI5 again set-up harassment against me. In Poland. they were talking their abuse in English, and in London they set. Polish people after me to speak in Polish; they heard me on the phone to. my father, and said "a wiesz ze to Polski wariat", in. an almost sympathetic, inclusive fashion (translation.. "you know hes a Polish nutter"). Once on the flight to Montreal I was again set upon. by two English youths, one of whom spoke and the other listened. The aggressive "fat bastard" youth. said, "if he wants to be a wanker". (its my fault theyre harassing me, you see), self-justification that "hes a nutter". (so we have to keep on abusing him, because hes ill), as well as talking about. the town in Poland where I had been staying. He. also said, "he doesnt know who we are", but as already remarked in. a previous article, that was at best a half-denial of my guess expressed in internet newsgroups that. the people after me were MI5 - if anything. its a half-confirmation rather than a half-denial.

These incidents are. still going on. You can hear digitised audio files of abuse on a BA flight. to Berlin in 1998 on the Web at address

On this flight. they were again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during. travel" contact was at Ottawa Airport. on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was. pacing aggressively in the departure area. In three weeks I will again be. travelling to Europe; we will. see what fresh acts of molestation MI5 perpetrate during this trip.

MI5 are. Afraid to Admit They're Behind the Persecution

MI5 have issued a formal denial. of any involvement in my life to the Security Service. Tribunal, as you might expect them to; but, more importantly, the persecutors. have never denied that theyre from the Security Service, despite several. years of accusations from my corner on usenet and in. faxed articles. I am not surprised that the Security Service Tribunal. found "no determination in your favour". I am however a little surprised that the persecutors have refused. to confirm my identification of them;. by doing so, they implicitly admit that my guess was right.

"No determination in your. favour" says the Security Service Tribunal

In 1997, I made. a complaint to the Security Service Tribunal, giving only the bare outlines of my case. I. do not think it would have made very much difference if. Id made a much more detailed complaint, since the Tribunal has no ability. to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5 are of course free to. be "economical with the truth".. A couple of months after my complaint the Tribunal replied. that;

The Security Service Tribunal have. now investigated your complaint and have asked me to inform. you that no determination in your favour has been made on your. complaint.

Needless to. say this reply didnt surprise me in the slightest. It is a well. established fact that the secret service are a den of liars and the Tribunal a. toothless watchdog, so to see them conforming to these stereotypes might be disappointing but. unsurprising.

It is noteworthy that the Tribunal. never gives the plaintiff information on whether the "no determination in your. favour" is because MI5 claims to have. no interest in him, or whether they claim their interest is "justified". In the 1997 report of the. Security Service Commissioner he writes that "The ambiguity of the terms in which the. notification of the Tribunals decision is expressed is intentional",. since a less ambiguous answer would indicate to the. plaintiff whether he were indeed under MI5 surveillance. But I note that. the ambiguity also allows MI5 to get away with lying to the question of their interest in me; they can. claim to the Tribunal that they. have no interest, but at a future date, when it becomes clear that they did indeed place me under. surveillance and harassment, they can claim their interest was "justified" - and the. Tribunal will presumably not admit that in their. previous reply MI5 claimed to have no interest.

"He doesnt know who. we are"

In early January 1996. I flew on a British Airways jet from London to Montreal;. also present on the plane, about three or four rows behind me, were two. young men, one of them fat and voluble, the other silent. It was quite clear that these two had. been planted on the aircraft to "wind me up". The fat youth described the town in. Poland where I had spent Christmas, and made some unpleasant personal slurs against me.. Most interestingly, he said the words, "he doesnt know who we. are".

Now I find this particular form of words very interesting, because. while it is not a clear admission, it is only a half-hearted attempt at. denial of my guess that "they" = "MI5". Had my guess been wrong, the. fat youth would surely have said so more clearly. What he was trying to. do was to half-deny something he. knew to be true, and he was limited to making statements which he knew to be not false; so he. made a lukewarm denial which on the face of it means. nothing, but in fact acts as a confirmation of my. guess of who "they" are.

On one of the other occasions when I saw the persecutors. in person, on the BA flight to Toronto in June 1993, one of the group of. four men said, "if he tries to run away well find him". But the other three. stayed totally quiet and. avoided eye contact. They did so to avoid being apprehended and identified - since if they. were identified, their employers would have been revealed, and it would become known that it was the secret. services who. were behind the persecution.

Why are MI5 So Afraid to. admit their involvement?

If you think about it, what has been going on in Britain. for the last nine years is simply beyond belief. The British declare themselves to. be "decent" by. definition, so when they engage in indecent activities such as the persecution of a. mentally ill person, their decency "because were British" is still in the forefront. of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities. are blamed on the victim "because its his fault. were persecuting him", and their self-regard and self-image of decency. remains untarnished. As remarked in another article some time. ago, this process is basically the same as a large number of Germans employed. fifty years ago against Slavic "untermenschen" and. the Jewish "threat" - the Germans declared, "Germans are known. to be decent and the minorities are at fault for what we do to them" - so they were able. to retain the view of themselves as being "decent".

Now suppose this entire episode had happened in. some other country. The British have a poor view of. the French, so lets say it had all happened in France. Suppose there was a Frenchman,. of non-French extraction, who was targeted by. the French internal security apparatus, for the dubious amusement of French television newscasters, and. tortured for 9 years with various. sexual and other verbal abuse and taunts of "suicide". Suppose this all came out into the open. Naturally,. the French authorities would try hard to place the blame on their victim - and. in their own country, through the same state-controlled media which the authorities employ. as instruments of torture, their view might prevail - but. what on earth would people overseas make of. their actions? Where would their "decency" be then?

This is why MI5 are so. afraid to admit theyre behind the persecution. Because if they did admit responsibility, then they would. be admitting that there was an action against me -. and if the truth came out, then the walls would come tumbling. down. And if the persecutors were to admit they. were from MI5, then you can be sure I would report the fact; and the persecutors support would fall away, among the mass media. as well as among the general public. When I started. identifying MI5 as the persecutors in 1995 and 1996 there was a sharp. reduction in media harassment, since people read. my internet newsgroup posts and knew I was telling the truth.. The persecutors cannot deny my claim that theyre MI5, because then I. would report their denial and they would be seen as liars - but they cannot admit it either, as. that would puncture their campaign against me. So they are forced to maintain a ridiculous silence. on the issue of their identity, in the face of vociferous. accusations on internet newsgroups. and faxed articles.

Have MI5. lied to the Home Secretary?

In order for the. Security Services to bug my home, they would either have needed. a warrant from the Home Secretary, or they might have instituted the bugging without a warrant. Personally I think it. is more likely that they didnt apply for a warrant - I cannot see. any Home Secretary giving MI5. authority to bug a residence to allow television newscasters to satisfy their rather voyeuristic needs vis-a-vis one of. their audience. But it. is possible that the Security Service presented a warrant in some form before a home secretary at some point in the. last nine years, for telephone tapping or surveillance of my residence, or. interception of postal. service.

So the possibility presents. itself that a Home Secretary might have signed a warrant presented to him based. on MI5 lies. Just as MI5 lie to the Security Service Tribunal, so they might. have lied to a Home Secretray himself.. MI5 and MI6 are naturally secretive services former home secretary Roy Jenkins said, they. have a "secretive atmosphere ... secretive vis-a-vis the government as well. as [enemies]". Jenkins also said he "did not form a very high. regard for how they discharged their. duties".

It was only a few years ago that MI5 was brought. into any sot the extraordinary thing is that British media organisations like. the state- and. taxpayer-funded BBC take such an active part in the MI5-inspired campaign of harassment. We have after all heard. of MI5 trying to bribe broadcast journalists; but surely there. must be a substantial number who are not. bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their own volition? The BBC. is supposed to be independent of the government of the. day as well as the Establishment in. general. While perhaps it is childish to think that the BBC. is anything other than effectively state-controlled, the degree of collusion between the BBC and the British. Secret Police MI5 is something you would not find. in many countries. Individual tele-journalists in other countries would have enough self-esteem not to. allow themselves to be controlled by their secret police. - seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such a low opinion of. their employing organisation. that they see no wrong in dragging the BBCs no-longer-good name through yet more. mud, at the mere request (whether supported by financial or other inducements) of the British secret. Police, MI5.

And when challenged, these broadcasters LIE. about their involvement, with just as little shame as MI5 themselves. The. BBCs Information dept have said. that;

"I can assure you that the BBC would never. engage in any form of surveillance. activity such as you describe"

which is an out-and-out lie. Buerk and Lewis. have themselves lied to their colleagues. in the BBCs Information department over the "newscaster watching", but unsurprisingly they. refuse to put these denials in writing. Doubtless if the "newscaster watching" ever. comes to light, Buerk and Lewis will then continue to. lie by lying about these denials. So much for the "impartial". BBC, a nest of liars bought and paid for by the Security. Services!

It is obvious that the persecution is at the instigation of. MI5 themselves - they have read my post, and only they have the surveillance. technology and media/political access. Yet they have lied outright to. the Security Service Tribunal.. Similarly, BBC newscasters Michael Buerk and Martyn Lewis have lied to members of their own organisation.. The continuing harassment indicates. they are all petrified of this business coming out into. the open. I will continue to do everything possible to ensure that their wrongdoing is. exposed.

MI5 Persecution Update: Friday 11. June, 1999

Harassment. in a pub in Clapham, Tuesday lunchtime

Once a month, or once every other. month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to. a particular pub near where he lives. The last time was some two months. ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed. by people MI5 had. instructed to harass me, in the pub.

This Tuesday, 8 June 1999, we again went. to the same pub for a pre-meal drink. This time I did. have my minidisc-walkman with me. As you can guess, we were followed into. the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look. young these days?). They started talking. about my situation, in particular some travel I had booked the previous day. Unfortunately, they were. talking fairly quietly, and my minidisc didnt pick up their. speech.

MI5s. schizophrenic reasoning is that simultaneously I am very important and worthy of their acts of. persecution, and I am also totally unimportant and their abuse of me "doesnt matter".. Perhaps they should test their agents and managers for obsessive personalities or psychotic features. in the same way as employees are drug-tested. MI5 might lose their. "worst cases" employees if some. psychological testing were applied to their recruitment. procedure.

Toothless Watchdogs. What a. Surprise.

Recently. I have been engaging in communications with two watchdogs, the Security Service Tribunal. which deals with complaints against the security service (and always clears MI5 of any wrongdoing), and. the Data Protection Registrar, which is mandated. to investigate misuse of personal data held on. computer.

In a letter to Nick Brooks, Security Service. Tribunal secretary, dated 20 April, I asked him if the Tribunal,. as an allegedly independent body, had the means to investigate complaints against MI5 other than. asking MI5 to themselves investigate complaints. To my. disappointment, his reply two weeks later answered the question only. indirectly, in the negative. Whatever the reader might think. of the merits of the case I have been putting before you. in faxed articles this last year and half, you will surely recognise that it. is a significant anomaly for the Tribunal to have no. independent means of investigating complaints, particularly given the view expressed. even by previous home secretaries that the security services are. untrustworthy.

MI5 Persecution: No Justice for. the Victims of MI5

In a previous article. I detailed the similarities between the current MI5 Persecution in England,. and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties. and forties. The Germans persecuted first the mentally ill, the. epileptics and those suffering from schizophrenia,. then moved on to racial groups; in todays Britain the. persecution is again directed at those with mental illness, which the British in their. cowardice find easier than taking on racial groups as the Germans did. But just as. in Thirties Germany there was no recourse against a malign. and omnipotent state, so the MI5 Secret Police in the modern British Fascist State allow no justice. for their victims.

No Recourse Against. the Security Services Illegal Harassment

It has become apparent to me over. the last nine years just how loaded the dice are in todays Britain, a fundamentally. fascist country which masquerades as a democracy. Britain is a democracy. in name only; the Establishment, the defence and. MI5 secret police are always there, regardless of which party has been voted into power. most recently - and from "New Labours" conduct in office one finds it difficult. to tell them apart from Old Tories, in their crackdowns. on the sick and vulnerable in society.

In thirties Germany the. victims of the Nazi regime had no legal recourse against their State oppressors; and in todays Fascist British. state, the victims of the Establishment and its MI5. Secret Police similarly have no recourse against the illegal state-funded and organised. oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in the shape. of the Security Service Tribunal and. Commissioner; yet these have never found favour of a plaintiff. One might as well. ask the Nazi SS to investigate crimes against epileptics. or Jews as ask the Security Service Tribunal to investigate MI5 crimes against. British citizens; it is quite obvious what the. answer is going to be, regardless of what you say to them, and what evidence you provide. The. Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services. a veneer beneath which they hide their shabby. criminality.

"Institutional Racism" and Bigotry. in the Metropolitan Police

The recent. inquiry into the racist murder of Stephen Lawrence found clear evidence of systematic and deliberate. racism in the Metropolitan Police, which cannot have. surprised anyone. Commissioner Sir Paul Condon accepted a. somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and this truth must. surely be obvious to anyone who has any familiarity or encountered the great British. police, the Met has. not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done. Thirties Germans proud. And it is a bastion of such. open racism - when many other parts of society are learning. to live in a multicultural environment, the Met is still living. in the past in its attitude to the minorities.

But. in addition to the systematic racism confirmed by the Lawrence inquiry, there is also something much. more relevant to this case, which is systematic police bigotry against the physically and. mentally disabled, which I personally have experienced in my dealings with the. police over the. years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to. the police in 1995 about the harassment I had been subjected to for several years. As soon. as they found out I had. mental illness, they refused to even talk to me. I tried again. in March 1999; the police made various threats to me, while ranting about "your paranoid rubbish". in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to. do is extremely serious, particularly as this. case is highly important, indeed key to. the whole issue of British self-perception at the end of the 20th century and the beginning of the. 21st century. Britain has lost much in the last fifty years - it has lost an. empire, it has lost its self-respect and its identity as a people.. If the MI5 persecution finally makes it into the light and the Security. Services are seen for the rather cheap bullies their behaviour indicates, it will. have a massive and harmful effect on British self-perception. in the new century.

Security Service. Tribunal - Blatant Whitewashing

A few weeks ago I spoke on. the phone to Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed. to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour. of a plaintiff and against the Security Service. He answered. that as far as he knew, it had. not.

I also asked Mr Brooks if. the Tribunal had any means of investigating allegations of criminal activity by MI5, other. than asking MI5 themselves if. they had engaged in such activity. His rather circuitous written reply states. that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to disclose or give to the. Tribunal such documents or information as they. may require for the purpose of enabling them to carry out their functions under this Act". Which is. a very round-about way of saying - "No" - the Tribunal has no. way of investigating MI5. crimes - None At All.

Setting up. the S.S. Tribunal, and creating a Security Service Commissioner, was really an act of falsehood by the. government. It is generally recognised that. MI5 are out of reach of the normal criminal justice system -. the police, as we have seen, have no intesot answer to the government; in a previous article I quoted Roy Jenkins speaking. of "a secretive atmosphere.... secretive vis-a-vis. the government as well as [enemies]", and. a "lack of frankness" from MI5.

If the government wanted. to, it could reform the secret services and ensure they acted in conformance with the laws which have been. enacted for them in the last ten years. But apparently the present government does. not see. any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5. is deliberately weak; the Tribunal has no independent means of investigation, and. it is simply a waste of time complaining to the Tribunal or. Commissioner.

Every so often, fresh revelations. come to light of secret service transgressions.. We have heard from Shayler that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter. Wright that MI5 plotted to see

Wilson ejected from office; yet so closed is the system of government. that the. law is never enforced against MI5 when they "bug and burgle" everyone from politicians. to ordinary citizens.

No Justice from the Legal. System, either

Britain has a civil and criminal justice system which effectively. limits many complaints from being heard. For a civil complaint to be. brought before a court,. you need a solicitor willing to act on your behalf. Supposedly. it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or. "disclosing no cause for action in. law". This is exactly what happened to me in 1997 when I twice tried to take. the BBC to court for spying on me in my living room at home; my case was twice struck out, and on. the second occasion an order was made against. me that I could not bring further civil litigation against the BBC without. leave of the court.

As the reader can guess it is quite impossible for. a person with schizophrenia, who complains about the secret services. and media interfering in his life,. to find a solicitor willing to represent him in legal. action against the persecutors. I have quite a lot of evidence of the continuing persecution which I have posted on the website,. even if the evidence is quite. tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some. of them have acted unprofessionally and abused me; all of them. have refused to represent me. My psychiatrist gave me the name of the firm. of Bindman and Partners in. central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem. with Bindmans, which they have admitted, is their bigotry. against mentally disabled people;. yet this is not just something that is wrong with Bindmans, it is something that is wrong. with the legal system as a whole, since. the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court,. but it does not have a mechanism for. providing a lawyer in the case where no solicitor is willing to take on your case. So the. British legal system is such as to prevent cases such as mine from. ever receiving an airing in a court.

So much for the civil courts. But the criminal. justice system is no better. Two years ago the Protection. from Harassment Act came into force. But again, while the Act is all very. well on paper, in practice it is unenforceable in my case, since it would require Police action to. see the law implemented, and if the. police cannot even be trusted to conduct a murder investigation competently (in the. Lawrence case), then what chance is there of their investigating complaints against. the Security Service? Of course, it. would be possible for me to personally issue proceedings through a private prosecution. either against MI5 themselves, or against one or more of their media. tools; but here we see the same problems as with the. civil courts, because first of all I would have to find a lawyer willing to act on my. behalf. Litigants-in-person do exist in the criminal courts,. but the Attorney General can bring such a prosecution to an end by taking it over and. entering a plea of "nolle prossequi"; and I suspect that if I were. to bring a private prosecution against either MI5 or one of their media tools, then this. is exactly what would happen.

So. much for British justice. But if anything the wrongs that have been perpetrated on. me by the British justice system are quite mild to what others have suffered.. Others have been wrongly convicted based on police evasions and lies, and spent many years in. jail based on false charges. I should count myself lucky that. despite the best efforts of the MI5 secret police, I have not acquired any criminal charges. or convictions; which shows that for all their. resources and influence, and the clear imperfections in. the British legal system, there are still limits on how much. subversion MI5 can achieve.

The latest in a. long line of injustices

A comment I. heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not. as if the police themselves murdered him". This is not a. particularly wise statement to make about the case, since it could be argued that. the four alleged murderers were aided. in their crime by the expectation that the police would deliberately. botch the investigation - which of course is exactly what. the police did.

But in my case, this would be a completely inaccurate thing to say -. since the MI5 secret-police. have expressly been trying to nine years now to see an end put to my life, either. by having me incarcerated and my liberty ended,. or by forcing self-termination on me. It is exactly as if the secret. police "themselves murdered [me]", since that is what their aim is in their campaign. against me.

The public has. heard of instances of police mishandling of cases, of police manufacturing evidence, lying in court, extracting. false confessions to clear. up crimes, et cetera. Various instances of extra-legal activity by. the secret services have also come to light in the last few years. The unhappy truth is that. what MI5 have been doing to me for the last nine years is really nothing out. of the ordinary for them. To me it seems unbelievable. that this sort of systematic campaign of harassment, which thousands and thousands of people in this. country and abroad are well aware. of, could exist for such a long period of time with the media maintaining "omerta". But my case is not. the first such instance of persecution by the "British secret police", and judging by. the lack of any real controls on MI5, I very much doubt it. will be the last.

MI5 Have Systematically Destroyed. My Life

This. is getting depressing. From the feedback Ive received, the recipients of these faxes are tired of. hearing my complaints, and in truth I am tired of sending them. The reason. I havent yet ceased sending faxes is because I cannot. think of any other effective means of replying to MI5s actions against me, and I feel I have to. do something to try to defend myself.. Three/four years ago I got the MI5 harassment out of my system by posting about it on Internet newsgroups, and. for a few months this tactic was quite effective -. I received (and indeed still do today) support from newsgroup regulars, and felt I could make my voice heard. and break the MI5 monopoly on access to the British media. But that was. years ago, and today nobody gives a. tinkers cuss about my internet posts - so I have sought to escalate matters by communicating directly with the politicians. who allegedly say how this country is supposed. to be run.

Of course, its quite expensive to keep up a campaign of. fax messages for many weeks. Each set of faxes takes approx 50 hours to. send over the weekend, and costs perhaps. 35. My phone bill for the last quarter was 350. These figures are naturally insignificant compared to what. MI5 have been spending against me over a similar period. It also. takes a lot of time. and energy to create a new article every week, and try and find new and fresh aspects and. viewpoints on MI5s persecution of me. I am beginning to run out of both new topics and energy. to write these articles.

So I have a suggestion to put before the MI5 persecutors who. have been wrecking my life since 1990. In a few days time I will. be going on holiday to Poland and Germany, for a couple. of weeks. Previously, almost every time. I have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these trips.. My suggestion is; if. MI5 leave me alone on this next trip, I will cease transmitting these articles. If, however, there are any clear instances. of harassment. (and I am very capable of recognising MI5 harassment when I see it), then I will make public. these instances and publish any recordings I may make of them, and,. unwillingly and unhappily, continue the articles.

Read about the. MI5 Persecution on the Web

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

MI5 Refuse to Allow me to have a. Normal Life

Its kind. of difficult to contemplate having a normal existence when you know your entire house is. bugged from top to bottom, for audio and, very unpleasantly, video; when. your employment is systematically destroyed, over and over again; when every time you leave. the country your travel is disrupted by MI5 plants on the plane yelling. abuse at you..... you get the idea. I would like to have some semblance of. a normal life, like my Polish and English. friends do. But MI5 have made this impossible, and they have leached massive resources. from the taxpayer to institute a life not worthy of the name on. me.

A few years ago MI5 were very open about. their aims in persecuting me.. They were shouting "suicide" at me, both in Canada where I lived at the time, and during my occasional visits. to London. You cant get much clearer than that. There have been instances as recently as a few. weeks ago of this intention being voiced by their side; on 15. April 1999, a woman. at the next ticket counter at the Royal Festival Hall said;

"it would. kill it, you know, it would just be overkill... they can't stop can. they"

meaning that "they" were trying. to "kill it" i.e. me and they "cant stop". The audio file. is at;

I wonder why they "cant stop".. Nobody (who doesnt know already) believes my claims - so. what difference would it make, if they were to "stop" persecuting me? Perhaps what this persons remarks indicates,. is the depth of the obsession MI5 have with this case. They have chosen. at random a person from the general population, and done their worst to. ruin my life. What is wrong with these people, that they persecute a national. of the country whose citizens they. are supposed to protect?

No Chance. of a Harassment-Free Job

Since the harassment started in 1990 I have. had three jobs, the first near Guildford, the second in Oxford,. and the third overseas in Canada. All three jobs have been systematically. destroyed by MI5. It is so ironic that MI5 employs a team of agents,. each well compensated for their efforts, to persecute just one person paid a mere fraction of what. they get for their "work". In fact, it is a joke that. MI5 is allocated resources for this sort of effort. If this. area of government were run along commercial lines then MI5 would be very rapidly closed down, they produce. nothing of any value,. instead spending their time obsessed with the bugging and surveillance of their former. employees like Shayler, dangerous subversives like. Straw and Mandelson, and "threats to national security" like yours truly.

Applying for my first post university. job

When I was. applying for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5. had got there ahead of me. Interviewers knew what words to repeat. from what had been said at my home. recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying. to wreck my job search and discourage me from joining the world of work. This. and the continuing harassment in the media and by the public meant that the. search for a job took very much longer than it. would ordinarily be expected to take for a person with. my qualifications.

With my first job near Guildford came the knowledge that MI5 were. doing everything possible to make. me lose the job. Despite their efforts I managed to stay in work for. ten unhappy months, during which they made very clear to. me that they were bugging my workplace, my accomodation in Woking, my car, my home..... and they also made clear that they had. "got to". my employer in Guildford.

Employment with. Oxford

I was able to find. a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very clear, very quickly,. that MI5. were treating this job the same as the first; they tried to get the other employees and. in particular the managers to attack me. It was plainly MI5s intention that I be sacked. fro this job. But I was not sacked; instead, after almost a year of abuse from OCTS managers, I. was forced to seek. medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was. motivated in keeping me on by the fear that if he sacked me, then I would. take him to court for the treatment. OCTS managers had meted out to me during 1992.

Emigration. to Canada

When I emigrated to. Canada in 1994, I did think that perhaps MI5 would leave me alone,. given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why they. would continue. to harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to. harass me they most certainly did, at my. home in Ottawa, and by getting fellow employees to speak against me,. as had happened with previous jobs in the UK.

MI5. are denying me a future in work

Former Chief Constable of Devon and Cornwall John Alderson had. this to say regarding. MI5's activities;

"MI5 is not under. the same restraints as the police. They infiltrate organisations, people's jobs and lives. They operate almost like. a cancer."

Currently I am on disability, and I can see that MI5 are denying me. a future in work. It would be an insult to logic for me. to return to work and find a job, in the knowledge that an entire team of MI5 agents,. paid in total many times what I would be earning, would have. the objective of seeing me "done down" in the employment, and ejected from. the place of work. This situation is completely. wrong and nonsensical - I would very much. like to have a job, but MI5 are preventing me from even thinking about. returning to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when. external oversight and greater transparency might. lead to wasteful and illogical operations such as that against me. being shelved.

Watched and Harassed at. my Home and Accommodation

As you will know. if you have been reading these articles, MI5 have watched and harassed me. at my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses. in London, and at short-term. accommodation such as hotels and bed-and-breakfasts. They have used the "words" gained from these watching activities against me,. by passing these words on to other. people such as OCTS managers for them to make clear that I am being watched where I. live.

Harassed at rented rooms in. Oxford in 1992

This was at its worst in 1992 in Oxford,. where during the week I lived at rented accommodation in Oxford, and at weekends returned to. my parents home in London. I was being severely harassed. by managers at my place of work,. OCTS; and it was clear from the things they said that they were being supplied by MI5 with details of my home life, that they were. being supplied. with words to repeat at me.

In 1992 I moved house in Oxford many times, living. at a total of five rented. accommodations in ten months. In January I started off living in a rented room. at Headington near the ring road / A40 intersection; then when it became clear that house was being bugged, moved to a rented room. in Botley, some. miles away. It was at the house in Botley that I had an "interactive watching" experience. with Martyn Lewis while he was reading the news; I threw a term of abuse at him;. he first flinched, then gave a gsult of what I had just said, he was no longer "on my. side".

So I moved. house again. This time to a place in Cowley, near the Rover car works,. where I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this. accommodation, to yet another rented room on Iffley Road. By this time I. was very ill and being abused continuously at work. Again, MI5 followed. me to the rented room on Iffley Road, and created new instances. of "newscaster watching". There was a television in the room which I watched, and as you can guess. the newscasters got at me when I was watching the television. Also once I was assaulted,. if thats the word for what happened, on leaving the. house; a youth grabbed me by the coat lapels, roughed me. up a bit with various terms of abuse. I did not. report this assault to the police, because what was happening to me at work was very much. worse, and nobody seemed to think that that was worthy of being reported to. the police. Later that day at work, Alex G, a fellow employee, said "I heard he. was assaulted".... I had not told anyone at work about. the incident that morning..... so once again it was made very clear that MI5 were watching my rented. accommodation and giving information about what was going on there to managers at. work.

So I moved house yet again in late. autumn 1992, this time to a rented room in. a large house on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to. OCTS managers abuse, until I was forced. to take sick leave from work for two months and attend hospital as an outpatient; at which point I gave notice on the room, and. returned to London.

MI5 continued. to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me. on a flight to Spain in December 1992; and in 1993,. when I returned to live and work in Oxford, they again bugged. my rooms, as well as my workplace, although the intensity of. the harassment was very much less than in 1992.

Watched, followed and harassed. in Canada

It dismayed me to find that MI5 would not leave me alone. after I had settled. in Canada. In January 1995 I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks. there was no sign of the "buggers". But then it started all over. again. They first bugged my car, which had a car alarm installed - the alarm went off two or three times. in a single evening, and the following. day gave a signal that the car had been broken. into. Then they bugged my apartment, and in particular they installed bugs on. the phone line in my apartment.

In September 1995 I moved to a new apartment in Ottawas Bytown. Market area,. the restaurant and entertainment heart of Canadas capital. This proved a serious mistake. In the. west end I had been fairly distant from the. centre of town where MI5 concentrated their efforts at turning people against. me. In the Market area it was much easier for the persecutors to motivate people to harass. me, and over the next couple of years there were frequent. instances of harassment by the general public.

From 1995 I had. some Polish friends in Ottawa, and as the reader can guess, MI5 have spent. much effort trying to break up this friendship. They supplied various things about my home life to these friends,. for example where I was living. in the Market, directly over the road were the studios of a music radio station,. which you had to "look up" to see; and MI5 told these friends that I was "looking up" to see the radio station;. so the friends then replayed these words. back to me, that I was "looking up". MI5 have also made various sexual slanders against. me, and these friends also unwittingly replayed some of the words they. had been imprinted with by the MI5. persecutors.

MI5 Will Never Allow Me. to have a Normal Life

I have. heard many excuses as to why MI5 continuously prevent me from having a normal life. We are told. that MI5 are defending the country against a tere to. zero.

When I have travelled abroad,. they always put their people on the flights, on the journeys I undertake, to continue the harassment, so that I am. put off further overseas travel, and chained to my home in London.. Yet even this is illogical, because when I lived in. Canada, they would still put people on flights back to the UK.... and what. possible reason would they have for doing. that? Perhaps the truest words to describe the MI5 persecution is that reason has nothing to do with their activities. - sane people do not behave in the way the MI5 British Secret Police. have been doing.

Summer. 1999 - more MI5 harassment?

In only a few days time I will be going to Europe again. This. time I have deliberately chosen to travel by a non-UK. airline; so we will see if they put their paid agents on this foreign carrier, we will see if they try. to harass. me on this non-British flight.

If they do harass me on. this trip to Europe, or if they resume the harassment in London. after I return home, then I will continue to report their activities in these. faxes. As I said at the beginning of this article, I would very much like to not have to. send these articles any more, but that is not my. decision to make - it is entirely up to MI5 to cease their. pointless persecution of me, once and for all.

MI5 Persecution Update: Friday 9. July, 1999

Harassment in Poland, July. 1999

And still it continues.... in my last fax I said that. provided MI5 made no attempts at harassment during my two-week holiday this. summer, or after I returned. to England, then I would discontinue these faxes. Unfortunately MI5 have continued to harass me, both during. the holiday and after my return to London. I. really dont want to continue these articles, since they take. up so much time and effort, not to mention expense; but the Security Service wont even let. me have a holiday in peace and quiet, so I have to make further. efforts to bring their activities out into the open.

In early July. I visited my aunt and her family in Poland. On Saturday 3 July 1999, I went to a. family barbecue at an allotment outside the city. One of my aunts family has previously shown himself to be in. the "enemy" camp, by saying the Polish equivalent of "something wrong. with him", and various other unprovoked insults. It is disappointing. that one of my family could forsake the usual ties of blood and take part in. the actions against me, but thats the way it is.. This guy turned up at the barbecue, and. started making insults against me. In particular, he started to say something about the video camera. which I had brought along on the trip, and the relevance of the video-camera to my. fight against the persecution. It seemed pretty obvious to me. that my enemies had told him to turn up to this occasion, and most. likely schooled him in precisely what words. to say; since hes an unintelligent person and would not be able to think for himself what. insults to make against me.

Harassment in London, week ending Friday 9. July 1999

Got back to London Wednesay afternoon. Two incidents. on the Underground returning. from the airport. Unfortunately I wasnt recording because I wasnt expecting trouble, so these slipped. through the net. One of these was verbal sexual abuse, of the type Ive heard many, many. times before these. last three-and-a-half years.

Yesterday, Thursday 8/July/1999, I switched on Heart. FM which had never "got at" me before.... and the. presenter started making jokes about "mad, crazy" etc. Again, wasnt recording. this because Id never had any trouble from this radio. station and wasnt expecting any.

Also yesterday, on a bus (155?) from Balham to Clapham, a couple. of girls started harassing me with taunts of "crazy". By now I was. expecting trouble and recorded an audio file of this instance of abuse, at web. URL;

The cynical reader might think my demeanour or behaviour had given rise. to the taunts of "crazy" recorded above.. But I assure you my behaviour on the bus would not have made anyone think I was ill; and the taunts. the previous day were the same sexual words as previously; so I'm. quite sure that these incidents are. either deliberately staged, or indicative of an overall. high level of awareness among the London public, particularly in the part of London where I. live.

Keith. Hill MP (Labour - Streatham), my elected representative, as ever refuses to. help.

MI5 Persecution: Harassment. through the Radio

One of the aspects of the MI5 persecution has been. harassment through the broadcast and print media; and one of the aspects of. harassment through the broadcast media is being "got at" by radio presenters. This being. "got at" from the radio takes various forms, the. most obvious form being through overt or hidden words and insults.. But there are other, subtler forms. In Canada a couple of years ago, I used to listen to. the local radio stations every morning driving to. work, and listened to the music only, switching between radio station presets rapidly as soon. as a presenters voice came on, so that I would not be subjected to. any verbal harassment by the D.J.s. But they found a way around. this; they kept on playing the same song, every bl**dy morning at the same time, which. had the words "all coming back to me"; the perceptive reader will. remember that. the words "coming back" have special meaning (see the Private Eye cover at. web URL; for the
hidden. meaning).

And thats not the only. time theyve allowed the songs themselves to be used as abuse against. me; many years ago Radio-1 in the UK did exactly the same, and the DJ even made it explicitly clear by saying,. "dont you sometimes feel. as if the songs were made just for you".

"We should be done. for attempted manslaughter" says Chris Tarrant

Capital Radio DJs have been "in on it" from the start. One. of the first things I heard in the summer of 1990. was from a Capital DJ who said, "If he listens to Capital then he can't be. all bad" (supportive, you see. We're not bastards). Much. of what came over the radio in 1990 is now so far away the precise details. have been obliterated by time. No diary was kept of the details, and although. archives if they exist may give pointers,. the ambiguity of what broadcasters said would leave that open to re-interpretation.

In spring 1994, Chris Tarrant on his Capital. morning show made an aside to someone else. in the studio, about a person he didn't identify. He said, "You. know this bloke? He says we're trying to kill him. We should be done for attempted. manslaughter".
